MEMBERS' GUIDANCE NOTE

DECLARING INTERESTS IN MEETINGS

DISCLOSABLE PECUNIARY INTERESTS (DPIs)

DPIs include:

- Any employment, office, trade, profession or vocation carried on for profit or gain.
- Any payment or provision of any other financial benefit made in respect of any expenses occurred in carrying out member duties or election expenses.
- Any contract under which goods and services are to be provided/works to be executed which has not been fully discharged.
- Any beneficial interest in land within the area of the relevant authority.
- Any license to occupy land in the area of the relevant authority for a month or longer.
- Any tenancy where the landlord is the relevant authority, and the tenant is a body in which the relevant person has a beneficial interest.
- Any beneficial interest in securities of a body where
 - a) that body has a piece of business or land in the area of the relevant authority, and
 - b) either (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body **or** (ii) the total nominal value of the shares of any one class belonging to the relevant person exceeds one hundredth of the total issued share capital of that class.

PREJUDICIAL INTERESTS

This is an interest which a reasonable fair minded and informed member of the public would reasonably believe is so significant that it harms or impairs your ability to judge the public interest. That is, your decision making is influenced by your interest that you are not able to impartially consider only relevant issues.

DECLARING INTERESTS

If you have not disclosed your interest in the register, you **must make** the declaration of interest at the beginning of the meeting, or as soon as you are aware that you have a DPI or Prejudicial Interest. If you have already disclosed the interest in your Register of Interests you are still required to disclose this in the meeting if it relates to the matter being discussed. A member with a DPI or Prejudicial Interest **may make representations at the start of the item but must not take part in discussion or vote at a meeting.** The term 'discussion' has been taken to mean a discussion by the members of the committee or other body determining the issue. You should notify Democratic Services before the meeting of your intention to speak. In order to avoid any accusations of taking part in the discussion or vote, you must move to the public area, having made your representations.

If you have any queries then you should obtain advice from the Legal or Democratic Services Officer before participating in the meeting.

If the interest declared has not been entered on to your Register of Interests, you must notify the Monitoring Officer in writing within the next 28 days following the meeting.

- The item 'Emergency Planning – Proposed Shared Berkshire Service' would be presented to Cabinet in March 2017

CABINET MEMBERS' REPORTS

ORDER OF BUSINESS

RESOLVED UNANIMOUSLY: That the order of business as detailed in the agenda be amended.

B) PARKING PROVISION FOR THE BOROUGH

Members considered the output of an initial assessment of future parking demands and needs within the Royal Borough.

Cabinet was addressed by Patrick Griffin. Mr Griffin stated that he was pleased to see a paper tabled for the meeting regarding parking provision for the borough, recommending the commissioning of a draft parking plan costing nearly £10m. However, once again a borough paper illustrated why residents of Ascot, Sunninghill and Sunningdale were so concerned about infrastructure provision in the area. This plan was focused on Maidenhead and Windsor and the £10m budget seemed to be predominantly intended to cover the cost of the detailed feasibility assessments for the eight sites identified, none of which were in Ascot and the Sunnings. The only fleeting mention of Ascot, in one paragraph 2.25, referred to 'options for improving parking provision in other parts of the borough are also being explored' but no reference was made to what the 'exploration' was showing. Mr Griffin asked how much of the £10m budget would be allocated to assessing the parking needs of Ascot, Sunninghill and Sunningdale? He also asked if the Cabinet would make it clear that the brief for this draft parking plan must include a proportionate and appropriate focus on the parking needs of both Ascot and Sunningdale as the borough's two district centres, and of Sunninghill local centre, all of which currently suffered from serious shortages of parking?

Cabinet was addressed by Diana Tombs, representing the Ascot, Sunninghill and Sunningdale Neighbourhood Plan Delivery Group. Ms Tombs highlighted that the proposal stated in point 3 of the report summary and in paragraph 2.17 that the parking plan 'confirms the overriding principle that parking needed to support new residential development will be provided as part of each of these developments'. Whilst the Delivery Group concurred with the principle, it did make it critical to ensure that borough parking standards were such that there was sufficient parking allowed for on these residential developments so that parking did not spill over onto streets, thereby exacerbating already acute traffic congestion. The current parking standards, which were recognised as very old, certainly did not; it was critical that new ones did. The Delivery Group had just conducted a parking survey in the area, which got a 7% response rate. The group was willing to share the results with the borough, which showed for example that nearly 80% of households had two or more cars and only 35% parked them in a garage.

The survey also showed that over 50% had friends visiting between once and several times a week, 40% had weekly or more frequent visits from cleaners, helpers, carers and gardeners and that around half received deliveries weekly or more frequently, all demonstrating the need for residential parking to include sufficient provision for parking for tradesmen and visitors as well as residents. Ms Tombs therefore asked why did the borough highways department consistently refuse to use NP policy NP/T1 requiring such parking when evaluating parking provision in planning applications?

She asked whether, prior to publishing new parking standards, the borough would conduct a full borough-wide survey among residents to find out what residential parking needs actually were and take them into account in the new standards?

The Lead Member explained that the report set out the council's vision to address parking provision in the future, in particular whilst Maidenhead went through regeneration. The report was focussed on Maidenhead because of the immediate pressing need as regeneration gathered place. However, the rest of the borough was not being ignored. The report set out a draft as it was not yet known how things would pan out. The council would need to liaise with a number of parties including the Joint Venture partner once appointed. In relation to River Street, any permanent solution would require consultation with Ward Councillors. The entire project would require communications as car parks came on line throughout the borough.

In response to Mr Griffin, the Lead Member explained that the capital sums detailed in the report were an estimate at this point for options to address parking demand and need in the borough, based on the work carried out so far. The work undertaken to date to review the parking provision in the other town centres and villages suggested that parking issues were not necessarily related to a lack of off street car park provision, but on street matters. Officers would be undertaking a review of on-street arrangements in due course. As part of finalising the plan and investment case that would be considered by full Council in April, the council would be looking again at other areas in the Borough including those Mr Griffin had highlighted. His comments were noted and the issues would be incorporated within the review.

In response to Ms Tombs the Lead Member commented that the report dealt with public parking provision rather than development related parking, therefore he would ask the Lead Member for Planning to respond.

The Chairman highlighted that the Joint Venture areas in Maidenhead, combined with the Landing, totalled approximately 20 acres. Regeneration would require both public and residential parking. Phased solutions were required to keep the town vibrant during a period of significant change.

The Lead Member for Planning commented that parking provision regularly featured in response to the Borough Local Plan (BLP) consultation. A Supplementary Planning Document would be issued following submission of the BLP to the Inspector and would include standards for residential development. The planning department was currently utilising a document from 2004. He had highlighted to the highways department that it was not utilising the Neighbourhood Plan policy referred to by the speakers; he would raise this again.

The Deputy Lead Member for Ascot Regeneration assured both speakers that he and Councillor Bateson would continue to raise the issue of parking in the south of the borough. He expected that proper consideration would be included in the final paper. The report before Members was associated with the arrangements to enable Maidenhead to function during regeneration. Both speakers would be attending a stakeholder meeting the next day on rejuvenation of Ascot; no doubt parking would be high on the agenda.

The Principal Member for Maidenhead Regeneration and Maidenhead commented that regeneration was already underway, therefore the paper was critical. The report did not refer to the Nicholson's car park; funding would be required as the council

committed to build a new car park fit for the town. 700 spaces would be removed when this building took place therefore it was critical to think ahead as to where temporary spaces could be found. A fundamental principle of the Joint Venture site was that residential parking would be provided in accordance with policies and would also replace public parking provision currently on the sites. Of the £9m, £5-£6m would be for temporary provision. The council would look for opportunities to through phasing to get better mitigation of temporary provision costs. The proposals should be looked at as an investment . Without the temporary provision, the town would not benefit from all the good aspects of the Joint Venture, including up to 1500 new dwellings of which 30% would be affordable. An Access and movement strategy to ensure traffic would be kept moving round the town would be presented to Cabinet later in the year.

The Principal Member for Neighbourhood Planning & Ascot and the Sunnings commented that it was critical to ensure enough parking spaces to support the retail sector in Maidenhead. She looked forward to working with the Lead Member on parking provision in the south of the borough.

The Lead Member for Economic Development and Property gave his support for an extra deck on River Street car park. He thanked the Lead Member for the offer of consultation with Ward Members and the recognition that the areas was sensitive. The Lead Member for Highways and Transport commented that Maidenhead could not afford to lose any footfall during the transformation. In his opinion, the way forward was underground parking as an acre of land was worth £5m. If the return on investment period was extended, spaces would pay back over time. He also supported the proposals for River Street car park.

The Chairman suggested that a report in April may not give sufficient time to discuss options with the Joint Venture partner, who would not be appointed until the end of March. It was therefore agreed that a report would come back to Cabinet in May, followed by full Council in June.

RESOLVED UNANIMOUSLY: That Cabinet notes the report and:

- i) Approves the direction of the draft future Parking Plan.**
- ii) Authorises the completion of detailed feasibility assessments for the eight sites identified in Tables 1 and 2 for potential additional parking provision.**
- iii) Delegate authority to the Strategic Director of Corporate and Community Services in conjunction with the Lead Member for Environmental Services including Parking and the Principal Member for Maidenhead Regeneration and Maidenhead to finalise the Parking Plan and submit an investment case to Cabinet in May 2017 and full Council in June 2017 for approval.**

A) DELIVERING DIFFERENTLY IN OPERATIONS & CUSTOMER SERVICES - CCTV & CONTROL ROOM SERVICES

Members considered the findings of the initial review of the council's CCTV system.

The Lead Member highlighted a typographical error in the recommendation, which should refer to paragraph 2.28 rather than 2.41.

The Lead Member highlighted that option C, to decommission some cameras, was not recommended. He referred to comments by Councillor Werner in the Maidenhead Advertiser that the loss of cameras was a 'done-deal'. This was not the case, as the report proposed a review of the system, looking at what the council had and what technology was available. The current system was very expensive and dated from 1996. The council had got the most out of the system but it had reached the end of its serviceable life. The review would come back to Cabinet in August 2017. Thames Valley Police (TVP) had been fully involved in discussions and were in agreement with proposals. TVP had three strategic principles for CCTV which they would like the council to embed in any new solution:

- i. Effective CCTV coverage in Town Centre/Night Time Economy locations.
- ii. CCTV cameras located at key entry/exit points to the Royal Borough.
- iii. The ability to review recorded footage in a timely manner so as to support investigations and operations

The borough had the largest camera network of any local authority in the Thames Valley. The option of a shared service would be considered. If additional cameras were needed the council would consider these, but it did not want to waste council taxpayer money on cameras that pointed at nothing.

The Deputy Lead Member for Ascot Regeneration commented that the review was the best way to determine the most effective and efficient way to deliver cameras. It would be considered essential that central Windsor maintained a CCTV presence to monitor the night-time economy. Anti-social behaviour had significantly declined in the last eight years, however the jury was out as to whether this was a result of CCTV cameras or because of investment in Community Wardens.

The Chairman commented that if there was a situation where people believed additional cameras were needed the council would consider suggestions.

RESOLVED UNANIMOUSLY: That Cabinet notes the report and:

- i. **Delegate authority to the Interim Strategic Director of Operations and Customer Services in conjunction with the Lead Member for Environmental Services including Parking to:**
 - a. **Implement options A and B, see point 2.28.**
 - b. **Commission expert resource to undertake a review of the CCTV network including options for joint/merged services and develop a proposal to reconfigure current CCTV arrangements as set out in option A, and report the findings to Cabinet in August 2017.**

c) FINANCIAL UPDATE

Members considered the latest financial update.

The Deputy Lead Member for Finance explained that on 16 January 2017 the council published a proposed budget for 2017/18 that protected the most vulnerable residents, with investment in Adult Social Care and fighting homelessness, and laid out the serious investment required to delivery regeneration projects, all whilst remaining a low-tax council, with core council

tax rising by less than one percent. This was only possible due to sound financial management from officers and Members over the past 12 months.

This financial year the council was projecting a £473,000 underspend on the General Fund which was a further increase of £38,000 since the last reported figure at Cabinet in December 2016. As such the council remained in a strong financial position with combined General Fund Reserves of £6.33m, well in excess of the £5.27m recommended minimum level.

The Adults, Children and Health directorate project an overspend of £192,000 with significant impacts, both favourable and adverse, coming from demand led services where demand was difficult to predict and small numbers could have significant budgetary impact.

Corporate and Community Services projected an underspend of £64,000, with improved positions in visitor management and in development and regeneration, offset by a small fall in planning application income. Operations and Customer Services continued with an excellent position of £596,000 underspent.

Members noted that the reported £200,000 revenue budget movement in Table 3 related to the £200,000 agreed by Cabinet in October to transfer staff to Optalis. The cash balances projection, which was based on similar assumptions to previous months, and the outturn of the capital programme with slippages reported were also noted. Both would be expanded on at the budget next month.

The report detailed how officers and Members were guiding the plane, the financials of the borough in the current financial year, straight in to the hanger, to the benefit of all residents, service users and taxpayers. He thanked all officers involved including the finance team and the strategic directors.

The Chairman commented that, on average of all unitary authorities in England, the borough's council tax was 25% lower. The council also had a 10% contribution level for council tax support from the lowest earners, compared to 25% in Reading.

RESOLVED UNANIMOUSLY: That Cabinet:

i) Notes the Council's projected outturn position

LOCAL GOVERNMENT ACT 1972 - EXCLUSION OF THE PUBLIC

RESOLVED UNANIMOUSLY: That under Section 100(A)(4) of the Local Government Act 1972, the public be excluded from the remainder of the meeting whilst discussion took place on items 8-9 on the grounds that they involved the likely disclosure of exempt information as defined in Paragraphs 1-7 of part I of Schedule 12A of the Act.

RESOLVED UNANIMOUSLY: That the minutes of the meeting held on 13 October 2016 be approved.

ST UNAUTHORISED TRAVELLER DEVELOPMENT AT SHURLOCK ROAD, WALTHAM LAWRENCE

Members considered the unauthorised Traveller development at Shurlock Road, Waltham St Lawrence.

The Chairman of the Planning & Housing Overview & Scrutiny Panel had agreed to the report being added to the agenda as it had not previously been listed on the Forward Plan.

The Mayor had agreed to a waiver of the call-in process as any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests.

Councillor Cox confirmed he was not sitting on the Panel as he was in attendance in his capacity as Ward Councillor. He confirmed that Cllr Derek Wilson was attending as his substitute.

Members agreed to move part of the discussion into Part II following the Legal Officer's advice after he had received representations from the occupants of the unauthorised Traveller development's solicitor.

Cllr D. Wilson gave Members of the sub Committee a brief history of the site at Shurlock Road and stated that the unauthorised Travellers site had been present since December 2009. Following various legal challenges, the occupiers had tried to obtain permission to stay on the site. Temporary permission was granted for Mrs Eastwood to remain on site with planning applications for five other plots dismissed at

appeal. Cllr D. Wilson explained that as the site had been occupied since 2009, the Council had given appropriate time for the travellers to move from the site and that if the Sub committee decided to take appropriate action, then they would be given 48 hours notice that the Borough would be evicting them.

Victoria Goldberg, Team Manager – Enforcement confirmed that approximately £160k had been spent so far trying to remove the Travellers from the site. The Chairman stated that once the Travellers had been moved, the costs would be in the region of £280k. Cllr d. Wilson confirmed that after the site was vacated, the site would need clearing and the contract was to restore the site back to grass land. The restoration was included in the costs.

The Legal Officer stated he had received late representations in the last hour on behalf of the occupants; he handed copies of the representations to the Sub Committee and highlighted the main key points.

The Team Manager for Enforcement confirmed that the 20 school children at the site would continue to be educated by the Borough if they remained within the Borough's boundary. Some of the children were home schooled, but for the ones that were not, as long as the families remained within the Borough, the Council would be liable for their home to school transport costs if Admissions were unable to find them suitable spaces at schools local to where they were residing. Arron Hitchen, Senior Enforcement Officer directed Members to page 45, points five and six where the information was confirmed. The Chairman stated that he would prefer the Royal Borough to pay the costs of travel to school so that the children had continuity of education, as long as they remained within the Borough. Cllr D. Wilson suggested adding the paying of home to school transport costs to the recommendations.

The Legal Officer read out correspondence from the representative of the Travellers and flagged up that local authorities had historically failed to carry out their legal obligations towards Travellers. The correspondence went on to list supportive points for the occupants, including points which the occupants considered the Council had to take into account when deciding whether to proceed with direct action. These points included Article 8 of the European Convention of Human Rights, genuine consideration of pitch provision, the Equality Act 2010, identified need for pitches, and the fact that the Council has not provided additional pitches in the area. The Legal Officer advised Members to treat the best interests of the children on site as a primary consideration, by identifying what those best interests require and assessing whether the strength of any other consideration, or the cumulative effect of other considerations, outweigh the child's best interests. The Legal Officer advised the Sub Committee to keep the best interests of the children in the forefront of their minds when taking any decision in relation to the site.

The Legal Officer confirmed that the Travellers' representative had submitted that 28 days notice to vacate was reasonable. The Senior Enforcement Officer stated that the Travellers would have had knowledge of the Cabinet Prioritisation Sub Committee meeting taking place as the Enforcement Team wrote to them requesting any information or representations they felt should be submitted to the Council prior to the meeting. He added that in 2013, the Council agreed to take direct action and that the Council was doing so again at this meeting. The Travellers had received a lot of notice to provide additional information prior to the decision being made. The Legal Officer said he had set out in correspondence that on the previous occasion in 2013, twenty-eight days notice was reasonable and he felt the same applied now. Cllr Coppinger

felt they should be given 14 days notice to allow enough time to move in an orderly fashion which would help the children with the transition.

The Team Manager for Enforcement explained that the offer made by the Travellers was a material consideration. The Legal Officer stated the offer could be discussed in Part I and confirmed the offer was that the occupiers offered to move off the land after the Court of Appeal decision and then would take a further 28 days to move. He confirmed that direct action could be taken prior to the Court of Appeal decision but that the occupants' solicitor had said in his submissions that such action would be premature pending the court action. The Chairman stated that the concern with the offer was the legal position which was costing the tax payer £160k. One potential course of action was to decide to take direct action with a 14 day notice period. If the Council was satisfied that the Travellers offer was genuine, the Council would not take any further action providing they waived further action at their disposal. The Borough could take direct action without waiting for the Appeal decision.

Cllr Cox stated he had concerns with the offer as there was no way of ensuring their undertaking was legally binding and this would be subject to some serious negotiations with officers and the occupants. Material considerations had to be reviewed in detail so that would need to be discussed in Part II with the decision made in Part I.

The Sub Committee agreed that the decision whether or not to take direct action be recorded in Part I.

RESOLVED UNANIMOUSLY:

That Cabinet Prioritisation Sub-Committee notes the report and:

- i) The Council takes action under Section 178 of the Town and Country Planning Act 1990 to carry out all steps required by the Enforcement Notice to clear the site and resolve the breach of planning control with a notice period of 14 days.**
- ii) The Council continues to engage the services of Shergroup Enforcement.**
- ii) All key operational decision making be delegated to the Head of Planning, in consultation with the Lead Member for Planning and the Council's Monitoring Officer in association with any legal advice from Select Business Services: Legal Solutions during the site clearance, to take such action to ensure the termination of the unauthorised development at Shurlock Road including, but not limited to, specific tasks as so described in the report.**
- iii) That Members reject the offer from the occupants to clear the site 28 days following the Court of Appeal Ruling.**
- iiii) That a working group comprising the Lead Member for Adult Services and Health (including Sustainability), the Lead Member for Planning along with the Head of Planning be set up in order to monitor the situation of the Travellers**

The Mayor had agreed to a waiver of the call-in process as any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests.

LOCAL GOVERNMENT ACT 1972 - EXCLUSION OF THE PUBLIC

RESOLVED UNANIMOUSLY: That under Section 100(A)(4) of the Local Government Act 1972, the public be excluded from the remainder of the meeting whilst discussion takes place on item 6 on the grounds that it involves the likely disclosure of exempt information as defined in Paragraphs 1-7 of part I of Schedule 12A of the Act

Royal Borough
of Windsor &
Maidenhead

REPORT SUMMARY

1. This report sets out the Council budget for 2017/18. The priority in setting the budget has been to ensure the continued delivery of quality services for all residents, especially the most vulnerable, whilst the Royal Borough remains a low tax council. Specifically in 2017/18 increased investment is being made into:
 - Sustainable adult social care services;
 - Temporary accommodation for homeless residents;
 - Continuing the expansion of schools;
 - Additional parking and the new leisure centre in Maidenhead;
 - Expanding public access and capacity at York House in Windsor;
 - Children's social workers to reduce case loads;
 - Effective delivery of the Borough Local Plan and the handling of planning applications;
 - Maintaining the quality of public trees;
 - Increased funding of Early Years Pupil Premium;
 - Extra funding for voluntary organisations;
 - Home to school transport for pupils with special needs; and
 - National apprenticeship levy of 0.5% on payroll costs.
2. In 2016/17, the new adult social care precept was the maximum then permitted of 2%, adding £18.14 to band D council tax of £906.95. In 2017/18, the budget assumes the recently revised maximum of 3%, adding a further £27.75 to sustain the growing need for adult social care services.
3. Alongside priority investments such as adult care, the budget for 2017/18 also reflects the ongoing £5.9 million transformation programme presented to Cabinet and Council. This continues to deliver the services needed by residents in the most efficient and effective way.
4. The key impacts of the 2017/18 local government settlement are a new homes bonus of £3.7 million, an adult social care support grant of £0.5 million, a transition grant for £1.3 million and £4.8 million more dedicated schools grant, including increases for early years and special needs.
5. Fees and charges, including parking, are either not increased or are capped at the reference RPI inflation of 2% in September or are aligned where necessary to other councils.
6. The business rate relief for invigorating unoccupied retail premises will continue

in 2017/18 and also be expanded to include commercial and industrial premises.

7. Consequently the report recommends council tax band D is increased in 2017/18 by 0.95%, representing an increase of £8.62 on the £906.95 in both 2015/16 and 2016/17. 0.95% is significantly below the 1.99% permitted without the requirement of a local referendum and the reference RPI of 2%.
8. Band D council tax and adult social care precept together will be £961.46, which is £153 lower than the next lowest in 2016/17 across all unitary authorities in England and £244 lower than the next lowest Berkshire unitary authority in 2016/17.
9. Capital receipts from the Maidenhead regeneration programme over the next five to ten years justify additional borrowing in the short to medium term, to fund the preparatory investment in schools expansion, parking capacity, a new leisure centre, investments to consolidate regeneration and other infrastructure.
10. The draft proposals in the budget will secure a balanced budget and provide for a firm and sustainable financial basis for continuing to deliver all of the council's services.

1. DETAILS OF RECOMMENDATION(S)

RECOMMENDATION: That Cabinet recommend to Council that they note the report and approve the:

- i) **Detailed recommendations contained in Appendix A which includes a Council Tax at band D of £915.57, including a 0.95% increase of £8.62.**
- ii) **Adult Social Care Precept of 3% (an increase of £27.75 on the £18.14 precept included in the 2016/17 budget) to be included in the Council's budget proposals, making this levy the equivalent of £45.89 at band D.**
- iii) **Fees and Charges contained in Appendix D are approved.**
- iv) **Capital Programme, shown in appendices F and G, for the financial year commencing April 2017.**
- v) **Prudential borrowing limits set out in Appendix L.**
- vi) **Business rate tax base calculation, detailed in Appendix O, and its use in the calculation of the Council Tax Requirement in Appendix A.**
- vii) **Head of Finance in consultation with the Lead Members for Finance and Children's Services is authorised to amend the total schools budget to reflect actual Dedicated School Grant levels.**

- viii) **Head of Finance in consultation with the Lead Member for Finance is authorised to make appropriate changes to the budget to reflect the impact of the transfer of services to Achieving for Children and Optalis.**
- ix) **Responsibility to include the precept from the Berkshire Fire and Rescue Authority in the overall Council Tax charges is delegated to the Lead Member for Finance and Head of Finance once the precept is announced.**

2. REASON(S) FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

2.1 The Council is obliged to set a Council Tax for the forthcoming year in order to provide sufficient revenue to carry out its statutory duties. The budget set for 2017/18 confirms the administration's commitment to continue the delivery of quality services for residents that are value for money. Residents will see priority services maintained with additional investment in key areas such as education, vulnerable residents including those qualifying for free school meals and regeneration.

2.2 The Royal Borough spends in the region of £300 million through the General Fund. Day to day council expenditure is funded through government grants, council tax, business rates, third party contributions and income from fees and charges. Around £80 million of this is spent on, and is ring-fenced to, schools.

Provisional Local Government Finance Settlement 2017/18

2.3 In the local government financial settlement for 2016/17 the Secretary of State for Communities and Local Government offered an opportunity for a four year financial settlement. The offer was accepted by the Royal Borough. The guaranteed minimum grant envelope covers the Revenue Support Grant, transitional funding and Rural Services Delivery grant allocations. In addition tariffs and top ups for the next three years will not be altered for reasons related to the relative needs of local authorities and in the final year (2020) may be subject to the implementation of the 100% business rates retention.

2.4 The 2017/18 local government finance settlement announced the core spending power figures for the period 2017/18 to 2019/20. Key items and the impact on the Boroughs finances include:

- Adult Social Care Precept: 3% +£1,851,000
- New Homes bonus: +£3,681,000
- Adult Social Care Support Grant: +£500,000
- Transition grant: +£1,263,000

Adult Social Care Precept

2.5 In 2016/17 the precept was set at 2%, equivalent to £18.14 on a band D property and in 2017/18 will be a further 3%, equivalent to £27.75, to sustain the growing need for adult care services.

New Homes Bonus

- 2.6 The Government have amended the scheme following consultation in 2016. Currently the scheme is based on six years. This will reduce to five years in 2017/18 and then to four years from 2018/19. The Government has also introduced a minimum level at which only growth in excess of the minimum will be rewarded. This has been set at 0.4% per annum of the council tax base; equivalent to 267 properties in the Borough. This will be exceeded.

Adult Social Care Support Grant

- 2.7 The changes made to the New Homes Bonus has allowed the government to divert funding (£241 million) from the New Homes Bonus into a new one-off grant to support adult social care, the Borough will receive around £500,000.

Transition Grant

- 2.8 In February 2016 the Secretary of State announced a series of measures, including a grant of £150 million, to ease the pace of reductions in central government financial support. The Borough's share for 2016/17 was £1.278 million and £1.263 million for 2017/18.

Additional areas within the financial settlement

School budgets

- 2.9 The Dedicated Schools Grants, DSG, has three blocks: early years, high needs and schools block. The Spending Review 2015 announced that a new national funding formula for the three elements of the DSG would be introduced for 2018/19. As the consultation does not close until March 17 there is unlikely to be an impact on the 2017/18 budget.
- 2.10 The Royal Borough's indicative DSG allocation for 2017/18 (including funding for academies) is £109.769 million, an increase of £4.8 million when compared with the 2016/17 final settlement. This is due, in the main, to increases in pupil numbers, the increase in children with special education and the introduction of the Early Years National Funding Formula.
- 2.11 The minimum funding guarantee continues at the same level as 2016/17, meaning that no school will see more than a 1.5% per pupil reduction in its formula budget when compared with 2016/17 allocations.

Apprenticeship Levy

- 2.12 Apprenticeships will be funded at a national level, through a levy from April 2017. All employers in the United Kingdom, with a pay bill over £3 million will be charged a levy of 0.5% on their pay bill. This equates to £280,000 for the Royal Borough.

Financial matters annual budget

Fees and charges

- 2.13 The proposed fees and charges for the period 2017/18 are shown in Appendix D. Generally charges are designed to increase at or below inflation.

Efficiencies and cost reductions

- 2.14 Over the past 5 years the council has reduced expenditure by over £30m. These reductions have been achieved by finding alternative and more cost effective ways to deliver the same or similar levels of service. This budget includes efficiencies and cost reductions totalling £5.945 million see Appendix E.

Council Tax

- 2.15 In 2016/17, the Band D combined council tax and adult social care precept was £925 which was £373 below the national average for Unitary Authorities (£1,298). This reflects a saving of nearly £25 million for local council tax payers available to be spent in the local economy.
- 2.16 This budget proposes an increase of 0.95% in council tax, well below the level of inflation announced in September 2016 RPI of 2%. Appendix I sets out the impact on different properties. The Council will, as in previous years, continue to operate its "Donate your Council Tax Savings" scheme.

Capital programme

- 2.17 In recent years, the council has avoided additional borrowing and related interest costs by funding some capital investments from available cash balances. This also anticipates the substantial capital receipts from the Maidenhead regeneration programme over the next five to ten years. As reported to Cabinet in November, it will become necessary during 2017/18 to increase borrowing in the short to medium term to fund investment which needs to precede the development of council land.
- 2.18 The council's capital expenditure is separate to revenue expenditure on services and is funded from a mix of government grants, third party contributions, capital receipts from the sales of assets and borrowing. The capital programme requires corporate funding of £23.7m see Appendices F & G.
- 2.19 There are a variety of regeneration initiatives either taking place or in development which will provide significant opportunities and benefits for the Borough, a number of these require Council capital financial involvement. Each initiative will have its own financing and governance structure which reports directly to the Council. The capital programme for 2017/18 provides for investment in:
- The continuance of the schools expansion programme
 - Regeneration schemes, including Maidenhead Waterways
 - Funding into the disabled facilities grant
 - Maintaining the highways network
 - Street lighting
 - The re-provision of the Magnet leisure centre
- 2.20 In addition to the investments in the capital programme in this budget, the borrowing expectations for 2017/18 need to consider other capital proposals likely to come forward for approval during the year. As shown in Appendix N, this includes additional investments likely to be proposed and estimated to require funding of £58 million.

Capital finance

- 2.21 The Head of Finance has responsibility for financing the Capital Programme in the most cost effective way. The capital programme for 2017/18 relies on £23.7m of Council funding, however, use of recycled MRP and any capital receipts generated will reduce the impact on the Council's capital financing requirement. The proposed programme, including other proposals likely to come forward during the year increases the capital financing requirement by £74.3m. The capital financing requirement is a measure of the Council's need to borrow to be able to finance its capital spend. The capital financing requirement for 2017/18 is £143.6m.
- 2.22 All resolutions required to comply with the Prudential System are in line with the Treasury Management Report approved by Cabinet on 11 February 2010.

Business Rates

- 2.23 From 2013/14 local authorities have been able to share in any growth, as well as risk in expected collective rates and appeals against valuations, of business rates, as an incentive to encourage growth. It is the intention of government to return all business rates to local authority control in 2020.
- 2.24 Within the business rate retention system, the national non-domestic rate baseline and top up/tariff amounts have been revised to take into account the business rate revaluation of 2017. The medium term financial plan assumes 1% growth per annum as well as provision of discretionary relief to businesses falling into various categories.
- 2.25 It is intended to maintain all locally controlled rate reliefs for 2017/18 and in addition it is proposing extending the relief for invigorating vacant retail units to all commercial and industrial premises.

General Fund reserves

- 2.26 Taking account of the forecast year-end position the General Fund Reserves are estimated to be £6.33m inclusive of the Development Fund.

Collection Fund Balances

- 2.27 The council collects approximately £78m from Council Tax and £83 million from applying business rates. In 2015/16 the Council was one of the highest performing councils for council tax collection rates.
- 2.28 The Council must declare the likely balance on the Council Tax Collection Fund at 31 March 2017 as estimated in November 2016 and any balance to be shared between the Council, the Police and Crime Commissioner for Thames Valley and the Berkshire Fire & Rescue Service. On the appointed day the Royal Borough's share was declared at £2.615m (3%).
- 2.29 Under the Localisation of Business Rates legislation the Council is now required to prepare a similar statement for Business Rates. This statement shows a deficit payable by the Council of £1.001million (1.2%).

Treasury Management

- 2.30 The current Treasury Management policy was initially approved in February 2010 and varied by Cabinet in June 2010. In March 2014 Cabinet updated the list of approved counterparties when it added to it a group of the larger Building Societies. No further changes to the list are proposed, see Appendix M.
- 2.31 Interest on balances generated from treasury management provides an important source of income for the Council. Whilst signs of economic growth suggest that current interest rates will increase in the short to medium term, when compared to historic levels, but remain low.
- 2.32 For the last three years the Borough has, with Actuary and External Audit approval, prepaid its Pension Fund contributions using a Net Present Value calculation to show a benefit, equivalent to a 3.05% return on that prepayment in its revenue account.
- 2.33 As a consequence the budget assumes that the Royal Borough will earn £192k on its investments in 2017.
- 2.34 In setting the budget options have been considered, see table 1.

Table 1: Options

Option	Comments
Approve the proposals in this report. Recommended option	The Council is obliged to set a Council Tax for the forthcoming year in order to provide sufficient revenue to carry out its statutory duties.
Approve a modified budget with a higher level of revenue spend and Council Tax. Not recommended	A net increase in revenue expenditure of £607k would require an increase in Council Tax of 1%. Increases representing an increase of 2% or more in core Council Tax would require a referendum.
Approve a modified budget with a lower level of net revenue spend and Council Tax. Not recommended	Any proposals to reduce net expenditure would need to be accompanied by specific proposals so that Council could be assured that priority services are maintained.
Approve a modified Capital Programme Not recommended	Any proposals to adjust the capital programme needs to consider available funding. Any proposal that is not supported by grant or developer contributions will need to be funded from Council resources and as such will also have a revenue implication in the shape of financing costs.

3. KEY IMPLICATIONS

3.1 Table 2

Outcome	Unmet	Met	Exceeded	Significantly Exceeded	Date of delivery
Services delivered within approved budget	Budget overspend >£250,000	Budget variance +/- £250,000	Budget underspend >£250,000 <£500,000	Budget underspend >£500,000	31 March 2018

4. FINANCIAL DETAILS / VALUE FOR MONEY

4.1 The Borough's external auditors KPMG confirmed in their work on the 2015/16 accounts that the Council had "proper arrangements to secure economy, efficiency and effectiveness in its use of resources".

5. LEGAL IMPLICATIONS

5.1 The Local Government Act 2003 requires the Chief Financial Officer (Head of Finance) to report to Members as part of the budget setting process, on setting the level of council tax, the robustness of the budget presented and the adequacy of reserves. Appendix K sets out the main risks that may fall to be met from reserves and for which provision should be retained in the Council's account.

5.2 The budget has to be set in accordance with statutory requirements which include assurance from Strategic Directors that they have sufficient resource available to fulfil their various statutory obligations.

6. RISK MANAGEMENT

6.1 All measures proposed in the budget have been subject of a risk assessment in terms of deliverability and service impact. The assessment of General Fund Reserve includes an assessment of the financial impact of a range of economic and environmental factors, which may impact on the Councils budget. Some risks exist around Children's Safeguarding and Adult Social Care Budgets where demand is harder to predict.

6.2 The Business Rate Retention scheme has a risk/reward element built in. Whilst there are clear longer-term benefits for the Council from a growing local economy there are some risks associated with demolition of property prior to redevelopment and from local business failure (in terms of reduced Business rate revenue), which is now shared by the Local Authority.

Table 3: Risk

Risks	Uncontrolled Risk	Controls	Controlled Risk
Efficiencies not realised	Medium	Prudent level of reserves maintained	Low
Service pressures greater than recognised	Medium	Close monitoring of expenditure patterns	Low

7. **POTENTIAL IMPACTS**

- 7.1 This report contains a number of proposals related to staff or service provision and may involve changes to policy or service delivery. Equality impact assessments have been completed where appropriate.

8. **CONSULTATION**

- 8.1 Consultations have taken place with the local Chambers of Commerce in February 2017. The Leader of the Council and several Cabinet Members attended, together with Officers. The meetings served to consult on the proposals in this paper.

- 8.2 Comments received from the Overview & Scrutiny Committees are shared below.

Corporate Services

- 8.3 The Corporate Services O&S Panel considered the Budget Cabinet / Council report and endorsed the recommendations, Councillor Jones abstained from the vote as she felt she did not get sufficient time to give due consideration to the report that had been circulated after agenda dispatch. The Panel requested clarification on the allocation of business rates. The Chairman thanked the Lead Member for presenting the report.

Children's Services

- 8.4 The Children's Services O&S Panel considered the Cabinet / Council report and endorsed the recommendations. Cllr Jones abstained from voting on the item but reported that she supported the budget lines related to Children's Services considered by the Panel.

Crime & Disorder

- 8.5 The Crime & Disorder Overview & Scrutiny Panel unanimously agreed to recommend to Cabinet that they note the report and approve the:

- i) Detailed recommendations contained in Appendix A which includes a Council Tax at band D of £915.57, including a 0.95% increase of £8.62.
- ii) Adult Social Care Precept of 3% (an increase of £27.75 on the £18.14 precept included in the 2016/17 budget) to be included in the Council's budget proposals, making this levy the equivalent of £45.89 at band D.

- iii) Fees and Charges contained in Appendix D are approved.
- iv) Capital Programme, shown in appendices F and G, for the financial year commencing April 2017.
- v) Prudential borrowing limits set out in Appendix L.
- vi) Business rate tax base calculation, detailed in Appendix O, and its use in the calculation of the Council Tax Requirement in Appendix A.
- vii) Head of Finance in consultation with the Lead Members for Finance and Children's Services is authorised to amend the total schools budget to reflect actual Dedicated School Grant levels.
- viii) Head of Finance in consultation with the Lead Member for Finance is authorised to make appropriate changes to the budget to reflect the impact of the transfer of services to Achieving for Children and Optalis.
- ix) Responsibility to include the precept from the Berkshire Fire and Rescue Authority in the overall Council Tax charges is delegated to the Lead Member for Finance and Head of Finance once the precept is announced.

Councillor Werner questioned why the budget paper was being put forward before the CCTV proposal had been decided.

Councillor Werner stated his disappointment that the Council was breaking its Manifesto pledge.

Culture and Communities

8.6 The Panel received the 2017/18 Budget report.

The Chairman expressed the Panel's support for the regeneration projects in Maidenhead and noted the significant Capital programme, including the re-provision of the Magnet Leisure Centre. The Panel will review progress and expenditure as these plans move forward.

It was identified that management of the Legacy Leisure contract has resulted in significant cost savings and the Panel thanked Officers for this.

Also noted that the extension of Library Services steered by Mark Taylor was an example of efficiency and improving value to residents.

Cllr. S Rayner (Lead Member) and the Panel thanked the Head of Finance for his comprehensive Budget presentation and for steering RBWM's financial course.

9. TIMETABLE FOR IMPLEMENTATION

9.1 Residents will be notified of their Council Tax in March 2017. Budgets will be in place and managed by service managers from 1 April 2017.

BUDGET 2017/18**RECOMMENDATIONS**

The Council is required, by law, to make some of its resolutions regarding the budget and the setting of Council Tax in a prescribed format. Due to their technical nature, a short explanation is included in italics under each part of the resolution. It is important to ensure that all the necessary areas are covered and Council is asked, therefore, to make resolutions in the form set out below:-

- a) i) That the revenue estimates for 2017/18, which show the direct costs of the following service areas as set out in Appendix B & C, together with the approved estimates for 2016/17 be confirmed (or amended) for inclusion in the Budget Book: -

SERVICE AREA	Estimate 2016/17 £000	Estimate 2017/18 £000
Adult, Children and Health Services	56,807	56,376
Operations & Customer Services	17,962	16,230
Corporate & Community Services	6,883	6,149
Contribution to/ (from) Earmarked Reserve	1,133	2,255
Apprentice Levy		280
Estimated cost of pay inflation	500	500
Environment Agency	150	153
Capital Financing inc Interest Receipts	5,128	5,069
Other adjustments	2,115	2,415
	90,678	89,427

(Explanatory Note: These figures are the direct costs less income of each service area)

- ii) and that following approval of these estimates the Head of Finance be instructed to allocate overheads across all services, using appropriate methods of apportionment, in order that the estimates conform to the Best Value Accounting Code of Practice requirement to show full costs of services.
- b) That the schemes outlined in Appendix G be approved for inclusion in the Capital Programme recommended to Council for approval

(Explanatory Note: This approves the new schemes to be included in the Council's Capital Programme).

- c) It be noted that on 15 December 2016 Cabinet calculated the Council Tax Base 2017/18;

- i) for the whole Council area as 66,709.64 [Item T in the formula in Section 31B(3) of the Local Government Finance Act 1992, as amended (the Act)]; and
- ii) for dwellings in those parts of its area to which a Parish precept relates as in the list below.

	Band D Equivalents
Bisham	731.07
Bray	4,183.27
Cookham	2,889.38
Cox Green	3,070.64
Datchet	2,193.73

	32,542.42
Unparished Areas	
Maidenhead	20,929.40
Windsor	13,237.82
	66,709.64

(Explanatory Note: These figures are the tax bases for each parished and unparished area of the Council)

- d) Calculate that the Council Tax requirement for the Council's own purposes for 2017/18 (excluding Parish precepts) is £61,077,171.
- e) That the following amounts be calculated for the year 2016/17 in accordance with Sections 31 to 36 of the Act:

- i) £90,724,350

being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) of the Act taking into account all precepts issued to it by Parish Councils.

(Explanatory Note: This is the net expenditure of the Council (including parish precepts, Adult Social Care precept and Special Expenses)

- ii) £24,279,000
being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) of the Act.
(Explanatory Note: This figure includes the Revenue Support Grant, other non-specific grants, and Business Rate income due to the Council from the Government Exchequer together with any surplus on the Council's Collection Fund.)
- iii) £66,445,350
being the amount by which the aggregate at (e) (i) above exceeds the aggregate at (e) (ii) above, calculated by the Council in accordance with Section 31A(4) of the Act as its Council Tax requirement for the year. (Item R in the formula in Section 31A(4) of the Act).
(Explanatory Note: This is the council tax requirement of the Council (including parish precepts, Adult Social Care precept and Special Expenses)
- iv) £996.04
being the amount at (e) (iii) above (Item R), all divided by Item T ((c) (i) above), calculated by the Council, in accordance with Section 31B(1) of the Act, as the basic amount of its Council Tax for the year (including Parish precepts).
(Explanatory Note: This figure is the average Band D Council Tax including Parish Precepts, Adult Social Care precept and Special Expenses.)
- v) £5,368,179
being the aggregate amount of all special items (Precepts or Special Expenses) referred to in Section 34(1) of the Act (as per Appendix I).
(Explanatory Note: This figure is the aggregate of Parish Precepts, Adult Social Care precept and Special Expenses.)
- vi) £915.57
being the amount at (e) (iv) above less the result given by dividing the amount at (e) (v) above by Item T (c) (i) above, calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no Parish precept or special expense relates.
(Explanatory Note: This figure is the Band D Council Tax excluding Parish Precepts, Adult Social Care precept and Special Expenses.)
- f) To note that the Thames Valley Police and Crime Commissioner and the Berkshire Fire and Rescue Authority have issued or will shortly issue precepts to the Council in accordance with Section 40 of the Local Government Finance Act 1992 for each category of dwellings in the Council's area as indicated in the table in appendix I.
- g) That the Council, in accordance with Sections 30 and 36 of the Local Government Finance Act 1992, hereby sets the aggregate amounts shown in the tables in Appendix I as the amounts of Council Tax for 2017/18 for each part of its area and for each of the categories of dwellings.
- h) Determine whether the Council's basic amount of Council Tax for 2017/18 is excessive in accordance with principles approved under Section 52ZB Local Government Finance Act 1992.

Income	(3,432)	(1,918)	(2,141)
Net	<u>3,948</u>	<u>4,513</u>	<u>4,983</u>

Services provided:

Commissioning for the delivery of a comprehensive range of services across Adults and Children's Services, including external residential and fostering placements and early help services.

Coordination of treatment and services for substance misusers across the borough, including both young people and adults. In addition, the team carries out prevention activities and campaigns within the community.

The concessionary fare scheme entitles residents in the Borough who are of eligible age and those with disabilities to free bus travel at certain times of day. This budget funds payments to the bus companies who provide this service. The Travel Assisted Payments Scheme offers those people with a disability a number of free transport journeys within the year.

Staff (full time equivalent):

20.31

Service Risks:

Ineffective commissioning and business planning processes result in ineffective services.

Drug and alcohol misusers fail to get treatment.

Increase in acquisitive crime.

Failure to meet requirements of Public Health England and the Police and Crime Commissioner.

Increase in demand for concessionary travel.

Demographic changes.

Performance Indicators:

Commissioning plans delivered to timescale and in line with required outcomes.

Delivery on budget.

Contracts deliver to specification

The Mental Health Services comprise of the Community Mental Health Team (CMHT) and the Mental Health Team for Older People (MTOp). The teams are comprised of both Health and Social Care staff. They co-ordinate the assessment, support and care for people with mental health problems requiring Community-based Mental Health Care, using a range of assessment protocols. The teams are responsible for the provision of care that is in accordance with the statutory requirements of the Mental Health Act 2007. The teams provide assertive outreach and early intervention services; and host the Approved Mental Health Professionals (AMHP) service for the Borough. The employing organisations contribute to the cost of their staff with some shared costs for joint posts. The contracted services provided in this budget cover services such as day care, domiciliary care, residential care, Nursing Care, respite care and self directed support.

Provision of strategic HR and OD support and advice to the council. HR consultants and HR Business Partners lead on the councils strategies and policies for recruitment and retention, pay and reward, employee relations and employment policies and provide strategic and complex advice to service regarding employment, recruitment and pay issues. The Human Resources team offer a high quality, comprehensive and cost effective service across the employee life cycle including job evaluation, recruitment, contracts of employment, organisational development, performance matters and change management.

Ensuring staffing and structure are fit for purpose is paramount and HR give advice and support whether a manager is replacing leavers, creating and recruiting to new posts, setting stretch objectives linked to the service development plan or there is a need to reduce the overall total sickness absence. With change management, HR provide toolkits, support, advice and attendance where required for any restructuring exercises including those resulting in redundancies or TUPE.

The learning and development team undertake training needs analysis across the organisation and are responsible for the delivery of statutory and mandatory training for staff. They support the council's workforce and leadership development programmes and initiatives. The OD strategy links to the overall aims of the council and ensures it has the right number of people at the right time with the right qualifications. Through a workforce strategy, it helps to plan for future staff requirements, ensuring the skills required for the future are planned and considered at the earliest opportunity.

The council centralised its Learning and Development function under Human Resources in October 2015.

Following the centralisation of the function, a training needs analysis was undertaken across the council and training needs identified for 2016/17. The budget to meet the statutory and mandatory training arising from that analysis was transferred from the Directorates and placed under the new Learning and Development team, increasing the budget shown in 2017/18 to take into account the additional training the team are now responsible for.

Net	<u>(67,256)</u>	<u>(65,006)</u>	<u>(63,412)</u>

Services provided:

Expenditure summarised above is mainly funded by Dedicated Schools Grant (DSG), with separate unringfenced allocations for schools, early years and high needs. The Schools block allocation is determined by the October 2016 pupil census, Early Years block funding will be initially determined by the January 2017 Early Years census and updated by January 18 early years pupils. High Needs funding is not based on pupil numbers but is linked to previous years' allocation. The DSG total reflects the RBWM estimated allocation after 'top slicing' of grant by the Education Funding Agency for academies, known as 'academy recoupment'. The amount recouped for academies is £46m and is determined by the amount those schools would have received through the school funding formula, if they had been maintained schools. The amount which the EFA recoup increases in year as schools convert to academy.

Staff (full time equivalent):

0.00

Service Risks:

Finalised DSG may be less than budgeted owing to variation between actual and estimated pupil numbers.

Under-/overspends against DSG may be carried forward into the following year's budget.

The purpose of the insurance function is to arrange the council's risk financing arrangements to provide protection from the financial implications of unexpected accidental events and negligent breaches of the council's statutory duties. These can affect staff and property and also arise from claims from individuals alleging council negligence has caused them injury, losses (including financial loss) or damage to their property.

The council acts as its own insurer and claims handler in most matters.

Risk management is a key element in the council's governance arrangements and control environment.

Staff (full time equivalent):

3.00

Service Risks:

1. Failure of risk management processes could lead to exposure to high level strategic and operational risks.
2. Failure to ensure suitable level of insurance fund leads to financial shortfalls in the event of claims.
3. Poorly defined risk appetite could lead to over resourcing controls.
4. Increasing claims culture leads to expectations of compensation.
5. Increase in fraudulent claims from worsening economic climate.

Performance Indicators:

All key risks to be reviewed quarterly.

100% of liability claims dealt with in protocol timescales.

All portal claims to be acknowledged within 24 hours.

PRUDENTIAL INDICATORS 2015/16 TO 2018/19

The actual figures for 2015/16 and the estimates for 3 further years are shown below. These prudential indicators are prepared in accordance with the CIPFA Prudential Code for Capital Financing in Local Authorities

The figures set out below include this council's share of the old Berkshire County Council debt that is now managed by the Royal Borough.

	2015/16 Actual	2016/17 Estimate	2017/18 Estimate	2018/19 Estimate
Gross Capital Expenditure (£m)	£27.4m	£16.4m	£90.7m	£68.3m
Ratio of financing costs to net revenue stream				
- Non-loan financed	22.6%	10.7%	25.3%	11.3%
- Loan financed	7.0%	5.9%	6.4%	7.1%
Capital Financing Requirement (£m)	72.5	77.4	143.6	198.4

In respect of its external debt, the Council approves the following authorised limits for its external debt gross of investments for the next three financial years.

	2015/16	2016/17	2017/18	2018/19
Authorised limit for external debt (£m)	£95m	£102m	£180m	£210m

The Council also approves the following boundary for external debt for the same period.

	2015/16	2016/17	2017/18	2018/19
Operational boundary for external debt (£m)	£76m	£82m	£160m	£189m

The proposed operational boundary for external debt is based on the same estimates as the authorised limit but reflects the Head of Finance's estimate of the most likely, prudent but not worse case scenario, without the additional headroom included within the authorised limit to allow for example for unusual cash movements, and equates to the maximum of external debt projected by this estimate. It include both long and short term (i.e. less than 365 day) borrowing.

The estimate of the **incremental** impact of capital investment decisions proposed in this report, over and above capital investment decisions previously taken by the Council is:

	2015/16	2016/17	2017/18	2018/19
for the Band D Council Tax Payer	£26.30	£31.73	£59.65	£124.65

Some debt costs will be capitalised in 2017/18 & 2018/19 at a ratio of of 86% capital and 14% revenue. The impact on council tax will therefore be significantly lower than the above prudential indicator would suggest.

Interest Rate Exposure

It is recommended that the Council sets an upper limit on its fixed interest rate exposures for 2015/16 to 2018/19 of 90% of its outstanding principal sums (net of investments)
It is further recommended that the Council sets an upper limit of its variable rate exposures for 2015/16 to 2018/19 of 30% of its outstanding principal sums (net of investments)
This means that the Head of Finance will manage fixed rate interest rate exposures within the range 70% to 90% and variable interest rate exposures within the range 10% to 30%. This is a continuation of current practice
