1. SUMMARY

- 1.1 Following the receipt of a representation from the Oakley Green, Fifield and District Community Association it has been established and since confirmed by the applicant's agent that the building the subject of this application has been demolished within the last 10 days. In light of this, it is not possible for Members to consider the application before them and the applicant via his agent has confirmed the withdrawal of the application.
- 1.2 The application has therefore been withdrawn from the agenda and will not be heard at this meeting.
