### Disclosure at Meetings

If a Member has not disclosed an interest in their Register of Interests, they **must make** the declaration of interest at the beginning of the meeting, or as soon as they are aware that they have a DPI or Prejudicial Interest. If a Member has already disclosed the interest in their Register of Interests they are still required to disclose this in the meeting if it relates to the matter being discussed.

A member with a DPI or Prejudicial Interest **may make representations at the start of the item but must not take part in the discussion or vote at a meeting.** The speaking time allocated for Members to make representations is at the discretion of the Chairman of the meeting. In order to avoid any accusations of taking part in the discussion or vote, after speaking, Members should move away from the panel table to a public area or, if they wish, leave the room. If the interest declared has not been entered on to a Members' Register of Interests, they must notify the Monitoring Officer in writing within the next 28 days following the meeting.

### Disclosable Pecuniary Interests (DPIs) (relating to the Member or their partner) include:

- Any employment, office, trade, profession or vocation carried on for profit or gain.
- Any payment or provision of any other financial benefit made in respect of any expenses occurred in carrying out member duties or election expenses.

  - b) either (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body **or** (ii) the total nominal value of the shares of any one class belonging to the relevant person exceeds one hundredth of the total issued share capital of that class.

Any Member who is unsure if their interest falls within any of the above legal definitions should seek advice from the Monitoring Officer in advance of the meeting.

A Member with a DPI should state in the meeting: ***'I declare a Disclosable Pecuniary Interest in item x because xxx. As soon as we come to that item, I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Or, if making representations on the item: ***'I declare a Disclosable Pecuniary Interest in item x because xxx. As soon as we come to that item, I will make representations, then I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

### Prejudicial Interests

Any interest which a reasonable, fair minded and informed member of the public would reasonably believe is so significant that it harms or impairs the Member's ability to judge the public interest in the item, i.e. a Member's decision making is influenced by their interest so that they are not able to impartially consider relevant issues.

A Member with a Prejudicial interest should state in the meeting: ***'I declare a Prejudicial Interest in item x because xxx. As soon as we come to that item, I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Or, if making representations in the item: ***'I declare a Prejudicial Interest in item x because xxx. As soon as we come to that item, I will make representations, then I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

This is a brand new application for a premises licence, the premises itself has not held a premises licence before, and to the best of our knowledge has been an electrical retail outlet for many years. **C) It is considered that the following policies have a bearing upon the application.**

### **182 National Guidance April 2018**

The sub committee must have regard to the amended Secretary of States guidance issued in April 2018 under Section 182 of the Licensing Act 2003 and in particular Chapters 9 (Determining applications) and 10 (Conditions attached to Premises Licences). Particular regard should be had to paragraphs 9.31 – 9.41 (Hearings) and 9.42 – 9.44 (Determining actions that are appropriate for the promotion of the licensing objectives).

Also the following relevant sections

#### Crime and Disorder

2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing

authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.

2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in the licensed premises might include requiring a premises licence holder to undertake right to work check on all staff employed at the licensed premises or requiring that a copy of any documents checked as part of a right to work check are retained at the licensed premises.

#### Public nuisance

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.

2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.

2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

## Protection of Children from harm

2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly to alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered.

- A member or members of the current management have been convicted for serving alcohol to minors or with a reputation for allowing underage drinking (other than in the context of the exemption in the 2003 Act relating to 16 and 17 year olds consuming beer, wine and cider when accompanied by an adult during a table meal);

2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.

2.28 Please see also Chapter 10 for details about the Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010.

2.29 Licensing authorities should give considerable weight to representations about child protection matters. In addition to the responsible authority whose functions relate directly to child protection, the Director Public Health may also have access to relevant evidence to inform such representations. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the licensing authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 year old with alcohol-related illness or injuries) this evidence should be considered, and the licensing authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented on high levels of alcohol-related harms in persons aged under 18, it is recommended that the licensing authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.

Offences relating to the sale and supply of alcohol to children

2.32 Licensing authorities are expected to maintain close contact with the police, young offenders' teams and trading standards officers (who can carry out test purchases under section 154 of the 2003 Act) about the extent of unlawful sales and consumption of alcohol by minors and to be involved in the development of any strategies to control or prevent these unlawful activities and to pursue prosecutions. Licensing authorities, alongside the police, are prosecuting authorities for the purposes of these offences, except for the offences under section 147A (persistently selling alcohol to children). Where, as a matter of policy, warnings are given to retailers prior to any decision to prosecute in respect of an offence, it is important that each of the enforcement arms should be aware of the warnings each of them has given.

### **The following relevant section of RBWM Licensing Policy (2016 – 2021):-**

#### **9. Promoting the Prevention of Public Nuisance**

Where relevant representations are made, the Licensing Authority will have particular regard to the following issues in relation to the public nuisance objective:

- The disposal of waste, particularly glass
- The use and maintenance of plant, including air extraction and ventilation systems
- Litter in the vicinity of the premises
- Noise from deliveries / collections to and from the premises
- Measures to control behaviour and queues
- Whether door supervisors are able to stay at the entrance to encourage quiet departure
- The provision of Hackney Carriage / Private Hire services at the premises
- Signs on doors and on tables encouraging consideration to the neighbours

### **6. Key Strategies for 2016 – 2021**

#### **6.1 Framework Hours**

The current staggered closing times of licensed premises, that has developed since 2005 in the Royal Borough, has helped to reduce the problems associated with large numbers of people leaving premises at the same time and reduced congestion at taxi ranks and fast food outlets. However, the later opening hours have brought increased levels of crime, disorder and nuisance. Responsible Authorities, local residents and local Councillors have reported many issues, including noise, anti-social behaviour and litter, which are having an adverse impact on their quality of life. In particular, there has been an increase in violent crime in Windsor town centre between the hours of 00:00 and 04:00.

Having considered the evidence of alcohol related crime, disorder and anti-social behaviour, the number of late night premises and, in particular, the social, practical and regulatory impacts on the morning after the night before, the Licensing Authority

has adopted a Framework Hours Policy. This Framework Hours Policy will apply to new and variation applications.

The Framework Hours are: Premises Type:	Commencement Hour for Licensable Activities No earlier than :	Terminal Hour for Licensable Activities No later than:
• Off licence	• 09:00am	• 11:00pm
• Restaurant	• 09:00am	• 01:00am
• Pub/Bars/Night Clubs	• 10:00am	• 02:00am
• Takeaways	• n/a	• 02:00am

Have greater freedom to operate outside framework hours. Such venues are predominantly seated. Examples include:

- Theatres
- Cinemas
- Qualifying Clubs

For the purpose of this policy, premises shall be considered as a restaurant or café if the sale of alcohol is made only to seated customers who are also dining and where this is a condition of the licence, or a condition volunteered in the Operating Schedule for the premises. Where such conditions have not been offered, the premises will be treated as a public house.

Framework Hours are intended to guide applicants on the Licensing Authority's expectations when preparing their Operating Schedule. However, if no relevant representations are received, the application will be granted by the Licensing Authority under delegated powers.

Any conditions setting out hours of premises refers, unless otherwise stated, to the hours during which licensable activities may take place pursuant to the Premises Licence or Club premises Certificate. The Licensing Authority expects the premises to close thirty minutes after the terminal hour for the latest licensable activity.

#### 6.4 Wider Community Interest

The Licensing Authority considers that its licensing functions are exercised in the public interest, furthermore that the licensing authority is under a duty to take any steps with a view to the promotion of the licensing objectives in the interests of the wider community and not just those of the individual licence holder.

The Licensing Authority will have particular regard to those applications in close proximity to residential premises and the likely effect on the promotion of the licensing objectives in such circumstances. Subject to any relevant representations, the Licensing Authority will have particular regard to:

- The nature of the activities
- The character of the surrounding area

## **E) Observations.**

The Sub Committee is obliged to determine this application with a view to promoting the licensing objectives which are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance
- The protection of children from harm.

In making its decision, the Committee is also obliged to have regard to national guidance and the Council's own Licensing Policy. Of course, the Committee must have regard to all of the representations made and the evidence it hears.

The Committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- Grant the application as asked.
- Modify the conditions of the licence, by altering or omitting or adding to them.
- Reject the whole or part of the application.

Hi Katia

I am happy to accept the condition. I was speaking to you as the Licensing Authority as the guidance is clear in that you should not put items on licences that are covered by other legislation or are already law

Dear Sir

Ref. New Premises Licence

Costcutter 113-117 Springfield Road  
Windsor SL4 3PZ.

My main objection to this application  
is.

- 1 Opening hours 06.00 hrs - 23.00 hrs Mon-~~Fri~~<sup>Sun</sup>
- 2 This will mean more late night traffic
- 3 This area of Springfield Rd, has mostly elderly people, which the off licence will encourage late night noise from cars and young people drinking in the road.
- 4 More daytime traffic near a school and nursery

5 . More rubbish (i.e beer cans + bottles) which elderly residents will be left to pick up

I hope that the off licence will be rejected, and Costcutters food store will have to close at 8PM. not 11-PM

Yours faithfully

Dear Sir

Units at 109 Springfield Rd  
is a general store and an off  
licence open from Ten - 8pm.

There is an application  
in the empty shop next door to open  
another including off licence to close  
at 11pm.

This is really inappropriate  
in a residential area, why have a  
duplicate next to the established  
store and to sell drinks till 11 will  
encourage inappropriate behaviour in  
a built up area. There are other  
such shops within a short distance

Re. Postcutter 113-117 Springfield Road

Dear Sir,

I would like to object to this application. My main reasons are:—

1. Opening hours 06:00 hrs to 23:00 hrs Monday to Sunday.
2. Will bring noise to a residential area in the evening.
3. More traffic, day and night.
4. More rubbish left along the road and in gardens.
5. Rowdy behaviour, especially in the evening.
6. We already have a convenience store and do not need another one.

To Whom It May Concern:

I am writing to object to the proposed *Costcutter* store at 113-117 Springfield Road, Windsor SL4 3PZ. I do not believe this will bring a positive addition to the locality, and the proposed hours for the sale of alcohol will attract problems in the neighbourhood, and risk safety of the residents.

Springfield Road is the heart of this part of Windsor and we already have a perfectly adequate local shop for all the needs of the locals. Encouraging the very early and very late sale of alcohol may portray the wrong impression of this area. There is a real risk of the area being littered, requiring the council to clean up the area much more often, potential anti-social behaviour and could even have an impact on house prices. Research has shown that these longer licencing hours can create a violence and binge drinking – I do not want this happening on my door step.

I **strongly object** to the *Costcutter* store on Springfield Road.

Yours sincerely,

Alex McNeillie

**Ref: Proposed Off-License and supermarket at 113-117 Springfield Road, Windsor, SL4 3PZ**

Dear Sirs and Madame,

We are writing in connection with the above planning application. We have examined the plans and I know the site well. I wish to object strongly to the proposed Off-Licence and supermarket as this would cause the following issues.

1. **Crime and disorder** - The proposed opening hours of the off-Licence from 6.00 am to 11.00 pm shows Lack of awareness of the local residents and lack of responsibility to the community. With the potential increase in crime with the additional availability of Alcohol until late at night will also cause an interrupted sleep of local residents.
2. **The prevention of public nuisance** – The availability of alcohol to purchase for longer hours would potentially encourage youngsters to hang around on the benches nearby the area until late and misbehave in an anti-social behaviour.
3. **The protection of children from harm** – Increase in traffic due to delivery lorries, parking problems for residents and school would present a danger to the local children attending the local school.
4. **No Requirement** – There is no need for an additional shop with an alcohol Licence on a parade of just three commercial properties. It would rather be far more beneficial to provide the diversity of some other trade that local residents and nearby school can benefit.
5. **Notices for public awareness** – There has been no notice in the local newspapers given by the applicant for public awareness since the application was submitted. The notice of application for a Premises Licence was also deliberately delayed to be displayed approximately two weeks later after the application was submitted

Taking all the above facts into consideration, we strongly object the proposed Off-Licence and supermarket at 113-117 Springfield Road, Windsor, Berkshire SL4 3PZ. If this application is to be decided by councillors, please take this as notice that I would like to speak at the meeting of the committee at which this application is expected to be decided. Please let us know as soon as possible the date of the meeting.

Yours Faithfully,

Mr. Harbhajan Singh Baidwan

## LICENCE APPLICATION

Premises: Costcutler 113-117 SPRINGFIELD RD SL43 PZ

I wish to make objection to the granting of a licence to sell alcohol on the above premises from 06:00 - 23:00 hrs.

This is a residential area and we certainly do not want disturbance by people buying and drinking alcohol and disposing of the cans and bottles in our gardens.

I fail to understand why the Council has even considered allowing the setting up of a convenience store selling the same products as the one adjoining it and which has given us good service for 50 yrs or more.

IS IT FAIR ?

LICENSING

Thank you for speaking to me this morning as discussed I have written the objections to the application for Off-Licence for you to forward to Royal Borough Windsor and Maidenhead

licensing council along with other objection letters.

I am writing in connection to the Alcohol licence application no: 200140 for 113-117 Springfield Road, Windsor, SL4 3PZ.

To start with let me provide you a background to us;

1. As I mentioned to you, we have a shop that is next door to the proposed shop that has applied for the Alcohol licence.
2. We have been running this business for 15 years and over that period we built a close relationship with the local residents and have got to know them well and we have seen their young children grow up over the years.
3. We have gone out of our way to prevent crime and disorder and made sure we close the shop early so that neighbours are not disturbed late at night as the business is in residential area.
4. We know the children that come into the shop as we know the parents and make sure, they are not able to obtain alcohol and tobacco and are not loitering with the aim of obtaining the aforesaid.

To summarise the reasons why alcohol licence should not be allowed to the proposed applicant:

1. There is no requirement for another shop with an alcohol licence on a parade of just three commercial properties. It would be far more beneficial to provide diversity of another trade that the local residents and next-door school can benefit from.
2. The hours requested for the alcohol licence (from 6.00 am to 11.00 pm) clearly shows a lack of awareness of the local area and lack of responsibility for the neighbours' welfare.
3. There is school in very close proximity to the shops. It would not provide any benefit (in fact it would be to the detriment of the local area) to have another shop selling alcohol and tobacco and more energy drinks. This is an area where the local residents are concerned and we have worked hard to keep the local youngsters away from.
4. Due to the proposed early and late opening times the youngsters will be able to get late night alcohol and sit on the nearby benches disturbing the neighbours and leading to an increase in anti-social behaviour.
5. The increase in traffic due to delivery lorries will not only cause parking problems but would also present a hazard to local children as well as children from the nearby school.
6. The proposed business is a family run business, with very little staff to take care of residents' welfare.

Having discussed the matter with a number of local residents there is a clear worry about this new business hoping to trade alcohol for the reasons outlined. As a consequence, we strongly object to the granting of any licence.

I would be grateful, if the concerns of our customers and local residents are taken into consideration as regards to the proposed application for the alcohol licence. We believe every effort should be made to stop the granting of the licence and preserve the safety, and peacefulness of the local community.

Thank you

Regards

**Subject:** Application for a Premises Licence at the proposed Costcutter store at 113-117, Springfield Road, Windsor, SL4 3PZ.

Regarding the above captioned application, We notice that the application is for the 'supply of alcohol (OFF premises) from 06.00 to 23.00 Monday to Sunday.

We note that there is no mention of tobacco in this matter. Is tobacco not to be sold?

The purpose of this missive is to lodge our thoughts on this particular application, so as to ensure that the Licensing Team are fully appraised of the circumstances.

As per the Council website, we notice that there is a body called the Windsor & Maidenhead Local Safeguarding Children Board (LSCB). The Council also, apparently, takes into consideration the 'character' of the surrounding area, litter in the vicinity of the premises, and the 'crime/disorder nuisance potential'. Taking all these points, the first thing that springs to mind is the proximity of the premises to the back entrance to the local junior school.

We already have a convenience store in situ, next door to the subject premises at no. 109. They, no doubt, have their own premises certificate enabling the sale of excisable commodities such as alcohol and tobacco. Thus, do we need a second, somewhat larger 'convenience' store in direct competition next door?

Notwithstanding the distinct possibility of a price war between the two establishments, one can foresee a less than amicable relationship between the two!

It should also be noted that No. 109 has been targeted TWICE by burglars, just for the excisable commodities.

The character of the surrounding area is residential, involving both the 'private' and 'social' housing communities. This area has a steady 'traffic' of youngsters, both 'children' and 'young adults' moving through the Springfield Road/York Road area, en route to either the town centre or the 'skate park', just beyond the underpass. The Council will be well aware of the vandal element in our area, given the number of times the underpass wall is repainted!! Drinks, both canned and bottled are purchased locally( whether or not alcoholic) and, once consumed, the can/bottle is tossed into any adjacent front garden, into the road, etc. etc. If it is a glass container, potentially dangerous broken glass is scattered around, all too predictably. Litter is already a growing menace in this locality.

Just have a look regularly, at the cul-de-sac end of York Road! This application by Costcutter (through their agents) can only exacerbate this problem.

Given that this is a residential area, the proposed 'operating hours' will mean that there will be a certain amount of 'light pollution' adding to that emitted by the new style street lighting. Once the premises are fitted out, no doubt including white light L.E.D.'s and/or fluorescent lights, this will give a problem to residences opposite, some of which may well include children trying to sleep!

We trust that due consideration will be given to this epistle, when the merits-or otherwise- are considered by the Council.

We remain'

Yours Faithfully,

Dear RBWM licencing Department,

Wish to raise an objection to the licencing application ref 200140 for 113-117 Springfield Road, Windsor, SL4 3PZ.

My reasons are:

- 1, There is already a facility in Springfield road that provides a service to the local community.
- 2, Opening hours of 7am to 11pm will disturb many of the residence who are elderly.
- 3, Deliveries will only compound the existing traffic problems.

Please can acknowledge receipt of this e mail by return?

Kind regards,

Larry Quirke.

Dear Katia

I like Cllr. Bowden have been contacted by objectors regarding the application for a licence to sell alcohol from 113-117 Springfield Road. Apart from a stationer and a licensed convenience store the road and surrounding roads are exclusively quiet residential houses and bungalows.

The existing shop closes at 8.00pm so there is no disturbance or nuisance caused in the evenings. If a new establishment is granted permission to sell alcohol as off sales until 11.00pm it will create noise and potentially anti-social behaviour spilling out onto the neighbouring grass area right under resident's windows. It will change the nature of the area.

I strongly agree with Cllr. Bowden's request for this to come to panel unless officers have already decided to refuse the application.

Kind Regards

Dear Katia

Below is a letter received from the licensed premises - within 10 metres of the application in Springfield Road.

I received a telephone call from the objector who had been approached by a number of residents expressing their concern over the application.

The objector is self policing their own sales through knowledge of families and residents over a number of years.

The new applicant will be unable to do this.

I support her objection, and this application should go to the licensing panel. I am a member of this panel, but I will absent myself and speak on behalf of the applicant and the concerned residents.

## Petition from Springfield Road and surrounding area

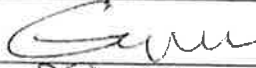

**Objection to the proposed off-licence and supermarket at 113-117 Springfield road, Windsor, SL4 3PZ**

We object to proposed off – licence and supermarket as this would cause the following issues:

1. **Crime and disorder** - The proposed opening hours of the off-Licence from 6.00 am to 11.00 pm shows lack of awareness of the local area and a lack of responsibility to the community. With the potential increase in crime with the additional availability of Alcohol until late.
2. **The prevention of public nuisance** - The availability of alcohol to purchase for longer hours would potentially encourage youngsters to hang around on the benches nearby the area until late and misbehave in an anti-social behaviour.
3. **The protection of children from harm** - Increase in traffic due to delivery Lorries, parking problems for residence and school would present a danger to the local children and the children attending local school.
4. **No Requirement** - There is no requirement for another shop with an alcohol licence on a parade of just three commercial properties, it would be far more beneficial to provide the diversity of another trade that locals residents and next door school can benefit from
