

## Windsor Town Forum - 19<sup>th</sup> Feb 2015

### Item 6 - Fly-posting Adverts for Windsor on Ice

Firstly, Cities on Ice who have run the Ice Rink in Alexandra Gardens since 2010 offer their sincere apologies & have agreed to pay any costs incurred in the removing of, where they didn't have the owners permission. A new contractor was employed by Cities on Ice in 2014 to undertake this function on their behalf and over stepped their remit in placing so many posters in and around the Royal Borough.

As soon as officers were made aware of the situation, Cities on Ice were instructed to remove the posters, However, Streetcare confirm that they removed around 130 of these posters throughout the Borough and Leisure Services has invoiced Cities on Ice £390 for the removal of.

It has been made very clear to Cities on Ice that Fly-posting isn't acceptable in or outside the Borough and it will be a condition of any future agreement not to do so.
