PROJECT TIMETABLE

Flo Churchill, Interim Local Plan Team Lead, set out the timetable that was being worked to and showed that the Borough Local Plan would be submitted to the Secretary of State on 30 September 2016, after which point any future timings would be out of the councils hands. An Inspector would be appointed to examine the Plan in public. At Regulation 19 stage the Council would summarise comments then submit them to the Secretary of State.

Points raised by Members included:

- This would be the last time that the Local Plans Working Group would see the plan before it going to Cabinet on 28 July 2016. All Members would like to see a clear version with all comments incorporated before a version went to Cabinet.
- The overview and scrutiny provision would also need to be considered.
- Councillor Lilly Evans thought that critical elements were not present in the document. Officers reassured Councillor Evans that all points were present and were happy to organise a separate meeting to brief her and bring her up to date with the development of the plan, since she was new to the Local Plan Working Group.

LOCAL GOVERNMENT ACT 1972 - EXCLUSION OF THE PUBLIC

The meeting, which began at 4.00 pm, finished at 6.10 pm
