REPORT SUMMARY

On 8 November 2020, the government announced the holiday activities and food programme (HAF) that had been running since 2018 in 17 local authorities would be expanded across the whole of England in 2021. The programme aims to provide healthy food and enriching activities to disadvantaged children, aged 5-16 years who are in receipt of free school meals for four hours a day, four days a week for six weeks a year during the Easter, Summer and Christmas School holidays.

The Royal Borough of Windsor and Maidenhead have been allocated £321,690 to run the programme over the Easter, Summer and Christmas School holidays. Within RBWM the programme has been renamed FUEL (Feed Ur Everyday Lives) and this report outlines the initial review into the Summer Programme that ran between 26th July - 28th August 2021. A full Summer report will be available from the 15th October.

Key Highlights from the Initial Summer Review

- To remove the barrier of travel, provision was available across the borough based on the areas of most need. Provision was available in Windsor Central, Dedworth, Datchet, Ascot, Larchfield, Riverside Area, Cox Green, Holyport and Staines (for the Old Windsor and Wraybury areas)
- The larger providers covered a wide age range meaning a parent could drop children of different ages off at one location.
- Over 5000 spaces were provided to families
- Activity packs were provided to families. Packs contained art and craft materials, tennis balls, frisbees and a copy of the new Marcus Rashford book aimed at inspiring children to be the best they can be. Information on local support services were also provided within the packs.
- All children received a healthy lunch - local community organisations within West Windsor supported provided the food for a number of sessions within the local area
- Feedback from families highlights the importance of having affordable/free activities available to children during the long summer holiday period
- Football kits were provided to children attending the Magpies football session who did not have the appropriate clothing
- Take home food kits and recipes were provided to families in Windsor - by the West Windsor Hub
- 24 sessions were provided internally by the Family Hub Service including 4 for children with SEN and 3 for children with low esteem.
- 3 young people known to the Family Hub Service were employed as FUEL workers to assist with Family Hub sessions
- Travel was provided to the Family Hub SEN sessions if required
- Minibus pick ups were available from Datchet, Old Windsor, Dedworth, Larchfield and Maidenhead town centre for Family Hub run offsite trips.

FUEL

Feed Ur Everyday Lives

What is FUEL?

On 8 November 2020, the government announced the holiday activities and food programme (HAF) that had been running since 2018 in 17 local authorities would be expanded across the whole of England in 2021. The programme aims to provide healthy food and enriching activities to disadvantaged children, aged 5-16 years who are in receipt of free school meals for four hours a day, four days a week for six weeks a year during the Easter, Summer and Christmas School holidays.

The aim is that the children who attend the provision will be supported:

- To eat healthily and understand nutrition
- To be more active through engaging and enriching activities
- To be safe and not to be socially isolated
- To learn more about the different services Achieving for Children have available in the local area

Within RBWM the programme has been renamed FUEL (Feed Ur Everyday Lives) which was a name provided by the borough Youth Ambassadors.

FUEL in The Royal Borough of Windsor and Maidenhead

RBWM were initially allocated £266,370 to deliver the Fuel programme. Due to the increase in the number of children receiving free school meals between November 2020 - June 2021, RBWM were allocated a further £55,320 taking the total allocation to £321,690. FUEL is being coordinated by the Achieving for Children Family Hub Service on behalf of RBWM.

Summer Programme Overview

The main programme ran Tuesdays - Fridays between 3rd -27th August. Additional sessions were provided outside of the main programme due to the demand for spaces and the availability of facilities. Although the funding criteria outlines that four days a week should be provided a decision was made to purchase week long places with some providers. This decision was made as it was felt that asking a child to join an activity week having missed the first day would not be in the best interests of the child.

In addition to coordinating the FUEL programme the newly formed Achieving for Children Family Hub Service provided sessions across the borough. Three young people who were users of the service were recruited to assist with the delivery of the Family Hub sessions.

Providers

An exercise was undertaken to map where the families accessing free school meals lived in order to identify hotspots and the level of need for provision in each area of the borough. Providers were then commissioned to deliver provision based on the area of need.

Partners

The following organisations supported the programme through volunteering or through giving free use of facilities:

- Datchet Parish Council
- Windsor Christian Action
- St Edward's & St Mark's Church
- West Windsor Hub
- Abri Housing Association
- RBWM Library Service

Promotion

All eligible families were sent the FUEL programme booklet (Appendix A) via their schools. Publicity messages were tweeted via the Family Hub and RBWM accounts. Achieving for Children staff also promoted the opportunities to the eligible families that they work with.

- Minibus pick ups were available from Datchet, Old Windsor, Dedworth, Larchfield and Maidenhead town centre for Family Hub run offsite trips.

Challenges

- The logistics involved with sourcing and organising the food for the children attending sessions where the provider did not provide the food themselves.
- The attendance rate of those children that had booked onto sessions. Many/all local authorities foresaw this challenge and following the completion of the programme every local authority that attended the regional HAF meeting identified this as their biggest challenge. There was no effective solution found to this challenge.
- Knowing the demand. The number of eligible children was known but the demand for spaces was not and too many spaces were booked with some providers.

Family Feedback

The feedback was very positive from families. There were 95 responses received from a parents survey and the average scores were as follows (1 = very poor 5- very good):

- Booking Process 4.4
- Staff 4.9
- Food 4.1
- Activities 4.4

98% of respondents indicated that they would book their children onto future FUEL sessions in the future.

The staff were amazing

Thank you!!! This has made the summer holidays significantly easier and the kids have had a great time, mixing with new friends too.

It was nice to attend a group when you don't feel your child is being judged because there is disability and your child is happy, safe and free to explore and make friends

Staff were lovely - children loved it.

I think it is wonderful that you are making this happen for children.

FUEL programme is excellent, it gives my kids the chance to join the great camps which they wouldn't go otherwise. Both of my kids enjoyed the sessions a lot, thank you so much to FUEL organisation and all the staff, I really appreciate there is a programme like FUEL, hope FUEL programme can carry on in the future.

The chance for my son to attend has been amazing and something completely unachievable for us without this scheme for which we are very grateful. He had an amazing time. Particularly loved the forest school experience and the freedom to explore outside.

Thank you so much, it meant the children did things they could not have done without FUEL. I am so grateful

The fuel programme has been amazing, we would have spent majority of our time at home isolated with little activities to do. One of my children has special needs and I believe this will make a huge impact on the return to school.

My kids were happy attending the club they loved the activities and staff. The kids said we stayed active with loads of fun and made new friends

He enjoyed all sessions so much and it gave him so much confidence

My girls loved it. All coaches were great and very welcoming

My daughter absolutely adored going out to these activities she made so many friends and enjoyed having so much independent time alone, loved receiving a sticker for being an amazing dancer, I also loved the fact that they could choose what to do. The best thing was the balloon magician, blew our minds with the amazing balloon animal she came home with.

this opportunity was a godsend in the summer holidays very safe and secure environment so parents feel safe in knowing that children are cared for

It's been a blessing having this program. My kids have absolutely loved it and I can't speak more highly of this program.

Just wanna say what an amazing welcome my son got when he 1st arrived he normally a nervous child but him seeing all the smiling faces of the staff he went straight in and enjoyed everything and even come out saying mum when can I go again

The funding made a huge difference not only to boys but also to me as I was able to work without them interrupting me. Also thanks to the funding the boys felt entertained enough from the football school and were happy to just add local bike rides, walks or just being in the garden without the need to do something which cost money.

My daughter thoroughly loved the opportunity to socialise and take part in activities and sports with a variety of other children and the fantastic staff who ran the club

The kids had an amazing time and I wish I had booked them on more and sooner.

- Some parents fed back that their children did not attend their booked session due to concerns over catching COVID or being classed as a close contact and being required to isolate over the summer break.
- Some parents also fed back that their child would not attend as they did not know anyone else attending and none of their friends had access to the funding.

Next Steps

- Formal Summer Report submitted to DfE - By 15th October

- Christmas Programme organised and promoted. Providers that proved popular during the Summer are likely to be commissioned again.

HOLIDAY ACTIVITIES AND FOOD PROGRAMME

SUMMER 2021

Funded by the Department for Education

***THE ROYAL BOROUGH OF
WINDSOR AND MAIDENHEAD***

**achieving
for children**

INTRODUCTION

This Summer...

It's nearly here, Summer 2021... we are excited to announce our Summer FUEL programme which will run from **Monday 2nd August to Friday 27th August** and is accessible to all those families in the Royal Borough of Windsor and Maidenhead who are eligible for benefits related free school meals.

The FUEL team have co-ordinated a variety of activity providers to deliver **FREE** services across the borough to meet the needs of all children, young people and families to ensure we have an inclusive and varied programme. Lunch will be provided at all FUEL sessions.

Recent times have been some of the most challenging that families have had to experience, our aim is to ensure this programme can bring as many smiles to faces as possible.

'Just look at what we can do when we come together' Marcus Rashford MBE

What is FUEL?

The Department for Education has released information on its Holiday Activities and Food Programme (HAF) for 2021. In the Royal Borough of Windsor and Maidenhead the programme is called **F.U.E.L: Feed Ur Everyday Lives**, a name created by our Youth Ambassadors and is delivered by Achieving for Children. The F.U.E.L programme takes place for two weeks during the Easter Holidays, four weeks during the Summer Holidays and one week during the Christmas Holidays. F.U.E.L provides activities to children aged 5-16yrs who are eligible for Free School Meals (FSM), for four hours a day, four days a week during the identified holiday periods.

The aim is that the children who attend the provision will be supported:

- To eat healthily and understand nutrition
- To be more active through engaging and enriching activities
- To be safe and not to be socially isolated
- To learn more about the different services Achieving for Children have available in the local area

Key Information

- Details on providers, how to book and the age ranges for activities are found towards the back of this booklet
- Bookings with all providers will be checked to ensure those accessing the programme are eligible for free school meals. Please do not give out the FUEL code to other families.
- To ensure that we are able to make the most use of the spaces on the activities please let us know if you cannot attend, non-attendance may result in future activity bookings being cancelled.
- Before the start of the holidays there may be other activities added to the FUEL Programme. For any updates please visit our website <https://rbwm.afcinfo.org.uk/pages/community-information/information-and-advice/fuel-holiday-activities-and-food-programme>

Packs

- Packs will be available to families to take home from various FUEL sessions.
- Packs will contain arts and crafts, frisbee, tennis ball, FUEL promotional material and information on services that support families.
- When collecting a pack, families are also able to take home copies of:
 - You Are A Champion by Marcus Rashford (8-13yrs)
 - A Dinosaur Ate My Sister (8-11yrs)
- Packs will be available to collect from the sessions written in *italics and underlined* between 10am-11am.

ACTIVITIES

Anika's Yoga for Children My name is Anika Saunders, I'm a Qualified Nursery Nurse and Children's Yoga Teacher who lives local to the area. Aside from being an ever-growing graze among adults, yoga has shown to be incredibly beneficial for children too. As you well know, children are faced with emotional, physical and social challenges all the time. Giving them the tools to understand their emotions in reaction to these challenges will support them in building positive relationships with those around them. The breathing techniques will help to enhance their concentration and sense of calmness. Physically, it also helps to enhance body awareness, co-ordination, strength and flexibility. Anika is supporting FUEL MIX/ULTRA/PLUS sessions on: 5,13,19 August

Dan the Skipping Man Dan the Skipping Man® is the best Brand to get you fit, healthy and having fun using Skipping. We specialise in offering you the best service to get you skipping and active.

It is more important than ever that we have access to simple to do, effective exercise. The Dan the Skipping Man® concept helps create just that in an ongoing, sustainable way for you, through the simple but varied activity of skipping. Skipping is for people of all ages to enjoy, is brilliantly accessible and the way Dan the Skipping Man® teach it is inclusive too! Skipping is for people of all ages to enjoy, is brilliantly accessible and the way Dan the Skipping Man® teach it is inclusive too! Dan the Skipping Man® is supporting FUEL MIX/ULTRA/PLUS sessions on: 3, 11 August <https://www.dantheskippingman.com/>

RBWM Libraries The Libraries team will be supporting FUEL Mix days providing reading books for all attendees and engaging with all children/young people to support reading ongoing.

Little Muddy Me (5-10yrs)

Bray Lake, Monkey Island Lane.

ACTIVITIES

We provide a wonderful outdoor space for children to explore and discover their natural surroundings. At Little Muddy Me Pre-school we spend all day outside no matter what the weather connecting with nature. We aim to create a nurturing and welcoming environment, which is safe and secure for the children to be able to enjoy learning through play, fun and friendship which is child-led. We are committed to providing every child with the opportunities that they deserve to grow and flourish through independence and risky play. We encourage children to climb tree's, use tools, swing in the hammock, play in the mud kitchen and hunt for bugs. We also cook on the camp fire.
