

Maidenhead and the Arts – Bringing life to the High Street.
Progress update and recommendations for the future

By Marie-Anne Leonard (Art on the Street)

About Us

A brief history of Art on the Street. Who we are, what we do and our achievements so far.

Before The Buzz Can Begin

The challenges we face in encouraging artisan business to Maidenhead

The Basics Of Birthing a Bohemian Boomtown

Art on the Street's vision for long-term arts/artisan business development, using readily available space and skills to encourage growth and occupancy in the High Street.

The Role of The LCC Hub

Temporary interventions and 'clicks and bricks' artisan businesses sit side-by-side in the High Street.

Break Down Barriers, Build New Bridges

Practical recommendations to stimulate the creation of Maidenhead's own artisan-led High Street. Driving new businesses to start, grow and stay.

Artists In Residence Programme

A further way to build a creative community that works and participates in High Street life.
