REPORT SUMMARY

The purpose of this report is to provide the Schools Forum with the projected financial position for 2022/23 along with a summary of associated Risks & Opportunities; the projected reserve deficit balance as at 31 March 2023 and an understanding of the financial pressures faced in respect of the Dedicated Schools Grant. Details are set out in sections 2 and 3.

1. DETAILS OF RECOMMENDATION(S)

RECOMMENDATION: That Schools Forum notes the report and:

- i) ***the cumulative projected reserve deficit balance as at 31 March 2023***

REASON(S) FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

Options

Table 1: Options arising from this report

Option	Comments
Schools Forum to note the contents of the report and the impact on the projected reserve deficit balance as at 31 March 2023. This is the recommended option.	Continued monitoring and timely reporting of material variances throughout 2022/23 reported to appropriate stakeholders including Schools Forums and RBWM Cabinet. This would enable up to date and accurate reporting of the projected reserve deficit as at 31 March 2023.
Continue with no changes. This is not recommended.	The failure to use relevant financial information to understand the position of the Dedicated Schools Grant reserve.

1.1 The recommended option to note the contents of the report and impact on the projected reserve deficit balance as at 31 March 2023 will ensure an understanding of the Dedicated Schools Grant financial position for 2022/23 and the cumulative deficit.

2. KEY IMPLICATIONS

2.1 The key implications of this report are set out in Table 3.

Table 2: Key Implications

Outcome	Unmet	Met	Exceeded	Significantly Exceeded	Date of delivery
Schools Forum to note the contents of the report and impact on the projected reserve deficit balance as at 31 March 2023	Greater than 3% movement in reported variance of central schools budget as at 31 March 2023	Less than 3% movement in reported variance of central schools budget as at 31 March 2023	Less than 2% movement in reported variance of central schools budget as at 31 March 2023	Less than 1% movement in reported variance of central schools budget as at 31 March 2023	30 April 2023

3. FINANCIAL DETAILS / VALUE FOR MONEY

- 3.1 The Indicative Settlement for the Royal Borough for 2022/23 (including Academy schools) current budget notification is £141,166,000 with net retained funding of £72,442,000 consisting of £36,613,000 in respect of maintained schools delegated budgets and £35,829,000 central schools budget including Central School Services, Early Years and High Needs. Maintained schools delegated budgets are treated as spent as soon as they are delegated.
- 3.2 The projected net in-year underspend of (£197,000) is a favourable movement on the dedicated schools grant general reserve which as at 31st March 2022 was a net deficit of £2,047,000, therefore, the cumulative projected deficit as at 31st March 2023 is £1,850,000, representing 1.3% of the total budget allocation 2022/23.
- 3.3 The total forecast variance is an underspend of (£197,000) with the material variances as follows:
- 3.4 The Schools Block underspend (£496,000) relates to the release of uncommitted pupil growth fund as no additional school places have been required this year.
- 3.5 The Central School Services Block underspend (£125,000) relates to reduced management overheads and non-independent special school places.

- 3.6 The Early Years Block underspend (£135,000) reflects historic funding levels compared to planned levels of provision.
- 3.7 The High Needs Block overspend of £559,000 is primarily due to provision of Independent Special or Non-Maintained Schools and other associated direct support.
- 3.8 Table 3 reflects the summarised financial position for 2022/23.

	Balance brought forward DSG general reserve (surplus) / deficit				2,047
	Net Projected (surplus) /deficit				1,850

- 3.9 The total favourable movement to the previously reported position is (£600,000) with the material movements as follows:
- 3.10 The Schools Block increased underspend of (£46,000) relates to the release of the balance of the uncommitted pupil growth fund as no additional school places have been required this year.
- 3.11 The Central School Services Block increased underspend (£25,000) relates to reduced management overheads.
- 3.12 The Early Years Block increased underspend (£55,000) reflects the increased in-year block funding allocation of (£129,000) which was greater than the previously estimate level.
- 3.13 The High Needs Block reduced overspend of (£474,000) is primarily due to the implementation of several of the Deficit Management Plan themes, including the robust challenge process for agreeing inflationary rate increases and stronger commissioning arrangements estimated at (£190,000).
- 3.14 Further examples of Deficit Management Plan themes being implemented which have contributed towards the improved forecast include:

- The impact of the Social, Emotional & Mental Health (SEMH) programme reducing the volume of pupils at risk of exclusion. Additionally, interventions by coach monitors supporting pupils have in many cases resulted in no further Education and Health Care Plan (EHCP) support being required
- Reduction in the Special Schools placement costs through adding new resources bases/units within RBWM schools resulting in increased cost avoidance of more costly placements
- The EHCP funding panels now have headteachers on the board which has resulted in headteachers in our school having a greater understanding of SEND financial matrix
- More schools have been awarded the Quality Inclusion Mark resulting in more pupils with an EHCP being educated within Borough Schools that are attached to these units reducing Out of Borough costs

3.15 Within the High Needs Block forecast variance of £559,000 is an estimated provision of £400,000 for future demand of new placements for the period from 21st November 2022 to 31st March 2023. Future Demand will be monitored monthly, any underspend or additional pressures would be released into the forecast position.

3.16 The in-year position has significantly improved, however, the Dedicated Schools Grant conditions require that any authority with an overall deficit on its Dedicated Schools Grant account at the end of the financial year prepare a Deficit Management Plan, including a recovery period of three to five years. It will be challenging to clear the cumulative deficit with increased costs and rising demand for complex service provision, and the SEND reforms (2014) that increased support to include individuals up to 25 years of age. The Deficit Management Plan was reported to the Schools Forum in May 2022.

3.17 In conjunction with the Deficit Management Plan, AfC is participating with the DfE Delivering Better Value (DBV) in SEND support programme. The programme will provide dedicated support and funding to help local authorities with substantial deficit issues to reform their high needs systems. In addition, the aim of the programme is to establish a more sustainable structure so authorities are better placed to respond to the forthcoming SEND Review reforms. The DBV programme commenced in the summer of 2022 and operate for 30/36 months.

3.18 Local authorities are required to carry forward overspends to their schools budget either in the immediately following year or the year after. ESFA guidance states that DSG deficits should not be covered from the general fund or other grants but that over time they should be recovered from DSG income.

Guidance notes

What is an EqIA and why do we need to do it?

The Equality Act 2010 places a 'General Duty' on all public bodies to have 'due regard' to:

- Eliminating discrimination, harassment and victimisation and any other conduct prohibited under the Act.
- Advancing equality of opportunity between those with 'protected characteristics' and those without them.
- Fostering good relations between those with 'protected characteristics' and those without them.

EqIAs are a systematic way of taking equal opportunities into consideration when making a decision, and should be conducted when there is a new or reviewed strategy, policy, plan, project, service or procedure in order to determine whether there will likely be a detrimental and/or disproportionate impact on particular groups, including those within the workforce and customer/public groups. All completed EqIA Screenings are required to be publicly available on the council's website once they have been signed off by the relevant Head of Service or Strategic/Policy/Operational Group or Project Sponsor.

What are the "protected characteristics" under the law?

The following are protected characteristics under the Equality Act 2010: age; disability (including physical, learning and mental health conditions); gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

What's the process for conducting an EqIA?

The process for conducting an EqIA is set out at the end of this document. In brief, a Screening Assessment should be conducted for every new or reviewed strategy, policy, plan, project, service or procedure and the outcome of the Screening Assessment will indicate whether a Full Assessment should be undertaken.

Openness and transparency

RBWM has a 'Specific Duty' to publish information about people affected by our policies and practices. Your completed assessment should be sent to the Strategy & Performance Team for publication to the RBWM website once it has been signed off by the relevant manager, and/or Strategic, Policy, or Operational Group. If your proposals are being made to Cabinet or any other Committee, please append a copy of your completed Screening or Full Assessment to your report.

Enforcement

Judicial review of an authority can be taken by any person, including the Equality and Human Rights Commission (EHRC) or a group of people, with an interest, in respect of alleged failure to comply with the general equality duty. Only the EHRC can enforce the specific duties. A failure to comply with the specific duties may however be used as evidence of a failure to comply with the general duty.

Stage 1: Screening (Mandatory)

1.1 What is the overall aim of your proposed strategy/policy/project etc and what are its key objectives?

The overall aim of the report is to provide the Schools Forum with the financial position for 2022/23 along with a summary of associated material variances; the reserve deficit balances as at 31 March 2023.

12

1.2 What evidence is available to suggest that your proposal could have an impact on people (including staff and customers) with protected characteristics? Consider each of the protected characteristics in turn and identify whether your proposal is Relevant or Not Relevant to that characteristic. If Relevant, please assess the level of impact as either High / Medium / Low and whether the impact is Positive (i.e. contributes to promoting equality or improving relations within an equality group) or Negative (i.e. could disadvantage them). Please document your evidence for each assessment you make, including a justification of why you may have identified the proposal as “Not Relevant”.

Protected characteristics	Relevance	Level	Positive/negative	Evidence
Age	Yes	Low	Positive	This report does impact on pupils within this protected characteristic; however, as school funding is on a formula basis impact has already been considered within previous reports and decision making processes.
Disability	Yes	Low	Negative	The Deficit Management Plan developed may impact on the current range of services provided for pupils within this characteristic. The impact will be continually reviewed and reassessed.
Gender re-assignment	No	N/A	N/A	There is nothing in the report which is considered to impact on this protected characteristic.
Marriage/civil partnership	No	N/A	N/A	There is nothing in the report which is considered to impact on this protected characteristic.
Pregnancy and maternity	No	N/A	N/A	There is nothing in the report which is considered to impact on this protected characteristic.

Religion and belief	No	N/A	N/A	There is nothing in the report which is considered to impact on this protected characteristic.
Sex	No	N/A	N/A	There is nothing in the report which is considered to impact on this protected characteristic.
Sexual orientation	No	N/A	N/A	There is nothing in the report which is considered to impact on this protected characteristic.
