SOCIAL ENTERPRISE - CLEAN CONSCIENCE

Andrew Green, Community Partnership Co-ordinator explained to the Panel that Clean Conscience was an established social enterprise that wanted to upscale their activity. They took unused toiletries and recycled them to sell for good causes. Part of their activities was to train disabled people and bring local companies in to carry out work as part of their social contribution. The Community Partnership Co-ordinator recommended that Clean Conscience be awarded £20,000 of Social Enterprise funding.

RESOLVED UNANIMOUSLY: That Clean Conscience be awarded £20,000 Social Enterprise funding and a suitable agreement be put in place to reflect the award.

The meeting, which began at 11.30 am, finished at 12.40 pm
