MEMBERS' GUIDE TO DECLARING INTERESTS IN MEETINGS

Disclosure at Meetings

If a Member has not disclosed an interest in their Register of Interests, they **must make** the declaration of interest at the beginning of the meeting, or as soon as they are aware that they have a DPI or Prejudicial Interest. If a Member has already disclosed the interest in their Register of Interests they are still required to disclose this in the meeting if it relates to the matter being discussed.

A member with a DPI or Prejudicial Interest **may make representations at the start of the item but must not take part in the discussion or vote at a meeting.** The speaking time allocated for Members to make representations is at the discretion of the Chairman of the meeting. In order to avoid any accusations of taking part in the discussion or vote, after speaking, Members should move away from the panel table to a public area or, if they wish, leave the room. If the interest declared has not been entered on to a Members' Register of Interests, they must notify the Monitoring Officer in writing within the next 28 days following the meeting.

Disclosable Pecuniary Interests (DPIs) (relating to the Member or their partner) include:

- Any employment, office, trade, profession or vocation carried on for profit or gain.
- Any payment or provision of any other financial benefit made in respect of any expenses occurred in carrying out member duties or election expenses.
- Any contract under which goods and services are to be provided/works to be executed which has not been fully discharged.
- Any beneficial interest in land within the area of the relevant authority.
- Any licence to occupy land in the area of the relevant authority for a month or longer.
- Any tenancy where the landlord is the relevant authority, and the tenant is a body in which the relevant person has a beneficial interest.
- Any beneficial interest in securities of a body where:
 - a) that body has a piece of business or land in the area of the relevant authority, and
 - b) either (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body **or** (ii) the total nominal value of the shares of any one class belonging to the relevant person exceeds one hundredth of the total issued share capital of that class.

Any Member who is unsure if their interest falls within any of the above legal definitions should seek advice from the Monitoring Officer in advance of the meeting.

A Member with a DPI should state in the meeting: ***'I declare a Disclosable Pecuniary Interest in item x because xxx. As soon as we come to that item, I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Or, if making representations on the item: ***'I declare a Disclosable Pecuniary Interest in item x because xxx. As soon as we come to that item, I will make representations, then I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Prejudicial Interests

Any interest which a reasonable, fair minded and informed member of the public would reasonably believe is so significant that it harms or impairs the Member's ability to judge the public interest in the item, i.e. a Member's decision making is influenced by their interest so that they are not able to impartially consider relevant issues.

A Member with a Prejudicial interest should state in the meeting: ***'I declare a Prejudicial Interest in item x because xxx. As soon as we come to that item, I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Or, if making representations in the item: ***'I declare a Prejudicial Interest in item x because xxx. As soon as we come to that item, I will make representations, then I will leave the room/ move to the public area for the entire duration of the discussion and not take part in the vote.'***

Personal interests

Any other connection or association which a member of the public may reasonably think may influence a Member when making a decision on council matters.

Members with a Personal Interest should state at the meeting: ***'I wish to declare a Personal Interest in item x because xxx'. As this is a Personal Interest only, I will take part in the discussion and vote on the matter.***

REPORT TO LICENSING PANEL SUB COMMITTEE

CONSIDERATION OF APPLICATION UNDER THE GAMBLING ACT 2005 – APPLICATION TO VARY A LICENSED PREMISES MACHINE PERMIT

LICENSING PANEL SUB COMMITTEE: 19TH November 2019

OFFICER REPORTING: Sarah Conquest – Licensing Officer

APPLICANT: J.D. Weatherspoon PLC

PREMISES: The Bear, 8-10 High Street, Maidenhead, SL6
1QJ

Licence Application

The application is for variation of an existing licensed premises gaming machine permit. The existing permit (copy attached) allows for 5 category C machines. A category machine is one which has a maximum stake of £1 and a maximum prize of £100.00. Members' policy is to delegate authority to officers to issue permits for up to 4 machines. For more than this, applications are referred to the Sub-Committee.

Steps to promote licensing objectives

Attached is a copy of the applicant's policy in relation to gaming machine permits.

Plan of the site.

There are no reported problems in relation to gambling at these premises.

THE ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

Statement of Principles Gambling Act 2005

The Licensing Objectives

In exercising most of their functions under the Gambling Act 2005, licensing authorities must have regard to the licensing objectives as set out in section 1 of the Act. The licensing objectives are:

- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being under support crime.
- Ensuring that gambling is conducted in a fair and open way.
- Protecting children and other vulnerable persons from being harmed or exploited by gambling.

It should be noted that the Gambling Commission has stated; "The requirement in relation to children is explicitly to protect them from being harmed or exploited by gambling".

2. (Alcohol) Licensed premises gaming machine permits – (Schedule 13 paragraph 4 (1))

Automatic entitlement: 2 machines

There is provision in the Act for premises licensed to sell alcohol for consumption on the premises to automatically have 2 gaming machines, of categories C and/or D. The premises merely need to notify the licensing authority.

The licensing authority can remove the automatic authorisation in respect of any particular premises if:

- Provision of the machines is not reasonably consistent with the pursuit of the licensing objectives;
- Gaming has taken place on the premises that breached a condition of Section 282 of the Gambling Act (i.e. that written notice has been provided to the licensing authority, that a fee has been provided and that any relevant code of practice issued by the Gambling Commission about the location and operation of the machines has been complied with);
- The premises are mainly used for gaming; or Approved by Full Council December 2015 Final Version 18
- An offence under the Gambling Act has been committed.

Permit: 3 or more machines.

If a premises wished to have more than 2 machines, then it needs to apply for a permit and the licensing authority must consider that application based upon the license objectives, any guidance issued by the Gambling Commission issued under Section 25 of Gambling Act 2005, and "*such matters as they think relevant*".

The licensing authority considers that "such matters" will be decided on a case by case basis but generally there will be regard to the need to protect children and vulnerable persons from

harm or being exploited by gambling and will expect the applicant to satisfy the authority that there will be sufficient measures that under 18 year olds do not have access to the adult only gaming machines. Measures which will satisfy the authority that there will be no access may include Staff training and supervision of the machines. Notices to be signage may also be helpful.

As regards the protection of vulnerable adults, applicants may wish to consider providing the telephone number of GamCare on the machines.

It is recognised that some alcohol licensed premises may apply for a premise licence for their non-alcohol licensed areas. Any such application would most likely need to be applied for, and dealt with as an Adult Gaming Centre premises licence.

It should be noted that the licensing authority can decide to grant the application with a smaller number of machines and/or different category of machines than that applied for. Conditions (other than these) cannot be attached.

Gambling Act 2005 Sect 25:- Guidance to local authorities.

Licensed Premises Gaming Machines **JD Wetherspoon Policy and Procedure Overview**

We understand when considering this application that the Licensing Authority will consider the 3 objectives of the Gambling Act 2005 and therefore have set out below the policies and procedures JD Wetherspoon undertakes in its pubs to promote this objectives. In addition the Gambling Commission's "Gaming Machine Permits Code of Practice" is complied with.

1. Protecting children and other vulnerable people from being harmed or exploited by gambling;

To ensure that no persons under the age of 18 are permitted to play on our gaming machines, we abide by a Challenge 21 policy in all of our premises. Under this policy, all of our employees are trained to ask any customer who appears to be under the age of 21 years to provide valid proof of age that they are over the age of 18. When in use, Door Supervisors are also fully briefed on our policy and what is expected of them in the implementation of the same.

J D Wetherspoon has adopted the industry standards and the recommendations of the Gambling Commission and recognises only the following forms of identification as valid forms of proof of age:

- National passport
- Photographic Drivers' Licence
- United Kingdom 'PASS' accredited age identification card with photograph.

In certain circumstances, other forms of ID are accepted at the discretion of the manager on duty such as international ID cards or military ID cards.

We apply this policy to all age restricted activities on our premises.

All employees receive induction training on our Challenge 21 policy when they commence employment with the Company and then receive regular refresher training. All employees complete video training, quizzes and sign a letter to confirm that they have had this training and understand their responsibilities. All training records are retained on personnel files and these files are regularly reviewed by the pub management team and members of our Retail Audit department to ensure that the training system is being satisfactorily completed.

Staff compliance with our Challenge 21 policy is tested by a number of means:

1. Management review of a 'refusals log' which records when and how often bar staff are recording when a sale has been refused.
2. Independent mystery visitors who are aged 18 and 19 years are sent into our pubs to test compliance with our Challenge 21 policy.

Our Challenge 21 policy is also actively promoted within the premises using self-adhesive signs at every entrance, staff wearing 'It's my job to ask' badges and posters throughout the premises.

All front of house staff are aware of their responsibility for preventing underage gambling.

All machines are situated in a place where their use can be supervised.

2. Preventing gambling from being a source of crime or disorder, being associated with crime or disorder, or being used to support crime; and

The power to all gaming machines is turned off after the pub has closed to ensure potential thieves are not attracted by the lights in the pub.

JD Wetherspoon pubs also have two types of alarm systems, the panic alarm and intruder alarm, which cover the majority of the pub including the customer area where gaming machines are located.

The monitored intruder alarm covers the main entry points when the pub is closed. It is mainly activated by a forced entry into the pub triggering the door contacts or motion detectors. This pub is internally described as having a 'level 1 response' to its alarm system, meaning police response. This is an automated system which feeds through to Secom central station, our alarm consultants, who notify the police and the registered key holders of the pub.

JD Wetherspoon prides itself on provide safe, well run premises for all people to enjoy themselves in. Over our estate of 780 pubs we spend considerable time and resources ensuring they are all well equipped with adequate and appropriate CCTV coverage.

3. Ensuring that gambling is conducted in a fair and open way.

All of our AWP machines are located in well supervised areas fully open to the public at large and are provided by reputable companies.
