DECLARING INTERESTS IN MEETINGS

DISCLOSABLE PECUNIARY INTERESTS (DPIs)

DPIs include:

- Any employment, office, trade, profession or vocation carried on for profit or gain.
- Any payment or provision of any other financial benefit made in respect of any expenses occurred in carrying out member duties or election expenses.
- Any contract under which goods and services are to be provided/works to be executed which has not been fully discharged.
- Any beneficial interest in land within the area of the relevant authority.
- Any license to occupy land in the area of the relevant authority for a month or longer.
- Any tenancy where the landlord is the relevant authority, and the tenant is a body in which the relevant person has a beneficial interest.
- Any beneficial interest in securities of a body where
 - a) that body has a piece of business or land in the area of the relevant authority, and
 - b) either (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body **or** (ii) the total nominal value of the shares of any one class belonging to the relevant person exceeds one hundredth of the total issued share capital of that class.

PREJUDICIAL INTERESTS

This is an interest which a reasonable fair minded and informed member of the public would reasonably believe is so significant that it harms or impairs your ability to judge the public interest. That is, your decision making is influenced by your interest that you are not able to impartially consider only relevant issues.

DECLARING INTERESTS

If you have not disclosed your interest in the register, you **must make** the declaration of interest at the beginning of the meeting, or as soon as you are aware that you have a DPI or Prejudicial Interest. If you have already disclosed the interest in your Register of Interests you are still required to disclose this in the meeting if it relates to the matter being discussed. A member with a DPI or Prejudicial Interest **may make representations at the start of the item but must not take part in discussion or vote at a meeting.** The term 'discussion' has been taken to mean a discussion by the members of the committee or other body determining the issue. You should notify Democratic Services before the meeting of your intention to speak. In order to avoid any accusations of taking part in the discussion or vote, you must move to the public area, having made your representations.

If you have any queries then you should obtain advice from the Legal or Democratic Services Officer before participating in the meeting.

If the interest declared has not been entered on to your Register of Interests, you must notify the Monitoring Officer in writing within the next 28 days following the meeting.

Also in attendance: Parish Councillor Margaret Lenton (Wraysbury Parish Council) and Parish Councillor Pat McDonald (White Waltham Parish Council).

Officers: Tanya Leftwich and Simon Fletcher

APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillor Jesse Grey (Councillor Julian Sharpe was sub) and Hashim Bhatti.

Apologies for absence were also received from Superintendent Rai (Thames Valley Police).

The Chairman informed everyone present that the meeting was being recorded and that the audio would be available on the RBWM website shortly.

The Chairman also informed everyone present of the fire evacuation procedures.

DECLARATIONS OF INTEREST

None.

MINUTES

The Part I minutes of the meeting held on the 14 November 2016 were agreed as a correct record.

<u>DELIVERING DIFFERENTLY IN OPERATIONS & CUSTOMER SERVICES - CIVIL</u> <u>ENFORCEMENT OFFICER & COMMUNITY WARDEN SERVICES</u>

The Chairman informed everyone present that the extra meeting had been arranged due to the Delivering Differently in Operations and Customer Services – Civil Enforcement Officer and Community Warden Services that would be going before Cabinet tomorrow evening.

The Strategic Director of Operations, Simon Fletcher, explained that on the 30 June 2016, Cabinet had approved in principle a proposal to consider the use of a private sector provider for the delivery of Civil Enforcement and Community Warden Services on behalf of the Council. Members were informed that this paper was requesting authority to amend the original approach given by Cabinet in June 2016 to now look at potential alternative service delivery options for just Civil Enforcement Services.

Members were informed that the paper also requested delegated authority to conclude a competitive procurement process for this service in order to test the private sector market.

The Strategic Director of Operations assured Members that no final decisions had been made or approved and that the report requested a further report be presented to Cabinet in April which would set out the results of the procurement process and the other options available to

7

the council for this service. Comments from this Panel were requested on the procurement process.

Members noted that third party services were being considered as they had the potential to better cover and address parking enforcement needs across the Borough (e.g. greater flexibility and resilience associated with major events and better coverage and patrols of residential and more rural locations), they had the potential of increased enforcement need if parking issues were being better covered, had the ability to access private sector expertise on dynamic resource development utilising technology and quick response arrangements. Also that third party services had the potential for costs associated with future investments and development in technology to be borne by the third party provider (e.g. new hand held units, virtual permit technology, etc).

The Strategic Director of Operations informed Members that the Council was looking at Westminster City Council as they currently used third party providers. It was noted that the Council had also commenced a pilot utilising third party resource to deliver Civil Enforcement services within a defined area of the Borough.

The Chairman informed Members that he had been assured by officers that a paper would come back before this Panel before it went to Cabinet in April 2017. It was noted that the Chairman's concerns regarding the Night-time Economy being destroyed if civil enforcement workers stopped people from parking when collecting takeaways had been alleviated. Members were informed by the Chairman that he had been assured that the appeals process would be retained as a council function. The Chairman had also been assured that all RBWM civil enforcement officers would be offered jobs by the third party provider if that was the route Cabinet decided to go down.

In the ensuing discussion the following points were noted:

- Councillor Sharma suggested that the pilot utilising third party resource to deliver Civil Enforcement services should be done throughout the whole of the Borough.
- Councillor Story expressed his support for the paper and stated that he was pleased to see that the Council was retaining its Community Wardens.
- The Strategic Director of Operations informed Members that the Council had spoken to both Wokingham Council and Bracknell Council with regard to joint procurement options and that if the timing was right for all three partners then it could potentially benefit all involved.
- The Strategic Director of Operations confirmed that the RBWM Civil Enforcement Officers were all aware of what was being proposed.
- Councillor Werner questioned why improvements to the service could not be made inhouse rather than by using a third party provider. Councillor Werner stated that he felt Council employees served the public / residents in the first instance whilst the private sector did not necessarily do the same. The Strategic Director of Operations assured Councillor Werner and the Panel as a whole that the paper did not pre-judge and that an in-house service would also be considered.
- Parish Councillor Margaret Lenton stated that she believed enhanced enforcement across the Borough would be very popular and questioned how flexible it would be. The Chairman explained that he had been assured that the flexibility scope would be written into the contract.
- Councillor Bowden informed the Panel that a decluttering system had been put in place in Windsor which had resulted in no / incorrect signage to state whether you could or not park in areas and incorrect road markings on kerbs. Councillor Bowden suggested that the Council spent some money getting the signage and road markings corrected.
- Councillor Bowden went on to informed the Panel that he believed there to be an informal process in place which meant that certain streets in Windsor did not get enforced with regard to parking. It was suggested that an informal arrangement would not be possible with a private company and he therefore envisaged problems. The Strategic Director of Operations explained that informal arrangements with specific

shops, businesses, etc were being agreed which was not helpful to residents as they were unaware of the arrangements being put in place and that businesses needed to be clear on restrictions. It was noted that where informal arrangements were felt to be beneficial / appropriate they should be formalised, publicised and enforced so everyone was clear about where they could and could not park.

- That the cost of the pilot was net neutral.
- That the Council was not meeting its manifesto commitment with to increase the number of Community Wardens from 18 to 36 as it currently had 18 Civil Enforcement officers, 4 Parking Supervisors and 1 Machine Maintenance officer.

Councillor Werner, supported by the rest of the Panel, commented that with regard to recommendation (ii) that no assumption should be made that the Council would be 'going private'. It was requested that in order to put residents first all avenues should be fully investigated before a decision was made which included contacting other Local Authorities / public sector providers and private sector providers. Parish Councillor Pat McDonald added that it would useful to know 'best practice' so comparisons outside of the Council could be made.

The Crime & Disorder Overview & Scrutiny Panel unanimously agreed to recommend to Cabinet that they:

- i. Agreed the amendment of the 'in principle' approval given by Cabinet on June 30, 2016, removing Community Warden services from the scope of the proposal and that third party service providers now be considered for Civil Enforcement services only.
- ii. Delegated authority to the Strategic Director of Operations & Customer Services in conjunction with the Lead Member for Environmental Services to conclude a competitive procurement process for the provision of Civil Enforcement services within the Royal Borough.
- iii. Requested a further report be submitted to Cabinet in April 2017 detailing the outcome of the competitive procurement process and if appropriate seeking authority to award a contract to the preferred bidder.

DATE OF FUTURE MEETINGS

The Chairman informed Members that the dates of the next meetings were as follows:

- Tuesday 24 January 2017.
- Thursday 20 April 2017.

It was noted that the meeting on Monday 30 January 2017 would likely be cancelled as the Budget and Council Tax report going to Cabinet in early February would now be available in time for the meeting scheduled to take place on the 24 January 2017. The Clerk would confirm the cancellation shortly.

The meeting, which began at 7.00 pm, finished	d at 7.50 pm

REPORT SUMMARY

- This report sets out the Council budget for 2017/18. The priority in setting the budget has been to ensure the continued delivery of quality services for all residents, especially the most vulnerable, whilst the Royal Borough remains a low tax council. Specifically in 2017/18 increased investment is being made into:
 - Sustainable adult social care services;
 - Temporary accommodation for homeless residents;
 - Continuing the expansion of schools;
 - Additional parking and the new leisure centre in Maidenhead;
 - Expanding public access and capacity at York House in Windsor;
 - · Children's social workers to reduce case loads;
 - Effective delivery of the Borough Local Plan and the handling of planning applications;
 - Maintaining the quality of public trees;
 - Increased funding of Early Years Pupil Premium;
 - Extra funding for voluntary organisations;
 - Home to school transport for pupils with special needs; and
 - National apprenticeship levy of 0.5% on payroll costs.
- 2. In 2016/17, the new adult social care precept was the maximum then permitted of 2%, adding £18.14 to band D council tax of £906.95. In 2017/18, the budget assumes the recently revised maximum of 3%, adding a further £27.75 to sustain the growing need for adult social care services.
- 3. Alongside priority investments such as adult care, the budget for 2017/18 also reflects the ongoing £5.9 million transformation programme presented to Cabinet and Council. This continues to deliver the services needed by residents in the most efficient and effective way.
- 4. The key impacts of the 2017/18 local government settlement are a new homes bonus of £3.7 million, an adult social care support grant of £0.5 million, a transition grant for £1.3 million and £4.8 million more dedicated schools grant, including increases for early years and special needs.
- 5. Fees and charges, including parking, are either not increased or are capped at the reference RPI inflation of 2% in September or are aligned where necessary to other councils.
- 6. The business rate relief for invigorating unoccupied retail premises will continue

- in 2017/18 and also be expanded to include commercial and industrial premises.
- 7. Consequently the report recommends council tax band D is increased in 2017/18 by 0.95%, representing an increase of £8.62 on the £906.25 in both 2015/16 and 2016/17. 0.95% is significantly below the 1.99% permitted without the requirement of a local referendum and the reference RPI of 2%.
- 8. Band D council tax and adult social care precept together will be £961.46, which is £153 lower than the next lowest in 2016/17 across all unitary authorities in England and £244 lower than the next lowest Berkshire unitary authority in 2016/17.
- 9. Capital receipts from the Maidenhead regeneration programme over the next five to ten years justify additional borrowing in the short to medium term, to fund the preparatory investment in schools expansion, parking capacity, a new leisure centre, investments to consolidate regeneration and other infrastructure.
- 10. The draft proposals in the budget will secure a balanced budget and provide for a firm and sustainable financial basis for continuing to deliver all of the council's services.

1. DETAILS OF RECOMMENDATION(S)

RECOMMENDATION: That Cabinet recommend to Council that they note the report and approve the:

- i) Detailed recommendations contained in Appendix A which includes a Council Tax at band D of £915.57, including a 0.95% increase of £8.55.
- ii) Adult Social Care Precept of 3% (an increase of £27.75 on the £18.14 precept included in the 2016/17 budget) to be included in the Council's budget proposals, making this levy the equivalent of £45.89 at band D.
- iii) Fees and Charges contained in Appendix D are approved.
- iv) Capital Programme, shown in appendices F and G, for the financial year commencing April 2017.
- v) Prudential borrowing limits set out in Appendix L.
- vi) Business rate tax base calculation, detailed in Appendix O, and its use in the calculation of the Council Tax Requirement in Appendix A.
- vii) Head of Finance in consultation with the Lead Members for Finance and Children's Services is authorised to amend the total schools budget to reflect actual Dedicated School Grant levels.

- viii) Head of Finance in consultation with the Lead Member for Finance is authorised to make appropriate changes to the budget to reflect the impact of the transfer of services to Achieving for Children and Optalis.
- ix) Responsibility to include the precept from the Berkshire Fire and Rescue Authority in the overall Council Tax charges is delegated to the Lead Member for Finance and Head of Finance once the precept is announced.

2. REASON(S) FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

- 2.1 The Council is obliged to set a Council Tax for the forthcoming year in order to provide sufficient revenue to carry out its statutory duties. The budget set for 2017/18 confirms the administration's commitment to continue the delivery of quality services for residents that are value for money. Residents will see priority services maintained with additional investment in key areas such as education, vulnerable residents including those qualifying for free school meals and regeneration.
- 2.2 The Royal Borough spends in the region of £300 million through the General Fund. Day to day council expenditure is funded through government grants, council tax, business rates, third party contributions and income from fees and charges. Around £80 million of this is spent on, and is ring-fenced to, schools.

Provisional Local Government Finance Settlement 2017/18

- 2.3 In the local government financial settlement for 2016/17 the Secretary of State for Communities and Local Government offered an opportunity for a four year financial settlement. The offer was accepted by the Royal Borough. The guaranteed minimum grant envelope covers the Revenue Support Grant, transitional funding and Rural Services Delivery grant allocations. In addition tariffs and top ups for the next three years will not be altered for reasons related to the relative needs of local authorities and in the final year (2020) may be subject to the implementation of the 100% business rates retention.
- 2.4 The 2017/18 local government finance settlement announced the core spending power figures for the period 2017/18 to 2019/20. Key items and the impact on the Boroughs finances include:

Adult Social Care Precept: 3% +£1,851,000

• New Homes bonus: +£3,681,000

Adult Social Care Support Grant: +£500,000

• Transition grant: +£1,263,000

Adult Social Care Precept

2.5 In 2016/17 the precept was set at 2%, equivalent to £18.14 on a band D property and in 2017/18 will be a further 3%, equivalent to £27.75, to sustain the growing need for adult care services.

New Homes Bonus

2.6 The Government have amended the scheme following consultation in 2016. Currently the scheme is based on six years. This will reduce to five years in 2017/18 and then to four years from 2018/19. The Government has also introduced a minimum level at which only growth in excess of the minimum will be rewarded. This has been set at 0.4% per annum of the council tax base; equivalent to 267 properties in the Borough. This will be exceeded.

Adult Social Care Support Grant

2.7 The changes made to the New Homes Bonus has allowed the government to divert funding (£241 million) from the New Homes Bonus into a new one-off grant to support adult social care, the Borough will receive around £500,000.

Transition Grant

2.8 In February 2016 the Secretary of State announced a series of measures, including a grant of £150 million, to ease the pace of reductions in central government financial support. The Borough's share for 2016/17 was £1.278 million and £1.263 million for 2017/18.

Additional areas within the financial settlement

School budgets

- 2.9 The Dedicated Schools Grants, DSG, has three blocks: early years, high needs and schools block. The Spending Review 2015 announced that a new national funding formula for the three elements of the DSG would be introduced for 2018/19. As the consultation does not close until March 17 there is unlikely to be an impact on the 2017/18 budget.
- 2.10 The Royal Borough's indicative DSG allocation for 2017/18 (including funding for academies) is £109.769 million, an increase of £4.8 million when compared with the 2016/17 final settlement. This is due, in the main, to increases in pupil numbers, the increase in children with special education and the introduction of the Early Years National Funding Formula.
- 2.11 The minimum funding guarantee continues at the same level as 2016/17, meaning that no school will see more than a 1.5% per pupil reduction in its formula budget when compared with 2016/17 allocations.

Apprenticeship Levy

2.12 Apprenticeships will be funded at a national level, through a levy from April 2017. All employers in the Untied Kingdom, with a pay bill over £3 million will be charged a levy of 0.5% on their pay bill. This equates to £280,000 for the Royal Borough.

Financial matters annual budget

Fees and charges

2.13 The proposed fees and charges for the period 2017/18 are shown in Appendix D. Generally charges are designed to increase at or below inflation.

Efficiencies and cost reductions

2.14 Over the past 5 years the council has reduced expenditure by over £30m. These reductions have been achieved by finding alternative and more cost effective ways to deliver the same or similar levels of service. This budget includes efficiencies and cost reductions totalling £5.945 million see Appendix E.

Council Tax

- 2.15 In 2016/17, the Band D combined council tax and adult social care precept was £925 which was £369 below the national average for Unitary Authorities (£1,294). This reflects a saving of nearly £25 million for local council tax payers available to be spent in the local economy.
- 2.16 This budget proposes an increase of 0.95% in council tax, well below the level of inflation announced in September 2016 RPI of 2%. Appendix I sets out the impact on different properties. The Council will, as in previous years, continue to operate its "Donate your Council Tax Savings" scheme.

Capital programme

- 2.17 In recent years, the council has avoided additional borrowing and related interest costs by funding some capital investments from available cash balances. This also anticipates the substantial capital receipts from the Maidenhead regeneration programme over the next five to ten years. As reported to Cabinet in November, it will become necessary during 2017/18 to increase borrowing in the short to medium term to fund investment which needs to precede the development of council land.
- 2.18 The council's capital expenditure is separate to revenue expenditure on services and is funded from a mix of government grants, third party contributions, capital receipts from the sales of assets and borrowing. The capital programme requires corporate funding of £23.7m see Appendices F & G.
- 2.19 There are a variety of regeneration initiatives either taking place or in development which will provide significant opportunities and benefits for the Borough, a number of these require Council capital financial involvement. Each initiative will have its own financing and governance structure which reports directly to the Council. The capital programme for 2017/18 provides for investment in:
 - The continuance of the schools expansion programme
 - Regeneration schemes, including Maidenhead Waterways
 - Funding into the disabled facilities grant
 - Maintaining the highways network
 - Street lighting
 - The re-provision of the Magnet leisure centre
- 2.20 In addition to the investments in the capital programme in this budget, the borrowing expectations for 2017/18 need to consider other capital proposals likely to come forward for approval during the year. As shown in Appendix N, this includes additional investments likely to be proposed and estimated to require funding of £58 million.

Capital finance

- 2.21 The Head of Finance has responsibility for financing the Capital Programme in the most cost effective way. The capital programme for 2017/18 relies on £23.7m of Council funding, however, use of recycled MRP and any capital receipts generated will reduce the impact on the Council's capital financing requirement. The proposed programme, including other proposals likely to come forward during the year increases the capital financing requirement by £74.3m. The capital financing requirement is a measure of the Council's need to borrow to be able to finance its capital spend. The capital financing requirement for 2017/18 is £143.6m.
- 2.22 All resolutions required to comply with the Prudential System are in line with the Treasury Management Report approved by Cabinet on 11 February 2010.

Business Rates

- 2.23 From 2013/14 local authorities have been able to share in any growth, as well as risk in expected collective rates and appeals against valuations, of business rates, as an incentive to encourage growth. It is the intention of government to return all business rates to local authority control in 2020.
- 2.24 Within the business rate retention system, the national non-domestic rate baseline and top up/tariff amounts have been revised to take into account the business rate revaluation of 2017. The medium term financial plan assumes 1% growth per annum as well as provision of discretionary relief to businesses falling into various categories.
- 2.25 It is intended to maintain all locally controlled rate reliefs for 2017/18 and in addition it is proposing extending the relief for invigorating vacant retail units to all commercial and industrial premises.

General Fund reserves

2.26 Taking account of the forecast year-end position the General Fund Reserves are estimated to be £6.33m inclusive of the Development Fund.

Collection Fund Balances

- 2.27 The council collects approximately £78m from Council Tax and £83 million from applying business rates. In 2015/16 the Council was one of the highest performing councils for council tax collection rates.
- 2.28 The Council must declare the likely balance on the Council Tax Collection Fund at 31 March 2017 as estimated in November 2016 and any balance to be shared between the Council, the Police and Crime Commissioner for Thames Valley and the Berkshire Fire & Rescue Service. On the appointed day the Royal Borough's share was declared at £2.615m (3%).
- 2.29 Under the Localisation of Business Rates legislation the Council is now required to prepare a similar statement for Business Rates. This statement shows a deficit payable by the Council of £1.001million (1.2%).

Treasury Management

- 2.30 The current Treasury Management policy was initially approved in February 2010 and varied by Cabinet in June 2010. In March 2014 Cabinet updated the list of approved counterparties when it added to it a group of the larger Building Societies. No further changes to the list are proposed, see Appendix M.
- 2.31 Interest on balances generated from treasury management provides an important source of income for the Council. Whilst signs of economic growth suggest that current interest rates will increase in the short to medium term, when compared to historic levels, but remain low.
- 2.32 For the last three years the Borough has, with Actuary and External Audit approval, prepaid its Pension Fund contributions using a Net Present Value calculation to show a benefit, equivalent to a 3.05% return on that prepayment in its revenue account.
- 2.33 As a consequence the budget assumes that the Royal Borough will earn £192k on its investments in 2017.
- 2.34 In setting the budget options have been considered, see table 1.

3. KEY IMPLICATIONS

3.1 Table 2

Outcome	Unmet	Met	Exceeded	Significantly Exceeded	Date of delivery
Services delivered within approved budget	Budget overspend >£250,000	Budget variance +/- £250,000	Budget underspend >£250,000 <£500,000	Budget underspend >£500,000	31 March 2018

4. FINANCIAL DETAILS / VALUE FOR MONEY

4.1 The Borough's external auditors KPMG confirmed in their work on the 2015/16 accounts that the Council had "proper arrangements to secure economy, efficiency and effectiveness in its use of resources".

5. LEGAL IMPLICATIONS

- 5.1 The Local Government Act 2003 requires the Chief Financial Officer (Head of Finance) to report to Members as part of the budget setting process, on setting the level of council tax, the robustness of the budget presented and the adequacy of reserves. Appendix K sets out the main risks that may fall to be met from reserves and for which provision should be retained in the Council's account.
- 5.2 The budget has to be set in accordance with statutory requirements which include assurance from Strategic Directors that they have sufficient resource available to fulfil their various statutory obligations.

6. RISK MANAGEMENT

- 6.1 All measures proposed in the budget have been subject of a risk assessment in terms of deliverability and service impact. The assessment of General Fund Reserve includes an assessment of the financial impact of a range of economic and environmental factors, which may impact on the Councils budget. Some risks exist around Children's Safeguarding and Adult Social Care Budgets where demand is harder to predict.
- 6.2 The Business Rate Retention scheme has a risk/reward element built in. Whilst there are clear longer-term benefits for the Council from a growing local economy there are some risks associated with demolition of property prior to redevelopment and from local business failure (in terms of reduced Business rate revenue), which is now shared by the Local Authority.

Table 3: Risk

Risks	Uncontrolled Risk	Controls	Controlled Risk
Efficiencies not realised	Medium	Prudent level of reserves	Low

Service pressures greater	Medium	Close monitoring of expenditure	Low

BUDGET 2017/18

RECOMMENDATIONS

The Council is required, by law, to make some of its resolutions regarding the budget and the setting of Council Tax in a prescribed format. Due to their technical nature, a short explanation is included in italics under each part of the resolution. It is important to ensure that all the necessary areas are covered and Council is asked, therefore, to make resolutions in the form set out below:-

a) i) That the revenue estimates for 2017/18, which show the direct costs of the following service areas as set out in Appendix B & C, together with the approved estimates for 2016/17 be confirmed (or amended) for inclusion in the Budget Book: -

	Estimate	Estimate
SERVICE AREA	2016/17	2017/18
	£000	£000
Adult, Children and Health Services	56,807	56,376
Operations & Customer Services	17,962	16,230
Corporate & Community Services	6,883	6,149
Contribution to/ (from) Earmarked Reserve	1,133	2,255
Apprentice Levy		280
Estimated cost of pay inflation	500	500
Environment Agency	150	153
Capital Financing inc Interest Receipts	5,128	5,069
Other adjustments	2,115	2,415
	90,678	89,427

(Explanatory Note: These figures are the direct costs less income of each service area)

- ii) and that following approval of these estimates the Head of Finance be instructed to allocate overheads across all services, using appropriate methods of apportionment, in order that the estimates conform to the Best Value Accounting Code of Practice requirement to show full costs of services.
- b) That the schemes outlined in Appendix G be approved for inclusion in the Capital Programme recommended to Council for approval

(Explanatory Note: This approves the new schemes to be included in the Council's Capital Programme).

c) It be noted that on 15 December 2016 Cabinet calculated the Council Tax Base 2017/18;

- i)
 for the whole Council area as 66,709.64 [Item T in the formula in Section 31B(3) of the Local Government Finance Act 1992, as amended (the Act)]; and
- ii) for dwellings in those parts of its area to which a Parish precept relates as in the list below.

Services provided:

Commissioning for the delivery of a comprehensive range of services across Adults and Children's Services, including external residential and fostering placements and early help services.

Coordination of treatment and services for substance misusers across the borough, including both young people and adults. In addition, the team carries out prevention activities and campaigns within the community.

The concessionary fare scheme entitles residents in the Borough who are of eligible age and those with disabilities to free bus travel at certain times of day. This budget funds payments to the bus companies who provide this service. The Travel Assisted Payments Scheme offers those people with a disability a number of free transport journeys within the year.

Staff (full time equivalent):

Services provided:

Management of the Housing Strategy, and working with the Homes & Communities Agency (HCA), Housing Associations and Developers to develop new accommodation.

Assistance to vulnerable individuals and families with temporary accommodation needs. This may include assistance in finding accommodation and funding of temporary accommodation for eligible residents. An additional £400k has been included in the 2017/18 budget to meet an anticipated increase in meeting costs of funding temporary accommodation.

Housing related support services to vulnerable Borough residents from a wide range of care groups such as sheltered accommodation for older people. In 2017/18, budget for support services to the value of £700,000 transfers from housing related supports to the social care learning disability budget, to reflect the management responsibility for this service. The support services funded from this budget are unchanged.

Staff (full time equivalent):

Service Risks:

Increase in number of education providers in Ofsted categories.

Poor achievement for disadvantaged pupils continues to limit life chances for children and young people.

Unmet needs may lead to an increase in placement costs for alternative provision.

Failure to respond to critical incidents in schools.

Performance Indicators:

Proportion of schools judged to be Good or Outstanding by Ofsted.

Levels of attainment of disadvantaged pupils at each key stage.

Raising the level of attainment at post 16 for our young people.

Services provided:

School Place Planning - Ensuring that there are enough places for each pupil of school age living in RBWM who want a place at a state school.

Expenditure on the provision of Home to School Transport including setting the policy and assessing the eligibility of transport applications.

Children's Services Capital Programme - Managing the capital programme budget, preparing briefs for schemes and ensuring that delivery of projects takes place.

Licences and work place inspections relating to Child Employment and Entertainment

Staff (full time equivalent):

4.40

Service Risks:

Planning does not ensure that sufficient school places can be provided for the numbers of pupils needing a place.

The Home to School transport policy is not sufficiently robust and therefore costs escalate.

Volatility in demand for transport especially among additional needs pupils.

Contravention of legislation relating to home to school transport

Capital schemes are not delivered in a timely manner and value for money is not achieved; buildings and sites become unsafe; there are insufficient classrooms for the numbers of pupils in the borough.

Performance Indicators:

ADULT, CHILDREN & HEALTH SERVICES Actual Budget Budget DIRECTLY MANAGED COSTS

Forecasting processes predict the number of places required.

Statutory deadlines are met and processes followed for school admissions.

Pupils who request transport to school are fairly assessed for eligibility.

Schools are large enough to accommodate the appropriate number of pupils and capital budgets are spent effectively.

Licences are granted if compliant and appropriate, and locations are adequately vetted.

Services provided:

Intervention and early help support to prevent escalation to safeguarding and statutory work. Support is focused at pre-school, school and families with children and young people who are vulnerable with SEND, mental health and wellbeing concerns and/or issues with school attendance.

EPS service covers 0-19 years (up to 25 years with significant SEND) and includes statutory work for vulnerable children requiring assessments for education health and care plans. The service take the lead in supporting schools for critical incidents and children missing education.

In addition, Education Welfare provide support for families and schools to increase school attendance levels and reduce persistent absence levels.

Youth Counselling Service offer counselling for all children and young people who may be experiencing any difficulties. The service also offers counselling services to all local middle and secondary schools in RBWM including academies. All services have some income generation

School Nurses - Transferred from the Health Service in April 2016. Budget wholly funded from Public Health Grant.

Staff (full time equivalent):

24.84

Service Risks:

Poor achievement across all key stages and poor outcomes and life chances for children and young people.

Unmet needs may lead to an increase in expensive placements and higher costs. More children and young people unwell and requiring specialist services within social care and CAMHS.

Failure to respond to critical incidents in schools. More children missing educating leading to a higher risk of CSE.

Performance Indicators:

Closing the gap between 'pupil premium' young people and their peers and pupils with additional needs and non additional needs pupils.

Statutory assessment timelines.

Timely response to critical incidents. Number of pupils persistently absent from school, permanent and fixed term exclusions.

Reduced number referred to CAMHS.

Increased number of staff and pupils in schools with awareness of mental health issues.

The Children in Need, Children in Care and Family Centre teams provide medium to long term services to vulnerable children in need and those subject to child protection plans.

This Budget includes provision for the care costs of children in care and children leaving care, including payments to carers for children placed with RBWM's foster families and adopters and for children subject to Special Guardianship Orders and Residence Orders. Also includes the staffing costs of the family placement team responsible for arranging placements.

Child care lawyer service provided by Reading Borough Council on behalf of Berkshire Authorities. Safeguarding and specialist services provided via Family Friends in W & M Agreement.

Staff (full time equivalent):

53.50

Service Risks:

Children continuing to need safeguarding plans

Children allocated to a qualified social worker for children in care and children with a safeguarding plan. Drift and delay in complex court cases

Recruitment to permanent social worker positions and over reliance on agency staff.

Failure to meet statutory and regulatory requirements in relation to services for children in care.

Failure to deliver permanent fostering care plans in an effective manner resulting in delay for children achieving permanent placements.

Failure to recruit, assess and approve sufficient foster families would result in children being placed with Independent Fostering Providers, which are often not local, thereby causing disruption of relationships with family and friends, education and social activities.

Performance Indicators:

Child Protection plans lasting two years or more
Percentage of children becoming subject to a child protection plan for a second time
Timeliness of placement following adoption
Care leavers NEET/ suitable accommodation
Delivery against 26 week PLO target
Emotional health of children in care
Stability of placements for children in care
Number and length of placements

Adopt Berkshire is the shared adoption service for four Berkshire local authorities and hosted by RBWM. It deals with the recruitment, training and assessment of adopters and family finding and matching of children who need adoption.

The Berkshire Adoption Advisory Service is a Joint arrangement funded by 6 Berkshire Authorities offering advice and guidance to staff, management and servicing of joint adoption panels, management and support for post adoption direct and indirect contact, training, management and servicing of closed children in care records and adoption records and a Birth Relative Support Service.

From September 2017, the existing shared Adoption service and Joint Arrangement will be replaced by a new Regional Adoption Agency 'Adopt Thames Valley.' This comprises the 4 Adopt Berkshire LA's (RBWM, Wokingham, Bracknell and West Berkshire) plus Reading, Oxfordshire and Swindon and will be hosted by Oxfordshire County Council.

Staff (full time equivalent):

18.16

Service Risks:

Failure to provide this service could result in delay for children waiting for adoption, delay in approving adopters and failure to meet statutory and regulatory requirements. Failure to manage adoption panel effectively and increase number of panels in line with increasing business could result in delay for children waiting to be matched with adopters

Performance Indicators:

Adoption Scorecard i.e. placement of children within 4 months of decision, approval of adopters within 4 months of application. National Minimum Standards i.e. At least one adoption panel monthly. Timeliness of adoptive placements and approval of adopters within timescales.

The Mental Health Services comprise of the Community Mental Health Team (CMHT) and the Mental Health Team for Older People (MTOP). The teams are comprised of both Health and Social Care staff. They co-ordinate the assessment, support and care for people with mental health problems requiring Community-based Mental Health Care, using a range of assessment protocols. The teams are responsible for the provision of care that is in accordance with the statutory requirements of the Mental Health Act 2007. The teams provide assertive outreach and early intervention services; and host the Approved Mental Health Professionals (AMHP) service for the Borough. The employing organisations contribute to the cost of their staff with some shared costs for joint posts. The contracted services provided in this budget cover services such as day care, domiciliary care, residential care, Nursing Care, respite care and self directed support.

Provision of strategic HR and OD support and advice to the council. HR consultants and HR Business Partners lead on the councils strategies and policies for recruitment and retention, pay and reward, employee relations and employment policies and provide strategic and complex advice to service regarding employment, recruitment and pay issues. The Human Resources team offer a high quality, comprehensive and cost effective service across the employee life cycle including job evaluation, recruitment, contracts of employment, organisational development, performance matters and change management.

Ensuring staffing and structure are fit for purpose is paramount and HR give advice and support whether a manager is replacing leavers, creating and recruiting to new posts, setting stretch objectives linked to the service development plan or there is a need to reduce the overall total sickness absence. With change management, HR provide toolkits, support, advice and attendance where required for any restructuring exercises including those resulting in redundancies or TUPE.

The learning and development team undertake training needs analysis across the organisation and are responsible for the delivery of statutory and mandatory training for staff. They support the council's workforce and leadership development programmes and initiatives. The OD strategy links to the overall aims of the council and ensures it has the right number of people at the right time with the right qualifications. Through a workforce strategy, it helps to plan for future staff requirements, ensuring the skills required for the future are planned and considered at the earliest opportunity.

The council centralised its Learning and Development function under Human Resources in October 2015.

Following the centralisation of the function, a training needs analysis was undertaken across the council and training needs identified for 2016/17. The budget to meet the statutory and mandatory training arising from that analysis was transferred from the Directorates and placed under the new Learning and Development team, increasing the budget shown in 2017/18 to take into account the additional training the team are now responsible for.

Expenditure summarised above is mainly funded by Dedicated Schools Grant (DSG), with separate unringfenced allocations for schools, early years and high needs. The Schools block allocation is determined by the October 2016 pupil census, Early Years block funding will be initially determined by the January 2017 Early Years census and updated by January 18 early years pupils. High Needs funding is not based on pupil numbers but is linked to previous years' allocation. The DSG total reflects the RBWM estimated allocation after 'top slicing' of grant by the Education Funding Agency for academies, known as 'academy recoupment'. The amount recouped for academies is £46m and is determined by the amount those schools would have received through the school funding formula, if they had been maintained schools. The amount which the EFA recoup increases in year as schools convert to academy.

Staff (full time equivalent):

Service Risks:

Finalised DSG may be less than budgeted owing to variation between actual and estimated pupil numbers.

Under-/overspends against DSG may be carried forward into the following year's budget.

Income _	(1,102)	(638)	(562)
Net _	281	97	168

This budget represents the two Town Partnerships of Maidenhead and Windsor & Eton and are jointly funded by the Council and Partnership Board members. The Council administers the budget and provides resources to support the Town Managers. In addition, the Visitor Management and marketing functions of the authority are included within this service and provide for the delivery of the visitor management strategy in the Borough and the operation of the Royal Windsor Information Centre and Windsor Guild Hall lettings.

Staff (full time equivalent):

13.32

Service Risks:

Visitor management and marketing is a non statutory function of the council and, therefore, vulnerable during times of economic uncertainty. The service is well supported by the local visitor industry who make considerable financial contributions to the marketing activities. Income levels are affected during economic downturns as businesses tighten their budgets and place restrictions on marketing activity.

The purpose of the insurance function is to arrange the council's risk financing arrangements to provide protection from the financial implications of unexpected accidental events and negligent breaches of the council's statutory duties. These can affect staff and property and also arise from claims from individuals alleging council negligence has caused them injury, losses (including financial loss) or damage to their property.

The council acts as its own insurer and claims handler in most matters.

Risk management is a key element in the council's governance arrangements and control environment.

PRUDENTIAL INDICATORS 2015/16 TO 2018/19

The actual figures for 2015/16 and the estimates for 3 further years are shown below. These prudential indicators are prepared in accordance with the CIPFA Prudential Code for Capital Financing in Local Authorities

The figures set out below include this council's share of the old Berkshire County Council debt that is now managed by the Royal Borough.

	2015/16 Actual	2016/17 Estimate	2017/18 Estimate	2018/19 Estimate
Gross Capital Expenditure (£m)	£27.4m	£16.4m	£90.7m	£68.3m
Ratio of financing costs to net revenue stream - Non-loan financed	22.6%	10.7%	25.3%	11.3%
- Loan financed	7.0%	5.9%	6.4%	7.1%
Capital Financing Requirement (£m)	72.5	77.4	143.6	198.4

In respect of its external debt, the Council approves the following authorised limits for its external debt gross of investments for the next three financial years.

	2015/16	2016/17	2017/18	2018/19
Authorised limit for external debt (£m)	£95m	£102m	£180m	£210m

The Council also approves the following boundary for external debt for the same period.

	2015/16	2016/17	2017/18	2018/19
Operational boundary for external debt (£m)	£76m	£82m	£160m	£189m

The proposed operational boundary for external debt is based on the same estimates as the authorised limit but reflects the Head of Finance's estimate of the most likely, prudent but not worse case scenario, without the additional headroom included within the authorised limit to allow for example for unusual cash movements, and equates to the maximum of external debt projected by this estimate. It include both long and short term (i.e. less than 365 day) borrowing.

The estimate of the **incremental** impact of capital investment decisions proposed in this report, over and above capital investment decisions previously taken by the Council is:

	2015/16	2016/17	2017/18	2018/19
for the Band D Council Tax Payer	£26.30	£31.73	£59.65	£124.65

Some debt costs will be capitalised in 2017/18 & 2018/19 at a ratio of of 86% capital and 14% revenue. The impact on council tax will therefore be significantly lower than the above prudential indicator would suggest.

Interest Rate Exposure

It is recommended that the Council sets an upper limit on its fixed interest rate exposures for 2015/16 to 2018/19 of 90% of its outstanding principal sums (net of investments)

It is further recommended that the Council sets an upper limit of its variable rate exposures for 2015/16 to 2018/19 of 30% of its outstanding principal sums (net of investments)

This means that the Head of Finance will manage fixed rate interest rate exposures within the range 70% to 90% and variable interest rate exposures within the range 10% to 30%. This is a continuation of current practice
