One of the five councillors that had not allocated their budget for the previous financial year had now done so, the other four would be chased.

It was noted that an article had been placed in *Around the Royal Borough* detailing the various projects that had benefitted from Member Budgets in 2015/16.

PARTICIPATORY BUDGET CONSULTATION 2016 BOROUGH-WIDE AND GEOGRAPHIC AREAS – RESULTS

Members considered the results of the borough-wide and geographic area Participatory Budget consultation. 2048 responses had been received in total; 766 on paper and 1282 online. This compared to 1743 responses in 2015/16; 707 on paper and 1036 online.

As in previous years the budget was £100,000 for borough wide schemes, £50,000 for Maidenhead, £50,000 for Windsor and £25,000 for Ascot and the Sunnings.

As in recent years, the borough wide consultation showed that resident would like the council to focus the funding towards roads and pavement repairs. This issue had come top in the three area consultations as well.

The Lead Member for Culture and Communities suggested that a significant proportion of funding in the borough-wide consultation be allocated to highway issues to allow for the area consultation funding to focus on specific local community schemes. Councillor D. Wilson commented that the borough already spent a significant amount of money on road and pavement repairs. He questioned whether residents were fully aware of this when responding to the consultation and suggested that the format of questions being asked in future surveys should be reviewed. The Chairman noted the comments of Members but highlighted that funding should be allocated in line with the results of the consultation.

It was confirmed that the list of topics was generated by a pre-consultation with parish councils, councillors and stakeholders. The final survey was issued with council tax bills and was also promoted via a press release, the website, Twitter and Facebook.

RESOLVED UNANIMOUSLY: That:

i) Borough wide consultation:

- **£35,000 be allocated to road and pavement repairs**
- **£15,000 be allocated to facilities/activities for older people**
- **£10,000 be allocated to traffic congestion reduction**

- **£6,000 be allocated to street cleaning and litter removal**
- **£10,000 be allocated to improved parking for residents**
- **£6,000 be allocated to tree and flower bed planting throughout the borough**

In relation to the Ascot and the Sunnings consultation, Councillor Mrs Bateson commented that additional formal paths and board walks in Allen's Field, Ascot would be dealt with by the SANG, which received funding from developers.

RESOLVED UNANIMOUSLY: That:

ii) Ascot and The Sunnings

- **£13,000 be allocated to road and pavement repairs**
- **£6,000 be allocated to skate park in Broomhall Recreation Ground**

- **£6,000 be allocated to events in Ascot and the Sunnings**

1. DETAILS OF RECOMMENDATIONS

RECOMMENDATION: That the Cabinet Participatory Budgeting Sub Committee allocates the Schools Participatory Budget funds as they deem appropriate based on the results of the public voting, up to £6,000 per project.

2. REASON FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

- 2.1 The Schools Participatory Budget scheme was launched earlier this year and the first round of voting commenced in April 2016, running until 1 July 2016. A total of 15 projects took part in the first voting round and the full breakdown of votes cast for the projects can be found in Appendix A. A summary of all 15 projects together with details on funding amounts requested is attached at Appendix B.
- 2.2 Schools/school groups are able to apply for up to £6,000 per voting round to support their project, which will enable 5 or more projects to be supported each voting round. There are three voting rounds to coincide with the three school terms.
- 2.3 It was agreed that a weighting be applied to the votes cast to ensure that those schools with smaller pupil numbers are not disadvantaged in terms of potential voting numbers. Appendix C details the weighting applied to the voting for those projects submitted for each individual school. The weighting is based on the total pupil number per school based on the latest school census figure (October 2015).
- 2.4 The top 6 projects with the highest number of weighting adjusted votes are:
- The Royal CE (Crown Aided) School, with a weighted total of 745
 - Knowl Hill CE Academy, with a weighted total of 342
 - Braywood CE First School, with a weighted total of 258
 - Waltham St Lawrence Primary School, with a weighted total of 250
 - Trevelyan Middle School, with a weighted total of 245
 - Furze Platt Junior School, with a weighted total of 216.
- 2.5 The total number of votes cast was 8,454.
