

# Inclusion Charter for Children and Young People in RBWM - *DRAFT*

We believe that all children and young people, including those with additional needs, have the right to be included in local services, so they can thrive and reach their potential.

The charter sets out how all children or young people should be considered when accessing services in the local area. Services will welcome and value all children, young people and their families.

<b>Services will...</b>	<b>So you can...</b>
Make sure that you feel safe and listened to	Have your say and be treated with respect
Work together to understand and support any reasonable adjustments that may be needed.	Belong to a community, such as your local school, leisure services, etc.
Listen to you and your family to understand your needs and solve problems together	Feel understood, and helped to achieve your goals in a respectful way
Get together with other professionals who support you, so you only have to tell your story once	Tell us what you want to achieve and how we can help.
