Cabinet 28/02/2019 – Comments from O&S Panels

Cabinet Report

Contract Award – Waste and Recycling Collection and Associated Services

The report was circulated electronically to the Highways, Transport and Environment O&S Panel – no comments received.

Draft Borough Wide Design Consultation – Regulation 13 Consultation

The report was circulated electronically to the Planning and Housing O&S Panel – no comments received.

Financial Update

Resolved unanimously: that the Panel endorsed the recommendations contained within the Cabinet report. The Panel felt that when a shortfall had been identified within the report it should be made clear if this was an isolated incident or if the pressure would continue and thus mitigating action should be proportionate.

Part II

RBWM Property Company LTD – Annual report and Report & Financial Statements 2017-18

Resolved unanimously: that the Corporate Services O&S Panel approved the recommendations within the report to Cabinet. The Panel felt that the added benefits of the company should be made clear and communicated and that when affordable housing levels were significant that the criteria for the offer was also clear.
