<b>GENERAL</b>							
<p>These charges are operative from 1st April 2016, except where they are based on Income Support rates, in which case they are operative from the date in April that these are updated.</p> <p>Charges to Other Local Authorities, and to users of the service assessed as being full cost payers, are generally calculated according to a formula which accounts for direct costs, administration overheads and, where appropriate, the use of capital assets.</p> <p>Other charges are reviewed annually taking account of government guidance and changes in the levels of pay and prices, and may be rounded to the nearest 5p or 10p in order to facilitate the collection of cash. For services where daily rates apply charges are set at multiples of five or seven. Other rates are set to equal an exact amount of Income Support benefit.</p>							
<b>CARE FOR ADULTS</b>							
<b>RESIDENTIAL CARE</b>							
<p>Residents are required by statute to be assessed to contribute towards the cost of their residential care. The assessment must be carried out according to statutory guidelines.</p> <p>The minimum assessed contribution will be equal to the Income Support &amp; premium received by the resident, less their statutory personal allowance. The maximum charge is the actual cost to the Council of purchasing or providing the residential care placement.</p>
