

Route to Castle through Windsor?

Existing cycle path to Windsor  
Needs improving to be useful

Easier to fund/approve route through  
the park via the A332?

Existing route through the Great Park  
can promote Park Businesses like coffee shops

**Route Key**

- Existing cycle path down to the Great Park
- Potential funded cycle path through Great Park
- Existing roads through the Great Park
- Potential local links to Schools and Churches

Route to Great Park can also link back down  
the High Street and North Ascot

Potential route past S. Ascot School to  
the High Street via Railway footpath

Both Swinley Routes will need  
a crossing over the Swinley Road

Proposed safe routes to Charters School  
from Sunninghill and Sunningdale

Potential bridge over the railway allowing  
school children access from Sunningdale

Use the existing cycle/pedestrian crossing  
over the A322 at the Coral Reef centre

Current, well used route from Crowthorne  
to the Lookout

**Route Key**

- Existing route to the Lookout and Bracknell from Crowthorne
- Proposed Swinley route (both using existing metal tracks)
- Proposed Swinley route (both using existing metal tracks)
- S. Ascot route around Allen's Field and around Wells Lane (shallower)
- Alternative S. Ascot route around Pig Farm and straight up Shorts footpath
