Question from Members to be asked of the Chief Constable

Cllr Colin Rayner

Please can you give the full qualified Police officers numbers with ranks working in Royal Borough in 2017 compared to numbers in 2007 and 1997?

Please give number of police stations open 24 hours a day in 2017 in the Royal borough compared to 2007 and 1997 plus number of police stations open part time?

How many police arrests were made in 2016 and 2007 and 1997?

What are your plans for policing Windsor and Ascot and local villages when you close the Police Station in Windsor and sell it for housing? What will you use the money for?

Cllr John Bowden

How much is it costing, both in time and expenditure, for officers to return to Maidenhead from Windsor, when either dealing with persons detained or to take their meal breaks, now there is no Police property in Windsor? This should include those employed for security duty at the guard change.

Cllr Hashim Bhatti

In the last 6 months to a year there has been an increase in crime and disorder around the Dedworth area which has culminated in several robberies on elderly people, a stabbing outside the Shell petrol station, a daylight robbery at the Best One store on Longmead, and a variety of drug raids. What are the police doing to reassure local people especially in Clewer North, what is this increase attributable to and what further measures are the police looking at?

Cllr Ed Wilson

How can RBWM support TVP in reducing crime and the fear of crime in Dedworth?

Will the Chief Constable advise how volunteers will support the work of TVP in the future?

Cllr Hari Sharma

Police recorded crime has risen by 10% across England and Wales-the largest annual rise for a decade-according to the ONS. The latest crime figures for the last 12 months to March 2017 also shows an 18% rise in violent crime, including a 20% surge in gun crime. More alarmingly rise in crime is accelerating, if online is included, the numbers of the crime estimated by the Survey rises from 5.9m to 11m. How severe is the problem of the crime in RBWM and what extra measures are being taken to ensure our residents are safe and secure in the street and at home?

Cllr Nicola Pryer

What is your assessment of crime and disorder in Dedworth?

How can councillors help you combat the issue of drug dealing in Dedworth?
