The following motion has been withdrawn from the agenda:

e) By Councillor Coppinger

This Council:

- i) Thanks every one of our residents for the positive way in which they have approached the changes we made to the collection of waste last year.
- ii) Notes that change is never easy but as a result waste reduced by 18%; recycling increased from 51% to 55.7% of the total and most importantly food waste recycling increased from 2500 tonnes to 4600 tonnes.
