2. It also considers the role of LA representatives to governing bodies of Academies where appropriate.

4. These recommendations are being made in order that the LA may be represented on school governing bodies.
5. There are no financial implications for the Council.
6. Full details of candidates seeking appointment are given in Part II, in accordance with the Data Protection Act 1998. All appointments should be made in accordance with the Cabinet LA Governors Appointments Sub Committee terms of reference.

## 1. DETAILS OF RECOMMENDATIONS

**RECOMMENDATION: That the Cabinet Local Authority Governors Appointments Sub Committee:**

- i. **Consider all applications for The Royal Borough of Windsor and Maidenhead Schools and Academies.**
- ii. **Appoint/reappoint or recommend for appointment /reappointment the most suitable applicants.**
- iii. **Notes the approach taken by Academies within The Royal Borough of Windsor and Maidenhead in relation to the Local Authority governor representative role, as detailed in paragraph 2.6.**

## 2. REASON FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

- 2.1 These recommendations are being made in order that the Local Authority may be represented on school governing bodies.

<b>Option</b>	<b>Comments</b>
To select/recommend an appropriate applicant from those available. <b>This is the recommended option.</b>	If it is deemed that the skills and knowledge of the applicants meet the needs of the schools it will be an advantage to the governance resource of that school to endorse the application immediately.
To defer some/all appointments/recommendations to a future meeting. This is not recommended.	The DfE recommends that appointments should normally be made to fill vacancies within three months. Any deferral could delay this process.
To note the approach taken by each Academy in relation to the LA governor representative role. <b>This is the recommended option.</b>	There is no requirement for Academies to have an LA governor representative. However, if they choose to do so, there can be no more than 1 LA governor representative on the Academy's governing body.

### **Applications received and LA vacancies to-date**

### 5. LEGAL IMPLICATIONS

- 5.1 Local Authorities are entitled to representation on the Governing Bodies (GB) of maintained schools in accordance with the School Governance (Constitution) (England) Regulations 2012. LA's are entitled to have only one LA governor on each Governing Body. A person may not be appointed as an LA governor if they are entitled to be a staff governor. The guidance at Part 5Q of the Royal Borough Constitution on the appointment of school governors is in line with this.

5.2 The School Governance (Constitution) (England) Regulations 2012 SI 2012/1034 regulations provide that for any GB:

- (i) constituted under an Instrument of Governance (IoG) that takes effect after 1 September 2012; or
- (ii) constituted under an IoG that took effect before 1 September 2012 who properly decide to vary that IoG post 1 September 2012 the Local Authority (LA) may only nominate a person to be appointed as a LA representative on that GB but that it would be the GB themselves who would decide whether the nominee meets the GB eligibility criteria i.e. the GB do not have to appoint the LA's appointed nominee.

N.B. the GB, as a public body, would be subject to the principles of public law i.e. any decision to reject a LA nominee would have to be reasonable and in accordance with any policy and eligibility criteria that they may have, which would also have to be reasonable.

5.3 In relation to Academies, there is no formal legal advice on the issue of LA governors, but there is informal guidance from the DfE. This states there is no obligation for the Academy to agree to include an LA governor in the governing body, but if they do so, then there can only be one and the LA can decide upon the specific identity of the LA governor.

5.4 In the first instance of an Academy being established, a trust/governing body will need to make sure that at any one time the number of LA associated persons is not greater than 20% of the total number of governors/members. If this is the case then those governors/members who are deemed to be LA associated persons will have to resign in order of their appointment date – the most recently appointed resigning first.

## 6. VALUE FOR MONEY

6.1 LA representation helps to ensure the management of a school by its governing body maintains a focus on value for money.

## 7. SUSTAINABILITY IMPACT APPRAISAL

14.1 Governing bodies are invited to comment on candidates' suitability for reappointment and to submit nominations to fill these and any casual vacancies that arise. Where a school has expressed a view, this is noted in the candidate's details as listed in Part II.

14.2 Following the closing date for receipt of applications, those applicants who have not requested one particular school are matched to current vacancies, taking account of a variety of factors including any expressed requirements or preferences of both schools and candidates, and the proximity of a school to a candidate's home or business address. As far as possible, schools and applicants are then contacted to discuss options available and to ascertain that they have no objection to the recommendation proposed.
