- a) **Question submitted by Councillor Saunders to Councillor Cox, Lead Member for Environmental Services**

How is the Council seeking to ensure it can be proactive in protecting residents

from noise, odour, pests and other nuisance or public health risks which it can foresee as likely from proposed development or activities, including agricultural operations?

**b) Question submitted by Councillor Saunders to Councillor Coppinger, Lead Member for Adult Services and Health**

How is RBWM supporting the concerns of our rural community pharmacies that the Department of Health review may have unintended adverse consequences on the sustainability of locally accessible and GP support services?

**c) Question submitted by Councillor Beer to Councillor D Wilson, Lead Member for Planning**

It has become evident that the DCLG's public consultation entitled 'Technical consultation on implementation of planning changes' includes proposals to speed up the process which may reduce the ability of the public to influence and Councils to fully control planning applications. Why has this not been considered by the Planning & Housing Overview and Scrutiny Panel?

**d) Question submitted by Councillor Bhatti to Councillor Cox, Lead Member for Environmental Services**

Will the Lead Member please confirm that he will engage with the local community and in particular with any concerned residents in Clewer North when implementing the Prevent strategy?

**e) Question submitted by Councillor Bhatti to Councillor Burbage, Leader of the Council**

In my ward, there are many young people who over the holiday periods don't have much to do because of the lack of leisure and entertainment facilities. Would the leader consider the possibility of a multiplex centre in Windsor or a Designer Outlet if the opportunity ever arose?

**f) Question submitted by Councillor E. Wilson to Councillor Cox, Lead Member for Environmental Services**

Will the Lead Member thank all members of the public who took part in the recent Clean for the Queen campaign and say how his officers will be encouraging residents to take part in similar events in the future?
