Agenda Item 5

- o) Terence Pike of Sunningdale ward will ask the following question of Councillor Clark, Lead Member for Transport and Infrastructure:**

The rights and wrongs of Sunningdale's Chobham Road parking scheme (5 additional parking bays costing £240,000) are history; but that pedestrians, elderly or not, have no safe means of crossing the road, is not. Even the traffic island was removed. Will the council provide a pedestrian crossing?
