The following motion has been withdrawn from the agenda:

i) By Councillor Haseler

The RSPCA and a number of RBWM residents are very concerned for the welfare of animals given as prizes at fairgrounds and other public events, calling for a ban on this practice.

This Council:

- i) Agrees to ban outright the giving of live animals as prizes, in any form, on Royal Borough of Windsor & Maidenhead Council land.
- ii) Requests the Cabinet Member for Anti-Social Behaviour, Crime, and Public Protection to write to the UK Government, urging an outright ban on the giving of live animals as prizes on both public and private land.
