MEMBERS' GUIDE TO DECLARING INTERESTS IN MEETINGS

Disclosure at Meetings

If a Member has not disclosed an interest in their Register of Interests, they **must make** the declaration of interest at the beginning of the meeting, or as soon as they are aware that they have a DPI or Prejudicial Interest. If a Member has already disclosed the interest in their Register of Interests they are still required to disclose this in the meeting if it relates to the matter being discussed.

A member with a DPI or Prejudicial Interest **may make representations at the start of the item but must not take part in the discussion or vote at a meeting.** The speaking time allocated for Members to make representations is at the discretion of the Chairman of the meeting. In order to avoid any accusations of taking part in the discussion or vote, after speaking, Members should move away from the panel table to a public area or, if they wish, leave the room. If the interest declared has not been entered on to a Members' Register of Interests, they must notify the Monitoring Officer in writing within the next 28 days following the meeting.

Disclosable Pecuniary Interests (DPIs) (relating to the Member or their partner) include:

- Any employment, office, trade, profession or vocation carried on for profit or gain.
- Any payment or provision of any other financial benefit made in respect of any expenses occurred in carrying out member duties or election expenses.
- Any contract under which goods and services are to be provided/works to be executed which has not been fully discharged.
- Any beneficial interest in land within the area of the relevant authority.
- Any licence to occupy land in the area of the relevant authority for a month or longer.
- Any tenancy where the landlord is the relevant authority, and the tenant is a body in which the relevant person has a beneficial interest.
- Any beneficial interest in securities of a body where:
 - a) that body has a piece of business or land in the area of the relevant authority, and
 - b) either (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body **or** (ii) the total nominal value of the shares of any one class belonging to the relevant person exceeds one hundredth of the total issued share capital of that class.

Any Member who is unsure if their interest falls within any of the above legal definitions should seek advice from the Monitoring Officer in advance of the meeting.

A Member with a DPI should state in the meeting: ***'I declare a Disclosable Pecuniary Interest in item x because xxx. As soon as we come to that item, I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Or, if making representations on the item: ***'I declare a Disclosable Pecuniary Interest in item x because xxx. As soon as we come to that item, I will make representations, then I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Prejudicial Interests

Any interest which a reasonable, fair minded and informed member of the public would reasonably believe is so significant that it harms or impairs the Member's ability to judge the public interest in the item, i.e. a Member's decision making is influenced by their interest so that they are not able to impartially consider relevant issues.

A Member with a Prejudicial interest should state in the meeting: ***'I declare a Prejudicial Interest in item x because xxx. As soon as we come to that item, I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Or, if making representations in the item: ***'I declare a Prejudicial Interest in item x because xxx. As soon as we come to that item, I will make representations, then I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Any other connection or association which a member of the public may reasonably think may influence a Member when making a decision on council matters.

REPORT SUMMARY

1. This report deals with vacancies that have arisen or will shortly arise for Local Authority (LA) representatives on school governing bodies, of maintained or academy schools, within the Royal Borough, and of nominations that have been received, so that appointments/recommendations may be made.
2. These recommendations are being made in order that the LA may be represented on school governing bodies.
3. There are no financial implications for the Council.

1. DETAILS OF RECOMMENDATION(S)

RECOMMENDATION: That Cabinet Local Authority Governors Appointments Sub Committee notes the report and:

- i. **Appoint/reappoint or recommend for appointment/reappointment the most suitable applicants.**

2. REASON(S) FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

- 2.1 These recommendations are made in order that the Local Authority may be represented on school governing bodies.

Table 1: Options

Option	Comments
To select/recommend an appropriate applicant from those available.	If it is deemed that the skills and knowledge of the applicants meet the needs of the schools it will be an advantage to the governance resource of that school to endorse the application immediately.
Recommended option.	

Option	Comments
To defer some/all appointments/recommendations to a future meeting. Not recommended.	The DfE recommends that appointments should normally be made to fill vacancies within three months. Any deferral could delay this process.
To note the approach taken by each Academy in relation to the LA governor representative role. N/A for this report.	There is no requirement for Academies to have an LA governor representative. However, if they choose to do so, there can be no more than one LA governor representative on the Academy's governing body.

Applications received and Local Authority vacancies to-date

- 2.2 There are no Local Authority Governor vacancies where appointment is directly made by the LA Governors Appointments Sub Committee for consideration at this meeting.
- 2.3 There are two vacancies, see table 2. Where applicants have come forward, these positions can all be considered and recommendations made to the School Governing Body under the statutory guidance on School Governance (Constitution) (England) Regulations 2012 by the Cabinet LA Governors Appointments Sub Committee.

Table 2: Sub-committee recommendations

School	Ward	Name of Applicant	Number of Vacancies	Vacant From	Comment

Wraysbury Primary School	Horton and Wraysbury	Dr Ranjuna Dua	1	23 November 2017	Comments from School in Appendix A

Governors seeking re-appointment

- 2.4 When a Local Authority Governor is nearing the end of their term a letter is sent to the governor inviting them to apply for re-appointment for a further term of office. In accordance with the terms of reference, current post holders are not required to complete a further application form, see table 3.

Table 3: Sub-committee reappointment recommendations

School	Ward	Term Ends	Applicants	Comment
None				

2.5 If the Sub Committee appoint/recommend where candidates are available (three recommendations for appointments), the vacancy rate will be 0% of all LA governors; this equates to no vacancies out of a total of 39 positions over all schools.

2.6 Academies’ approach regarding the retention of LA appointed governors

There is no requirement for Academies to have a Local Authority governor representative. If they choose to do so, there can be no more than one LA governor representative on the Academy’s governing body as per Department for Education (DfE) guidance. When schools are considering converting to academy status governor services will contact schools prior to the academy order being issued to establish ongoing requirements regarding the LA governor position going forward as an academy member. The Sub Committee is therefore requested to note the approach taken by each Academy as detailed in table 4.

Academy	LA Governors Prior to Conversion to Academy Status	Academies’ Approach Regarding the Retention of LA Appointed Governors
None		

3. KEY IMPLICATIONS

Table 5: Key Implications

Outcome	Unmet	Met	Exceeded	Significantly Exceeded	Date of delivery
Appointment to vacant LA Governor positions	<100%	100%	n/a	n/a	30 January 2018

4. FINANCIAL DETAILS / VALUE FOR MONEY

4.1 There are no financial implications of this report.

5. LEGAL IMPLICATIONS

5.1 Local Authorities are entitled to representation on the Governing Bodies (GB) of maintained schools in accordance with the School Governance (Constitution) (England) Regulations 2012. LA’s are entitled to have only one LA governor on each Governing Body. A person may not be appointed as an LA governor if they are entitled to be a staff governor. The process as set out in Part 3 A, 2.17 of the Royal Borough Constitution, outlines the process for the appointment of school governors.

5.2 The School Governance (Constitution) (England) Regulations 2012 SI 2012/1034 regulations provide that for any GB:

- (i) constituted under an Instrument of Governance (IoG) that takes effect after 1 September 2012; or
- (ii) constituted under an IoG that took effect before 1 September 2012 who properly decide to vary that IoG post 1 September 2012

the Local Authority (LA) may only nominate a person to be appointed as a LA representative on that GB but that it would be the GB themselves who would decide whether the nominee meets the GB eligibility criteria i.e. the GB do not have to appoint the LA's appointed nominee.

N.B. the GB, as a public body, would be subject to the principles of public law i.e. any decision to reject a LA nominee would have to be reasonable and in accordance with any policy and eligibility criteria that they may have, which would also have to be reasonable.

5.3 In relation to Academies, there is no formal legal advice on the issue of LA governors, but there is informal guidance from the DfE. This states there is no obligation for the Academy to agree to include an LA governor in the governing body, but if they do so, then there can only be one and the LA can decide upon the specific identity of the LA governor.

5.4 In the first instance of an Academy being established, a trust/governing body will need to make sure that at any one time the number of LA associated persons is not greater than 20% of the total number of governors/members. If this is the case then those governors/members who are deemed to be LA associated persons will have to resign in order of their appointment date – the most recently appointed resigning first.

6. RISK MANAGEMENT

Table 6: Risks and Mitigation

Risks	Uncontrolled Risk	Controls	Controlled Risk
LA will not be represented on school governing bodies	Medium	Continuous advertising and promotion of vacancies plus monitoring of current LA governors' term of office end dates	Low

7. POTENTIAL IMPACTS

7.1 None.

8. CONSULTATION

- 8.1 Governing bodies are invited to comment on candidates' suitability for reappointment and to submit nominations to fill these and any casual vacancies that arise. Where a school has expressed a view, this is noted in the candidate's details as listed in the Part II appendix A.
- 8.2 Following the closing date for receipt of applications, those applicants who have not requested one particular school are matched to current vacancies, taking account of a variety of factors including any expressed requirements or preferences of both schools and candidates, and the proximity of a school to a candidate's home or business address. As far as possible, schools and applicants are then contacted to discuss options available and to ascertain that they have no objection to the recommendation proposed.
- 8.3 All Members will receive email notification when the Sub Committee agenda is published.

9. TIMETABLE FOR IMPLEMENTATION

Table 7: Timetable for Implementation

Date	Details
30 January 2018	On appointment or recommendation for appointment (subject to call-in) successful applicants and the relevant governing body are notified of the appointment in writing.
