REPORT SUMMARY

- 1. This report sets out the Council budget for 2017/18. The priority in setting the budget has been to ensure the continued delivery of quality services for all residents, especially the most vulnerable, whilst the Royal Borough remains a low tax council. Specifically in 2017/18 increased investment is being made into:
 - Sustainable adult social care services;
 - Temporary accommodation for homeless residents;
 - Continuing the expansion of schools;
 - Additional parking and the new leisure centre in Maidenhead;
 - Expanding public access and capacity at York House in Windsor;
 - Children's social workers to reduce case loads;
 - Effective delivery of the Borough Local Plan and the handling of planning applications;
 - Maintaining the quality of public trees;
 - Increased funding of Early Years Pupil Premium;
 - Extra funding for voluntary organisations;
 - Home to school transport for pupils with special needs; and
 - National apprenticeship levy of 0.5% on payroll costs.
- 2. In 2016/17, the new adult social care precept was the maximum then permitted of 2%, adding £18.14 to band D council tax of £906.95. In 2017/18, the budget assumes the recently revised maximum of 3%, adding a further £27.75 to sustain the growing need for adult social care services.
- 3. Alongside priority investments such as adult care, the budget for 2017/18 also reflects the ongoing £5.9 million transformation programme presented to Cabinet and Council. This continues to deliver the services needed by residents in the most efficient and effective way.
- 4. The key impacts of the 2017/18 local government settlement are a new homes bonus of £3.7 million, an adult social care support grant of £0.5 million, a transition grant for £1.3 million and £4.8 million more dedicated schools grant, including increases for early years and special needs.
- 5. Fees and charges, including parking, are either not increased or are capped at the reference RPI inflation of 2% in September or are aligned where necessary to other councils.
- 6. The business rate relief for invigorating unoccupied retail premises will continue

in 2017/18 and also be expanded to include commercial and industrial premises.

- 7. Consequently the report recommends council tax band D is increased in 2017/18 by 0.95%, representing an increase of £8.62 on the £906.25 in both 2015/16 and 2016/17. 0.95% is significantly below the 1.99% permitted without the requirement of a local referendum and the reference RPI of 2%.
- 8. Band D council tax and adult social care precept together will be £961.46, which is £153 lower than the next lowest in 2016/17 across all unitary authorities in England and £244 lower than the next lowest Berkshire unitary authority in 2016/17.
- 9. Capital receipts from the Maidenhead regeneration programme over the next five to ten years justify additional borrowing in the short to medium term, to fund the preparatory investment in schools expansion, parking capacity, a new leisure centre, investments to consolidate regeneration and other infrastructure.
- 10. The draft proposals in the budget will secure a balanced budget and provide for a firm and sustainable financial basis for continuing to deliver all of the council's services.

1. DETAILS OF RECOMMENDATION(S)

RECOMMENDATION: That Cabinet recommend to Council that they note the report and approve the:

- i) Detailed recommendations contained in Appendix A which includes a Council Tax at band D of £915.57, including a 0.95% increase of £8.55.
- Adult Social Care Precept of 3% (an increase of £27.75 on the £18.14 precept included in the 2016/17 budget) to be included in the Council's budget proposals, making this levy the equivalent of £45.89 at band D.
- iii) Fees and Charges contained in Appendix D are approved.
- iv) Capital Programme, shown in appendices F and G, for the financial year commencing April 2017.
- v) Prudential borrowing limits set out in Appendix L.
- vi) Business rate tax base calculation, detailed in Appendix O, and its use in the calculation of the Council Tax Requirement in Appendix A.
- vii) Head of Finance in consultation with the Lead Members for Finance and Children's Services is authorised to amend the total schools budget to reflect actual Dedicated School Grant levels.

- viii) Head of Finance in consultation with the Lead Member for Finance is authorised to make appropriate changes to the budget to reflect the impact of the transfer of services to Achieving for Children and Optalis.
- ix) Responsibility to include the precept from the Berkshire Fire and Rescue Authority in the overall Council Tax charges is delegated to the Lead Member for Finance and Head of Finance once the precept is announced.

2. REASON(S) FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

- 2.1 The Council is obliged to set a Council Tax for the forthcoming year in order to provide sufficient revenue to carry out its statutory duties. The budget set for 2017/18 confirms the administration's commitment to continue the delivery of quality services for residents that are value for money. Residents will see priority services maintained with additional investment in key areas such as education, vulnerable residents including those qualifying for free school meals and regeneration.
- 2.2 The Royal Borough spends in the region of £300 million through the General Fund. Day to day council expenditure is funded through government grants, council tax, business rates, third party contributions and income from fees and charges. Around £80 million of this is spent on, and is ring-fenced to, schools.

Provisional Local Government Finance Settlement 2017/18

- 2.3 In the local government financial settlement for 2016/17 the Secretary of State for Communities and Local Government offered an opportunity for a four year financial settlement. The offer was accepted by the Royal Borough. The guaranteed minimum grant envelope covers the Revenue Support Grant, transitional funding and Rural Services Delivery grant allocations. In addition tariffs and top ups for the next three years will not be altered for reasons related to the relative needs of local authorities and in the final year (2020) may be subject to the implementation of the 100% business rates retention.
- 2.4 The 2017/18 local government finance settlement announced the core spending power figures for the period 2017/18 to 2019/20. Key items and the impact on the Boroughs finances include:
 - Adult Social Care Precept: 3% +£1,851,000
 - New Homes bonus: +£3,681,000
 - Adult Social Care Support Grant: +£500,000
 - Transition grant: +£1,263,000

Adult Social Care Precept

2.5 In 2016/17 the precept was set at 2%, equivalent to £18.14 on a band D property and in 2017/18 will be a further 3%, equivalent to £27.75, to sustain the growing need for adult care services.

New Homes Bonus

2.6 The Government have amended the scheme following consultation in 2016. Currently the scheme is based on six years. This will reduce to five years in 2017/18 and then to four years from 2018/19. The Government has also introduced a minimum level at which only growth in excess of the minimum will be rewarded. This has been set at 0.4% per annum of the council tax base; equivalent to 267 properties in the Borough. This will be exceeded.

Adult Social Care Support Grant

2.7 The changes made to the New Homes Bonus has allowed the government to divert funding (£241 million) from the New Homes Bonus into a new one-off grant to support adult social care, the Borough will receive around £500,000.

Transition Grant

2.8 In February 2016 the Secretary of State announced a series of measures, including a grant of £150 million, to ease the pace of reductions in central government financial support. The Borough's share for 2016/17 was £1.278 million and £1.263 million for 2017/18.

Additional areas within the financial settlement

School budgets

- 2.9 The Dedicated Schools Grants, DSG, has three blocks: early years, high needs and schools block. The Spending Review 2015 announced that a new national funding formula for the three elements of the DSG would be introduced for 2018/19. As the consultation does not close until March 17 there is unlikely to be an impact on the 2017/18 budget.
- 2.10 The Royal Borough's indicative DSG allocation for 2017/18 (including funding for academies) is £109.769 million, an increase of £4.8 million when compared with the 2016/17 final settlement. This is due, in the main, to increases in pupil numbers, the increase in children with special education and the introduction of the Early Years National Funding Formula.
- 2.11 The minimum funding guarantee continues at the same level as 2016/17, meaning that no school will see more than a 1.5% per pupil reduction in its formula budget when compared with 2016/17 allocations.

Apprenticeship Levy

2.12 Apprenticeships will be funded at a national level, through a levy from April 2017. All employers in the Untied Kingdom, with a pay bill over £3 million will be charged a levy of 0.5% on their pay bill. This equates to £280,000 for the Royal Borough.

Financial matters annual budget

Fees and charges

2.13 The proposed fees and charges for the period 2017/18 are shown in Appendix D. Generally charges are designed to increase at or below inflation.

Efficiencies and cost reductions

2.14 Over the past 5 years the council has reduced expenditure by over £30m. These reductions have been achieved by finding alternative and more cost effective ways to deliver the same or similar levels of service. This budget includes efficiencies and cost reductions totalling £5.945 million see Appendix E.

Council Tax

- 2.15 In 2016/17, the Band D combined council tax and adult social care precept was £925 which was £369 below the national average for Unitary Authorities (£1,294). This reflects a saving of nearly £25 million for local council tax payers available to be spent in the local economy.
- 2.16 This budget proposes an increase of 0.95% in council tax, well below the level of inflation announced in September 2016 RPI of 2%. Appendix I sets out the impact on different properties. The Council will, as in previous years, continue to operate its "Donate your Council Tax Savings" scheme.

Capital programme

- 2.17 In recent years, the council has avoided additional borrowing and related interest costs by funding some capital investments from available cash balances. This also anticipates the substantial capital receipts from the Maidenhead regeneration programme over the next five to ten years. As reported to Cabinet in November, it will become necessary during 2017/18 to increase borrowing in the short to medium term to fund investment which needs to precede the development of council land.
- 2.18 The council's capital expenditure is separate to revenue expenditure on services and is funded from a mix of government grants, third party contributions, capital receipts from the sales of assets and borrowing. The capital programme requires corporate funding of £23.7m see Appendices F & G.
- 2.19 There are a variety of regeneration initiatives either taking place or in development which will provide significant opportunities and benefits for the Borough, a number of these require Council capital financial involvement. Each initiative will have its own financing and governance structure which reports directly to the Council. The capital programme for 2017/18 provides for investment in:
 - The continuance of the schools expansion programme
 - Regeneration schemes, including Maidenhead Waterways
 - Funding into the disabled facilities grant
 - Maintaining the highways network
 - Street lighting
 - The re-provision of the Magnet leisure centre
- 2.20 In addition to the investments in the capital programme in this budget, the borrowing expectations for 2017/18 need to consider other capital proposals likely to come forward for approval during the year. As shown in Appendix N, this includes additional investments likely to be proposed and estimated to require funding of £58 million.

Capital finance

- 2.21 The Head of Finance has responsibility for financing the Capital Programme in the most cost effective way. The capital programme for 2017/18 relies on £23.7m of Council funding, however, use of recycled MRP and any capital receipts generated will reduce the impact on the Council's capital financing requirement. The proposed programme, including other proposals likely to come forward during the year increases the capital financing requirement by £74.3m. The capital financing requirement is a measure of the Council's need to borrow to be able to finance its capital spend. The capital financing requirement for 2017/18 is £143.6m.
- 2.22 All resolutions required to comply with the Prudential System are in line with the Treasury Management Report approved by Cabinet on 11 February 2010.

Business Rates

- 2.23 From 2013/14 local authorities have been able to share in any growth, as well as risk in expected collective rates and appeals against valuations, of business rates, as an incentive to encourage growth. It is the intention of government to return all business rates to local authority control in 2020.
- 2.24 Within the business rate retention system, the national non-domestic rate baseline and top up/tariff amounts have been revised to take into account the business rate revaluation of 2017. The medium term financial plan assumes 1% growth per annum as well as provision of discretionary relief to businesses falling into various categories.
- 2.25 It is intended to maintain all locally controlled rate reliefs for 2017/18 and in addition it is proposing extending the relief for invigorating vacant retail units to all commercial and industrial premises.

General Fund reserves

2.26 Taking account of the forecast year-end position the General Fund Reserves are estimated to be £6.33m inclusive of the Development Fund.

Collection Fund Balances

- 2.27 The council collects approximately £78m from Council Tax and £83 million from applying business rates. In 2015/16 the Council was one of the highest performing councils for council tax collection rates.
- 2.28 The Council must declare the likely balance on the Council Tax Collection Fund at 31 March 2017 as estimated in November 2016 and any balance to be shared between the Council, the Police and Crime Commissioner for Thames Valley and the Berkshire Fire & Rescue Service. On the appointed day the Royal Borough's share was declared at £2.615m (3%).
- 2.29 Under the Localisation of Business Rates legislation the Council is now required to prepare a similar statement for Business Rates. This statement shows a deficit payable by the Council of £1.001million (1.2%).

Treasury Management

- 2.30 The current Treasury Management policy was initially approved in February 2010 and varied by Cabinet in June 2010. In March 2014 Cabinet updated the list of approved counterparties when it added to it a group of the larger Building Societies. No further changes to the list are proposed, see Appendix M.
- 2.31 Interest on balances generated from treasury management provides an important source of income for the Council. Whilst signs of economic growth suggest that current interest rates will increase in the short to medium term, when compared to historic levels, but remain low.
- 2.32 For the last three years the Borough has, with Actuary and External Audit approval, prepaid its Pension Fund contributions using a Net Present Value calculation to show a benefit, equivalent to a 3.05% return on that prepayment in its revenue account.
- 2.33 As a consequence the budget assumes that the Royal Borough will earn £192k on its investments in 2017.
- 2.34 In setting the budget options have been considered, see table 1.

4. FINANCIAL DETAILS / VALUE FOR MONEY

4.1 The Borough's external auditors KPMG confirmed in their work on the 2015/16 accounts that the Council had "proper arrangements to secure economy, efficiency and effectiveness in its use of resources".

5. LEGAL IMPLICATIONS

- 5.1 The Local Government Act 2003 requires the Chief Financial Officer (Head of Finance) to report to Members as part of the budget setting process, on setting the level of council tax, the robustness of the budget presented and the adequacy of reserves. Appendix K sets out the main risks that may fall to be met from reserves and for which provision should be retained in the Council's account.
- 5.2 The budget has to be set in accordance with statutory requirements which include assurance from Strategic Directors that they have sufficient resource available to fulfil their various statutory obligations.

6. RISK MANAGEMENT

- 6.1 All measures proposed in the budget have been subject of a risk assessment in terms of deliverability and service impact. The assessment of General Fund Reserve includes an assessment of the financial impact of a range of economic and environmental factors, which may impact on the Councils budget. Some risks exist around Children's Safeguarding and Adult Social Care Budgets where demand is harder to predict.
- 6.2 The Business Rate Retention scheme has a risk/reward element built in. Whilst there are clear longer-term benefits for the Council from a growing local economy there are some risks associated with demolition of property prior to redevelopment and from local business failure (in terms of reduced Business rate revenue), which is now shared by the Local Authority.

Table 3: Risk

Risks	Uncontrolled Risk	Controls	Controlled Risk
Efficiencies not realised	Medium	Prudent level of reserves maintained	Low
Service pressures greater than recognised	Medium	Close monitoring of expenditure patterns	Low

7. POTENTIAL IMPACTS

7.1 This report contains a number of proposals related to staff or service provision and may involve changes to policy or service delivery. Equality impact assessments have been completed where appropriate.

8. CONSULTATION

- 8.1 Consultations have taken place with the local Chambers of Commerce in February 2017. The Leader of the Council and several Cabinet Members attended, together with Officers. The meetings served to consult on the proposals in this paper.
- 8.2 Comments of the Overview & Scrutiny Committees will be shared with Council.

9. TIMETABLE FOR IMPLEMENTATION

9.1 Residents will be notified of their Council Tax in March 2017. Budgets will be in place and managed by service managers from 1 April 2017.

BUDGET 2017/18

RECOMMENDATIONS

The Council is required, by law, to make some of its resolutions regarding the budget and the setting of Council Tax in a prescribed format. Due to their technical nature, a short explanation is included in italics under each part of the resolution. It is important to ensure that all the necessary areas are covered and Council is asked, therefore, to make resolutions in the form set out below:-

a) i) That the revenue estimates for 2017/18, which show the direct costs of the following service areas as set out in Appendix B & C, together with the approved estimates for 2016/17 be confirmed (or amended) for inclusion in the Budget Book: -

SERVICE AREA	Estimate 2016/17 £000	Estimate 2017/18 £000
Adult, Children and Health Services	56,807	56,376
Operations & Customer Services	17,962	16,230
Corporate & Community Services	6,883	6,149
Contribution to/ (from) Earmarked Reserve	1,133	2,255
Apprentice Levy		280
Estimated cost of pay inflation	500	500
Environment Agency	150	153
Capital Financing inc Interest Receipts	5,128	5,069
Other adjustments	2,115	2,415
	90,678	89,427

(Explanatory Note: These figures are the direct costs less income of each service area)

- ii) and that following approval of these estimates the Head of Finance be instructed to allocate overheads across all services, using appropriate methods of apportionment, in order that the estimates conform to the Best Value Accounting Code of Practice requirement to show full costs of services.
- b) That the schemes outlined in Appendix G be approved for inclusion in the Capital Programme recommended to Council for approval

(Explanatory Note: This approves the new schemes to be included in the Council's Capital Programme).

c) It be noted that on 15 December 2016 Cabinet calculated the Council Tax Base 2017/18;

i)

for the whole Council area as 66,709.64 [Item T in the formula in Section 31B(3) of the Local Government Finance Act 1992, as amended (the Act)]; and

ii) for dwellings in those parts of its area to which a Parish precept relates as in the list below.

	Band D
	Equivalents
Bisham	731.07
Bray	4,183.27
Cookham	2,889.38

Windsor	13,237.82
	66,709.64

(Explanatory Note: These figures are the tax bases for each parished and unparished area of the Council)

d)

- e) That the following amounts be calculated for the year 2016/17 in accordance with Sections 31 to 36 of the Act:
 - i)

being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) of the Act taking into account all precepts issued to it by Parish Councils.

(Explanatory Note: This is the net expenditure of the Council (including parish precepts, Adult Social Care precept and Special Expenses)

ii)

being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) of the Act.

(Explanatory Note: This figure includes the Revenue Support Grant, other nonspecific grants, and Business Rate income due to the Council from the Government Exchequer together with any surplus on the Council's Collection Fund.)

iii)

being the amount by which the aggregate at (e) (i) above exceeds the aggregate at (e) (ii) above, calculated by the Council in accordance with Section 31A(4) of the Act as its Council Tax requirement for the year. (Item R in the formula in Section 31A(4) of the Act).

(Explanatory Note: This is the council tax requirement of the Council (including parish precepts, Adult Social Care precept and Special Expenses)

iv)

being the amount at (e) (iii) above (Item R), all divided by Item T ((c) (i) above), calculated by the Council, in accordance with Section 31B(1) of the Act, as the basic amount of its Council Tax for the year (including Parish precepts).

(Explanatory Note: This figure is the average Band D Council Tax including Parish Precepts, Adult Social Care precept and Special Expenses.)

V)

being the aggregate amount of all special items (Precepts or Special Expenses) referred to in Section 34(1) of the Act (as per Appendix I).

(Explanatory Note: This figure is the aggregate of Parish Precepts, Adult Social Care precept and Special Expenses.)

vi)

being the amount at (e) (iv) above less the result given by dividing the amount at (e) (v) above by Item T (c) (i) above, calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which no Parish precept or special expense relates.

(Explanatory Note: This figure is the Band D Council Tax excluding Parish Precepts, Adult Social Care precept and Special Expenses.)

- f) To note that the Thames Valley Police and Crime Commissioner and the Berkshire Fire and Rescue Authority have issued or will shortly issue precepts to the Council in accordance with Section 40 of the Local Government Finance Act 1992 for each category of dwellings in the Council's area as indicated in the table in appendix I.
- g) That the Council, in accordance with Sections 30 and 36 of the Local Government Finance Act 1992, hereby sets the aggregate amounts shown in the tables in Appendix I as the amounts of Council Tax for 2017/18 for each part of its area and for each of the categories of dwellings.
- h) Determine whether the Council's basic amount of Council Tax for 2017/18 is excessive in accordance with principles approved under Section 52ZB Local Government Finance Act 1992.

Provision of strategic HR and OD support and advice to the council. HR consultants and HR Business Partners lead on the councils strategies and policies for recruitment and retention, pay and reward, employee relations and employment policies and provide strategic and complex advice to service regarding employment, recruitment and pay issues. The Human Resources team offer a high quality, comprehensive and cost effective service across the employee life cycle including job evaluation, recruitment, contracts of employment, organisational development, performance matters and change management.

Ensuring staffing and structure are fit for purpose is paramount and HR give advice and support whether a manager is replacing leavers, creating and recruiting to new posts, setting stretch objectives linked to the service development plan or there is a need to reduce the overall total sickness absence. With change management, HR provide toolkits, support, advice and attendance where required for any restructuring exercises including those resulting in redundancies or TUPE.

The learning and development team undertake training needs analysis across the organisation and are responsible for the delivery of statutory and mandatory training for staff. They support the council's workforce and leadership development programmes and initiatives. The OD strategy links to the overall aims of the council and ensures it has the right number of people at the right time with the right qualifications. Through a workforce strategy, it helps to plan for future staff requirements, ensuring the skills required for the future are planned and considered at the earliest opportunity.

The council centralised its Learning and Development function under Human Resources in October 2015.

Following the centralisation of the function, a training needs analysis was undertaken across the council and training needs identified for 2016/17. The budget to meet the statutory and mandatory training arising from that analysis was transferred from the Directorates and placed under the new Learning and Development team, increasing the budget shown in 2017/18 to take into account the additional training the team are now responsible for.

The Better Care Fund (BCF) is a pooled budget under Section 75 of the 2006 National Health Service Act. The BCF is a pooling of resources from Bracknell and Ascot CCG, Windsor Ascot and Maidenhead CCG and RBWM to fund the health and social care needs of RBWM residents. RBWM is the host authority for the BCF. The objectives of the BCF programmes are aligned to support the RBWM Health and Wellbeing strategy. The BCF programme covers Intermediate care services including the Short Term Support and Re-ablement Team, community based health services, Integrated Heath and Social Care Teams and projects, self care and prevention programmes designed to promote long term independence and wellbeing and reduce non-elective hospital admissions.

Expenditure summarised above is mainly funded by Dedicated Schools Grant (DSG), with separate unringfenced allocations for schools, early years and high needs. The Schools block allocation is determined by the October 2016 pupil census, Early Years block funding will be initially determined by the January 2017 Early Years census and updated by January 18 early years pupils. High Needs funding is not based on pupil numbers but is linked to previous years' allocation. The DSG total reflects the RBWM estimated allocation after 'top slicing' of grant by the Education Funding Agency for academies, known as 'academy recoupment'. The amount recouped for academies is £46m and is determined by the amount those schools would have received through the school funding formula, if they had been maintained schools. The amount which the EFA recoup increases in year as schools convert to academy.

The Corporate Communications and Marketing Team provide support to councillors and officers when dealing with communication issues. They produce press releases for service areas in liaison with councillors as well as producing press statements in response to media enquiries. They also arrange and attend photo-calls as well as organising radio and TV interviews. The team are Responsible for writing, producing and editing Around the Royal Borough, the council's residents newsletter which is produced three times a year. This is filled with news, information and events that residents will find useful about council services. They source the photographs for the publication and raise revenue for the council newsletter through advertising.

The team also produce a monthly email newsletter which provides residents with news and events coming up in the next month. The team produce and organise various marketing campaigns to promote council services and use a variety of communication tools including press releases, website updates, social media interaction and leaflets/flyers and posters. They are responsible for the content on the website and provide training to various officers who input content onto the website as well as being responsible for updating certain areas on hyperwave and ensuring the screensavers are produced in style. The team are also responsible for the two corporate social media accounts for Facebook and Twitter. The team produce videos to promote specific campaigns. They provide media training to those officers and councillors who require it for dealing with press issues. The team is also responsible for the Advantage card and liaises with hundreds of businesses to provide offers to our residents as well as sending out a monthly newsletter to card members as well as organising the 12 Days of Christmas and Father's Day events for Advantage card holders and businesses.

The purpose of the insurance function is to arrange the council's risk financing arrangements to provide protection from the financial implications of unexpected accidental events and negligent breaches of the council's statutory duties. These can affect staff and property and also arise from claims from individuals alleging council negligence has caused them injury, losses (including financial loss) or damage to their property.

The council acts as its own insurer and claims handler in most matters.

Risk management is a key element in the council's governance arrangements and control environment.

Staff (full time equivalent):

3.00

Service Risks:

1. Failure of risk management processes could to lead to exposure to high level strategic and operational risks.

2. Failure to ensure suitable level of insurance fund leads to financial shortfalls in the event of claims.

3. Poorly defined risk appetite could lead to over resourcing controls.

4. Increasing claims culture leads to expectations of compensation.

5. Increase in fraudulent claims from worsening economic climate.

Performance Indicators:

All key risks to be reviewed quarterly.

100% of liability claims dealt with in protocol timescales.

All portal claims to be acknowledged within 24 hours.

These charges are operative from 1st April 2016, except where they are based on Income Support rates, in which case they are operative from the date in April that these are uprated.					
Charges to Other Local Authorities, and to users of the service assessed as being full cost payers, are generally calculated according to a formula which accounts for direct costs, administration overheads and, where appropriate, the use of capital assets.					
Other charges are reviewed annually taking account of government guidance and changes in the levels of pay and prices, and may be rounded to he nearest 5p or 10p in order to facilitate the collection of cash. For services where daily rates apply charges are set at multiples of five or seven. Other rates are set to equal an exact amount of Income Support benefit.					
CARE FOR ADULTS					
RESIDENTIAL CARE					
Residents are required by statute to be assessed to contribute towards the cost of their residential care. The assessment must be carried out according to statutory guidelines.					
The minimum assessed contribution will be equal to the Income Support & premium received by the resident, less their statutory personal allowance. The maximum charge is the actual cost to the Council of purchasing or providing the residential care placement.

PRUDENTIAL INDICATORS 2015/16 TO 2018/19

The actual figures for 2015/16 and the estimates for 3 further years are shown below. These prudential indicators are prepared in accordance with the CIPFA Prudential Code for Capital Financing in Local Authorities

The figures set out below include this council's share of the old Berkshire County Council debt that is now managed by the Royal Borough.

	2015/16 Actual	2016/17 Estimate	2017/18 Estimate	2018/19 Estimate
Gross Capital Expenditure (£m)	£27.4m	£16.4m	£90.7m	£68.3m
Ratio of financing costs to net revenue stream - Non-loan financed	22.6%	10.7%	25.3%	11.3%
- Loan financed	7.0%	5.9%	6.4%	7.1%
Capital Financing Requirement (£m)	72.5	77.4	143.6	198.4

In respect of its external debt, the Council approves the following authorised limits for its external debt gross of investments for the next three financial years.

	2015/16	2016/17	2017/18	2018/19
Authorised limit for external debt (£m)	£95m	£102m	£180m	£210m

The Council also approves the following boundary for external debt for the same period.

	2015/16	2016/17	2017/18	2018/19
Operational boundary for external debt (£m)	£76m	£82m	£160m	£189m

The proposed operational boundary for external debt is based on the same estimates as the authorised limit but reflects the Head of Finance's estimate of the most likely, prudent but not worse case scenario, without the additional headroom included within the authorised limit to allow for example for unusual cash movements, and equates to the maximum of external debt projected by this estimate. It include both long and short term (i.e. less than 365 day) borrowing.

The estimate of the **incremental** impact of capital investment decisions proposed in this report, over and above capital investment decisions previously taken by the Council is:

	2015/16	2016/17	2017/18	2018/19
for the Band D Council Tax Payer	£26.30	£31.73	£59.65	£124.65

Some debt costs will be capitalised in 2017/18 & 2018/19 at a ratio of of 86% capital and 14% revenue. The impact on council tax will therefore be significantly lower than the above prudential indicator would suggest.

Interest Rate Exposure

It is recommended that the Council sets an upper limit on its fixed interest rate exposures for 2015/16 to 2018/19 of 90% of its outstanding principal sums (net of investments) It is further recommended that the Council sets an upper limit of its variable rate exposures for 2015/16 to 2018/19 of 30% of its outstanding principal sums (net of investments) This means that the Head of Finance will manage fixed rate interest rate exposures within the range 70% to 90% and variable interest rate exposures within the range 10% to 30%. This is a continuation of current practice
