1. SUMMARY

Agent has written further in support of scheme and highlighted some clarifications to be made to the report.

It is recommended the Panel refuses planning permission for the reasons listed in Section 10 of the main report.

2. ADDITIONAL INFORMATION

The "uncharacteristic hipped roof" referred to in paragraph 1.3 has been removed from the scheme and no longer forms part of the proposals.

The agent does not consider that the issues raised in paragraphs 8.3 and 8.5 were previously raised by the case officer. The agent does not consider that the front elevation would look materially different from the approved scheme.

The comments the agent refers to from the case officer were made prior to the receipt of the amended drawings and the final assessment of the scheme. Officers' consider that the concerns raised in paragraphs 8.3 and 8.5 are valid and would result in a bulky addition to the host building. Officers are still recommending refusal for the reasons set out in the main report.
