

Big Society Projects Local Area Agreement Funding Application Form

The Royal Borough of Windsor and Maidenhead is a vanguard Authority for the Big Society. In recognition of this status and to meet the challenges of our Big Society aspirations, the Council invites proposals for innovative projects that promote:

Social action - involving more people in their communities through the giving of time, money and other resources.

Civic Participation - local people taking control of how things are done in their area.

Remove barriers - for people to take action for things that matter to them.

Proposals should clearly demonstrate how they meet two or more of the criteria listed below with the proposed outcomes to be delivered for residents:

- 1) increase volunteering
- 2) develop and put in place a community project
- 3) support the Borough's Big Society projects (big_society@rbwm.gov.uk)
- 4) work with and secure the support of local businesses to engage in volunteering or community projects
- 5) the setting up and development of voluntary organisations or social enterprises

Please read through and complete all relevant sections of this form.

Application Details

Amount of grant requested:*

£1000.00

Description of what the grant will be used for and justification for need.*

CG2000
 CG2000 is a small group of local residents, initially from Cox Green Lane, but now including residents from other nearby roads who have come together to organise special community events on Brill Green. These events include the 2000 Millennium Celebrations, and a Royal Wedding Party in April 2011 to celebrate Prince William's wedding to Kate Middleton.

Following the success of last year's Royal Wedding Party on the Green, we are forging ahead with plans for a similar (only bigger and better!) event on Brill Green to celebrate the Diamond Jubilee. Our enquiries show that there are no other central events going on in Cox Green and so we felt we can't let it pass without a 'knees up'! We would very much like Cox Green families especially the children to have something fun to remember. Brill Green is the site of Cox Green Fayres of the past and so a very suitable and central location especially with the Barley Mow next door who will be joining with us to host a Beer Festival and Hog Roast on the day. Entry will be free to all Cox Green residents and their friends and not limited just to residents of the lane (much the same as last year where we had over 400 visitors including the Mayor, Theresa May, Rev Joan Hicks and Berkshire Radio broadcasting all day). It will be another great day and we also hope to be able to offer all children (infant & junior school age), a keepsake moment to take home too. The event will be on Monday 4th June from 1pm onwards.

This event is, of course, for residents and run by residents and so we are getting in touch with Cox Green Community Association members and groups to see if they would like to be involved. As whilst the event will be primarily based on a traditional street party, we are looking for extra entertainments to be laid on by willing volunteers such as mini footie, hula hoop contents, face painting, treasure hunt, old fashioned sweets, something 1950's themed?, hair braiding, tug of war, fancy dress competition for the children, craft, plants, cakes, etc... We are happy for voluntary groups to fund raise and will not be making any charge for participation in the event. We are also making contact with the local infant & primary schools to see if they would like to be involved, also publicise the event and encourage family participation.

We are looking for assistance to cover the following costs: -
 Public liability and event equipment insurance, which in view of the potential number of people likely to attend will be in the region of £200.
 Posters & Fliers £85
 Commemorative Mugs (250 -personalised for event) £658.14
 Union Jack flags (250) £62.50

Big Society aims*	<p>Community Savings & Loans is a co-operative, non-profit making credit union, run by the members for the members. All members live and/or work in Berkshire. We offer an ethical, safe, banking alternative.</p> <p>We help people gain more control over their financial affairs. We seek to remove barriers to action and help them to become more financially responsible. We assist many financially distressed members by providing loans at considerably lower rates than other sources.</p> <p>We encourage social action by offering valuable volunteering opportunities, with training and personal development. As a result of this experience, volunteers can become more employable and some move back into the UK work force.</p>		
Application Details			
Amount of grant requested:*	£11890.00		
Description of what the grant will be used for and justification for need.*	<p>The attached document gives a summary of our grant request and explains the need for funding to continue the expansion of CSL. The proposal demonstrates how our work supports The Big Society aspirations by encouraging social action and helping remove barriers. By setting up and growing CSL, we have increased volunteering in the community and currently have 35 volunteers and only 1.5 paid staff.</p>

Big Society Project

CSL started in 2007 and we now have approximately 1200 members. We have set up member service offices in Reading, Maidenhead, Slough, Wokingham and Newbury, all staffed by volunteers. Our volunteer numbers are steadily growing, attracted by the desire to give time to help others in the community. Many people save with us so that their savings can be used to provide loans to help others.

We are working closely with local Housing Associations to provide impartial budgeting advice and banking facilities for their tenants. We also have a 'young savers' programme with some local schools to help encourage some financial ethos at an early age. We are starting to work with local businesses to get additional support, including volunteers who could be seconded from their companies for short periods to help grow CSL.

We are currently supported financially by the local authorities of Reading, Wokingham, Windsor & Maidenhead, Slough, Bracknell and West Berkshire. We also receive financial support and cooperation from several large Housing Associations. Our desire is to become self-sufficient within the next five years.

One of our major priorities is to increase the awareness of CSL throughout Berkshire. We want to rapidly increase membership numbers, which will lead to both increased savings and a greater ability to make loans to those in need. Our current lack of marketing funds means that we are overly dependent on 'word of mouth' and we have only minimal promotional material available in our branch locations.

We want to ensure that we have prominent displays in the reception areas of all main Council offices and our Housing Association partners. This would be complimented by improvements in the format and content of our website. Furthermore, we believe that by concentrated 'house-drops' of leaflets in areas of financial distress in Berkshire, we will radically increase awareness of CSL. Combined, on occasions, with the judicious use of small incentives to, say, the first 20 new members joining in each area (e.g. £10 added to their account after three months membership), these leaflet drops are a key element in driving the expansion of CSL in the months ahead.

As we grow, it will be important to ensure that our volunteers have the up-to-date skills and knowledge to satisfy members requirements. We

would therefore also like to have some additional funding support to make use of the training courses offered by ABCUL (Association of British Credit Unions).

Our grant request is therefore as follows:-

Leaflets and 'House-drops'(6 areas x 1500 x 2 drops) (including design, artwork, printing and 'drops')	£2950
A1 Posters for Council offices, CAB, Housing Associations (including design, artwork, printing)	£4840
Marketing incentives to new members (8 'incentive' schemes x 20 new members x £10)	£1600
Enhancements to CSL website	£1000
Training courses for volunteers	£1500
(all costs exclude VAT)	Total = <u>£11890</u>

Eton

Big Society aims*

Eton Community Association application for 29th March 2012
BIG SOCIETY PROJECT FUNDING

The grant will be used by the Eton Community Association for the people of Eton. The Association is run entirely by volunteers with a management committee of thirteen and all living in the community of Eton are members.

The Association's constitution has an overall aim: To improve Eton as a place to live in, work in, and visit

The Association will fulfil the aim by:

- a) Developing a sense of community by organising events and other appropriate public meetings and courses giving due regard to the safety of those attending;
- b) Publishing a regular newsletter and maintaining a website, so ensuring that residents and others are kept informed of current and future news, events and developments in the local community;
- c) Promoting the health and well-being of the residents, traders, business people of Eton and its visitors, working together regardless of age, ethnicity, ability, sex, belief or political affiliation and recognising the value of our many differences;
- d) Involving local people in improving and maintaining the environment of Eton
- e) Liaising with statutory and non statutory agencies and other organisations as appropriate
- f) Raising donations and subscriptions as appropriate and maintaining one or more bank accounts in order to promote the aims and objectives of ECA.
- g) Taking only actions which are lawful, in order to fulfil the aims and objectives of ECA, always ensuring that organised activities are covered by appropriate public liability insurance

We wish to develop volunteer groups to help with regular litter collections from the open spaces, footpaths, towpaths and other areas used by the residents and visitors. We require professional equipment to comply with health & safety regulations.

We wish to develop trained volunteers in assisting the policing operation to reduce law breaking by motorists, cyclists and pedestrians.

We already produce a bi-monthly* newsletter entitled Eton Matters communicating important issues to the community, including planning, policing, events and calling for volunteers to assist with ongoing projects. Whilst the editing and distribution are undertaken by volunteers, each edition of 700 copies costs approximately £140 per issue to print. *The newsletter is printed more regularly if required

We are currently organising a street party for 600 local residents and employees to celebrate the Diamond Jubilee. The cost is estimated to be £3500.00 and the event will be run entirely by volunteers from the residential and business community. We will be asking local restaurants, pubs and shops to be involved in the lead up, and on the day of the event.

It is our policy to use businesses within our own community wherever possible.

Application Details

A grant of £3,000 will enable us to

- Develop and produce our newsletter for 12 months
- Acquire the appropriate professional equipment for our community projects
- Fund the appropriate training for our volunteers
- Seek and develop other projects required by the residential and business community

Including collections and assistance on behalf of Charteris Day Centre and Eton in Bloom

Amount of grant requested:*

£3000.00

Description of what the grant will be used for and justification for need.*

Knowl Hill

Big Society aims*

To arrange a celebration of the Queen's Diamond Jubilee for the local community and to encourage volunteers to organise this and foster participation in the event by all parts of the community. It is hoped and anticipated that having been involved in the setting up and enjoyment of this event volunteers will continue to work on community projects in the future. Any monies raised will be invested in future community projects. A large volunteer committee open to all and including representatives of local organisations has been set up.

Application Details

Amount of grant requested:*

£2000.00

Description of what the grant will be used for and justification for need.*

If this application is successful the grant will be used for the setting up expenses of a family celebration for the whole community such as licences, toilets, bouncy castle, subsidising of refreshments, insurance etc. Further information can be found at khva.org

Attach any background information including analysis, brief and plans. Please refer to criteria listed on page one.

Social action - involving more people in their communities through the giving of time, money and other resources.

Civic Participation - local people taking control of how things are done in their area.

Remove barriers - for people to take action for things that matter to them.

Proposals should clearly demonstrate how they meet two or more of the criteria listed below with the proposed outcomes to be delivered for residents:

- 1) increase volunteering
- 2) develop and put in place a community project
- 3) support the Borough's Big Society projects (big society@rbwm.gov.uk)
- 4) work with and secure the support of local businesses to engage in volunteering or community projects
- 5) the setting up and development of voluntary organisations or social enterprises

Please read through and complete all relevant sections of this form.

Maidenhead Citizens Advice Bureau - Big Society Project Outline

BACKGROUND

Many residents are unable to access the internet and are becoming increasingly disadvantaged as Government and other services go on-line or become available on-line. These residents are, for example, unable to make a clear evaluation of alternative energy or product or service suppliers, to access Government information on line, to find local resources or to access support sites such as Diabetes UK. They also miss out on the ability to communicate with relatives and friends elsewhere by email or through Skype. Also, as on-line trading offers significant financial advantages, these remain unavailable not able to transact on line.

PROJECT SUMMARY

This project is a true Big Society one in concept, aiming to involve local IT capable volunteers to help less skilled residents to gain the advantages of internet access. Links to local IT projects will enable those wishing to become personally computerate to find a suitable learning group.

Volunteers will be recruited and trained over six sessions as CAB Information Assistants (four sessions) and with two additional sessions on key sites to use including a range of price comparison sites.

With the permission of RBWM as landlord, use will initially be made of the six CAB interview rooms, ideal for 1:1 sessions, on the bureau closed day, Thursday. An approach is also being made to Youth Services, as there could be considerable advantage in both using the (5?) PCs in the Youth suite, as well as possibly opening the Youth Lounge as a coffee bar to attract residents and absorb queues. If this is possible then project numbers could increase by up to 100% with a relatively small cost increase, possibly covered by sales of coffee etc by volunteers.

Residents wishing to make on-line purchases will be enabled to do so. Even those without bank facilities will be able to make purchases through the involvement of Community Savings and Loans, the Credit Union for Berkshire, as they work with us and develop their rechargeable Debit Card.

The project will have a planning phase in December and commence recruiting volunteers in January 2012 with a full project launch in March 2012. Funding is requested to support the project until December 2012, during which time forward funding will be sought from local businesses wishing to be associated with such a community project. In addition, a project website will be developed for use by information assistants and linked to our own website. This will make appropriate use of affiliate links as part of our future funding plan, along with local company contributions.

PROJECT STAGES

The envisaged time table is:

January 2012	Planning	Plan recruitment, training and publicity materials, contact local user groups with outline
February 2012	Recruit and train volunteers	Recruit, interview and select initial 8 – 12 volunteers. Commence Information Assistant training
March 2012	Complete training	Training completed during month, user groups and individuals identified for initial sessions
April 2012	Commence delivery of Project	All sessions recorded and evaluated, future funders sought from local businesses
December 2012	First phase ends	Replacement funding in place

PROJECT COSTINGS

Volunteer costs

Training, Travel, Refreshments £5,675

Admin costs

Website research and preparation £5,000

Telephone, postage £ 400

Advertising publicity £1,000

Misc overhead contribution £ 200

TOTAL COST £12,275
(includes £5,500 already agreed)

(£6,775 net requested)

PROJECT OUTCOMES

During the first year of the project it is anticipated that:

1. 16 volunteers will be trained as CAB Information Assistants and receive additional website training
2. 400 volunteer sessions (half day) will be held with residents
3. 1000+ clients (400+ unique clients) will have a 1-hour session with a volunteer
4. 800+ positive outcomes for residents will be recorded
5. 100 unique clients will be referred to Maidenhead CAB for advice
6. 100 unique clients will be referred to other local organisations both personally and on-line

These figures are believed to be conservative: outcomes will include the residents' financial evaluation of the benefit of the session which it is anticipated will significantly exceed the project cost.

PROJECT PARTNERSHIPS

It is intended that the project will involve the following local groups and resources:

Recruitment of Volunteers	Voluntary and Community Partnership members, Maidenhead Advertiser, All Saints Windsor, RBWM publications, Housing Solutions, Radian, local business HR depts.
Sources of Resident beneficiaries	Housing Solutions, Radian, OPAF, MS Access form, WMVA, COCA, YOT, Family Friends, Islamic Trust, People2Places, Age Concern Windsor, Age Concern E Berks, PRTCS
Delivery Partners	Community Savings and Loans, Maidenhead Youth Service (if 4MR suite used)
Referral Partners	OPAC and Braywick – for IT training referrals

APPLICATION FORM BIG SOCIETY PROJECTS LOCAL AREA AGREEMENT FUNDING

The Royal Borough of Windsor and Maidenhead is a Vanguard Authority for the Big Society. In recognition of this status, and to meet the challenges of our Big Society aspirations, the Council invites proposals for innovative projects that promote:

Social action – involving more people in their communities through the giving of time, money and other resources.

Civic Participation – local people taking control of how things are done in their area.

Remove barriers - for people to take action for things that matter to them.

Proposals should clearly demonstrate how they meet two or more of the criteria listed below with the proposed outcomes to be delivered for residents:

- 1) increase volunteering
- 2) develop and put in place a community project
- 3) support the Borough's Big Society projects
- 4) work with and secure the support of local businesses to engage in volunteering or community projects
- 5) the setting up and development of voluntary organisations or social enterprises

PLEASE READ THROUGH AND COMPLETE ALL RELEVANT SECTIONS OF THE FORM

DETAILS OF ORGANISATION OR INDIVIDUAL

Karnail Pannu	KP	WAMCF
Adrian Shaw	AS	The Fotographa

1. Apologies:

Chris Hall – Magnet, Trevor Morgan – Adams Park Security, Chris & Claire Donald – Purple Patch Running.

2. Minutes and Matters arising

- MB In 2011 WAMCF organised an event and parade in celebration of the Royal Wedding which was a success and they were hoping to organise something similar for the Jubilee celebrations. Rather than organise a separate event have come to the committee to see if we could work together.
- KP WAMCF is a multi-faith organisation representing 8 faiths in the borough.
- SJ Has contacted Michaela about getting involved in the parade – she has requested further detail and will get back with an answer
- UL Purple Patch have sent out the first mail out to runners
- SJ Dan Houston was asked to join to committee but declined.

3. Update on plans for 2012

- SJ **Friday Evening** – still awaiting response from group about organising bands for the Friday evening. If they are unable to organise anything the Friday will be dropped from the 2012 programme.

MAIDENHEAD CARNIVAL 2011
MINUTES OF MEETING

Mar 2012

- NH **Saturday programme** – Some groups already have commitments for the first weekend in June so are unable to take part this year. Has confirmation from Stagecoach, Simas Action Kids, a new band 'Money on the Drums' and a new choir. On Sunday has a band who is interested in performing as the concert band are already booked.
- MT Will include an appeal for acts in the Advertiser MT
- SJ **Saturday Evening** – Meeting with Toby Cruse to discuss potential acts and has also made enquiries with an El Divo type group. Fireworks booked
- Circulate act options to the committee SJ
- SJ **Sunday Parade** – in the absence of Rachel needs an organisation or individual to take on the running of the parade.
- UL Suggested requesting the chosen charity takes on the parade as part of the agreement.
- MB Suggested that The Prince Phillip Trust may be worth approaching and offered to ask them if they would be interested MB
- PS Also suggested that the new Rotary Club in Maidenhead may also be interested PS
- KP Is happy to circulate information about the Carnival and how to get involved to the groups involved in WAMCF KP/SJ
- SJ **Big Jubilee Lunch** – Nationwide the 'Big Jubilee Lunch' will be promoted for Sunday 3rd June and it would be good to incorporate it into the Carnival programme.
- All agreed be good to promote as part of the Carnival but in an informal way as we have done in previous years. SJ/MT
- AS **King or Queen for the day idea** – AS is a local photographer and is interested in contributing something to the local community. Would like to set up AS

MAIDENHEAD CARNIVAL 2011
MINUTES OF MEETING

Mar 2012

a studio as part of Carnival where people can put on a robe and crown and be photographed as a King or Queen and download their pictures free from a Flicker account. AS to pass contact of caterer

All agreed that this was a nice idea and that it should be on the Saturday in the park AS/SJ

UL **Relay Marathon** – All going to plan. Now the fifth year that the race has run. Hoping that numbers aren't affected by the bank holiday and school holidays.

PS **Stalls** – Offer stall space on both the Saturday and Sunday. Need to ensure the location of the catering stalls does not conflict with the charity stalls PS/SJ

4. Funding Update

SJ £14k secured to date. SJ and BP to submit funding applications and update at next meeting.

5. Publicity

MT to look at how the programme could generate more funding to cover the costs MT

6. Date of next meeting

26 March, 2pm, Town Hall, Maidenhead

APPLICATION FORM BIG SOCIETY PROJECTS LOCAL AREA AGREEMENT FUNDING

The Royal Borough of Windsor and Maidenhead is a Vanguard Authority for the Big Society. In recognition of this status, and to meet the challenges of our Big Society aspirations, the Council invites proposals for innovative projects that promote:

Social action – involving more people in their communities through the giving of time, money and other resources.

Civic Participation – local people taking control of how things are done in their area.

Remove barriers - for people to take action for things that matter to them.

Proposals should clearly demonstrate how they meet two or more of the criteria listed below with the proposed outcomes to be delivered for residents:

- 1) increase volunteering
- 2) develop and put in place a community project
- 3) support the Borough's Big Society projects
- 4) work with and secure the support of local businesses to engage in volunteering or community projects
- 5) the setting up and development of voluntary organisations or social enterprises
