

Appendix B – Proposed Plans and Elevations

DO NOT SCALE

- NOTES:**
- All dimensions are in millimetres (mm) except where stated.
 - All drawings are based on survey information provided by the client.
 - All dimensions and measurements should be checked on site.
 - These drawings are for the proposed roof plan only. They do not constitute a structural design or any other engineering or architectural design. Any discrepancies to be reported direct to the architect.

It is intended that all work will be carried out by a competent contractor working under the supervision of a qualified professional engineer or architect. It is the responsibility of the contractor to ensure that all work is carried out in accordance with the relevant building regulations and standards.
