MEMBERS' GUIDE TO DECLARING INTERESTS AT MEETINGS

Disclosure at Meetings

If a Member has not disclosed an interest in their Register of Interests, they **must make** the declaration of interest at the beginning of the meeting, or as soon as they are aware that they have a Disclosable Pecuniary Interest (DPI) or Other Registerable Interest. If a Member has already disclosed the interest in their Register of Interests they are still required to disclose this in the meeting if it relates to the matter being discussed.

Any Member with concerns about the nature of their interest should consult the Monitoring Officer in advance of the meeting.

Non-participation in case of Disclosable Pecuniary Interest (DPI)

Where a matter arises at a meeting which directly relates to one of your DPIs (summary below, further details set out in Table 1 of the Members' Code of Conduct) you must disclose the interest, **not participate in any discussion or vote on the matter and must not remain in the room** unless you have been granted a dispensation. If it is a 'sensitive interest' (as agreed in advance by the Monitoring Officer), you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted by the Monitoring Officer in limited circumstances, to enable you to participate and vote on a matter in which you have a DPI.

Where you have a DPI on a matter to be considered or is being considered by you as a Cabinet Member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

DPIs (relating to the Member or their partner) include:

- *Any employment, office, trade, profession or vocation carried on for profit or gain.*
- *Any payment or provision of any other financial benefit (other than from the council) made to the councillor during the previous 12-month period for expenses incurred by him/her in carrying out his/her duties as a councillor, or towards his/her election expenses*
- *Any contract under which goods and services are to be provided/works to be executed which has not been fully discharged.*
- *Any beneficial interest in land within the area of the council.*
- *Any licence to occupy land in the area of the council for a month or longer.*
- *Any tenancy where the landlord is the council, and the tenant is a body in which the relevant person has a beneficial interest in the securities of.*
- *Any beneficial interest in securities of a body where:*
 - a) *that body has a place of business or land in the area of the council, and*
 - b) *either (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body or (ii) the total nominal value of the shares of any one class belonging to the relevant person exceeds one hundredth of the total issued share capital of that class.*

Any Member who is unsure if their interest falls within any of the above legal definitions should seek advice from the Monitoring Officer in advance of the meeting.

Disclosure of Other Registerable Interests

Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (summary below and as set out in Table 2 of the Members Code of Conduct), you must disclose the interest. **You may speak on the matter only if members of the public are also allowed to speak at the meeting** but otherwise **must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation**. If it is a 'sensitive interest' (as agreed in advance by the Monitoring Officer), you do not have to disclose the nature of the interest.

Other Registerable Interests (relating to the Member or their partner):

You have an interest in any business of your authority where it relates to or is likely to affect:

- a) any body of which you are in general control or management and to which you are nominated or appointed by your authority*
- b) any body*
 - (i) exercising functions of a public nature*
 - (ii) directed to charitable purposes or*

one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union)

Disclosure of Non- Registerable Interests

Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a DPI) or a financial interest or well-being of a relative or close associate, you must disclose the interest. **You may speak on the matter only if members of the public are also allowed to speak at the meeting** but otherwise **must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation**. If it is a 'sensitive interest' (agreed in advance by the Monitoring Officer) you do not have to disclose the nature of the interest.

Where a matter arises at a meeting which **affects** –

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a friend, relative, close associate; or
- c. a body included in those you need to disclose under DPIs as set out in Table 1 of the Members' code of Conduct

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied.

Where a matter **affects** your financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise **must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation**. If it is a 'sensitive interest' (agreed in advance by the Monitoring Officer, you do not have to disclose the nature of the interest.

B) Relevant Representations Received

Where, as here, relevant representations have been made, the licensing authority must hold a hearing to consider them, unless agreed by the parties. The Licensing and Public Space Protection Order Sub-Committee can take steps as are appropriate for the promotion of the Licensing Objectives as relevant.

To be “relevant”, the representation has to relate to the likely effect of the grant of the licence on the promotion of at least one of the four licensing objectives which are set out in the Licensing Act 2003.

The four licensing objectives are;

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

In this case the representations received from the responsible authorities are as follows;

a. Environmental Health:	None
b. RBFRS:	None
c. Planning Officer:	None
d. Local Safeguarding Children's Board (LSCB)	None
e. Public Health:	None

Representations received from other persons are as follows;

- 2 Representations (**Appendix D**)

C) RBWM Licensing Policy

The sections of the RBWM Licensing Policy relevant to this application are;

6.1 Framework Hours

Having considered the evidence of alcohol related crime, disorder and anti-social behavior, the number of late-night premises and, in particular, the social, practical and regulatory impacts on the morning after the night before, the Licensing Authority has adopted a Framework Hours Policy. This Framework Hours Policy will apply to new and variation applications.

The Framework Hours are:

Premises Type	Commencement Hour for Licensable Activities No earlier than:	Terminal Hour for Licensable Activities No later than:
• Off licence	• 09.00	• 23.00
• Restaurant	• 09.00	• 01.00
• Pub/bar/night club	• 10.00	• 02.00
• Takeaway	• n/a	• 02.00

(As can be seen, the licensed hours applied for in this application do fall within RBWM framework hours for a premises.)

Framework Hours are intended to guide applicants on the Licensing Authority's expectations when preparing their Operating Schedule. However, if no relevant representations had been received, the application would have been granted by the Licensing Authority under delegated powers.

6.4 Wider Community Interest

The Licensing Authority considers that its licensing functions are exercised in the public interest, furthermore that the Licensing Authority is under a duty to take any steps with a view to the promotion of the licensing objectives in the interests of the wider community and not just those of the individual licence holder.

The Licensing Authority will have particular regard to those applications in close proximity to residential premises and the likely effect on the promotion of the licensing objectives in such circumstances. Subject to any relevant representations, the Licensing Authority will have particular regard to*:

- The nature of the activities
- The character of the surrounding area
- Measures for limitation of noise emissions from the premises. These may include as appropriate; noise limitation devices, sound insulation,

whether windows are to be opened, the insulation of acoustic lobbies and double glazing

- Measures to deal with queuing, where necessary
- Use of outdoor areas
- Measures to deal with dispersal of customers from the premises as necessary, including the employment of door supervisors, use of dedicated Hackney Carriage / Private Hire firms, notices in the premises requesting customers to respect neighbours
- Winding down periods, particularly in public houses and nightclubs etc. (*Note – not all of these will be relevant to this particular application)

7. Promoting the Prevention of Crime and Disorder

Where relevant representations are made, the Licensing Authority will have particular regard to the following issues* in relation to the crime and disorder objective:

- Measure to prevent bottles being carried from premises
- Use of drinks' promotions
- Measure to prevent binge drinking
- Participation in the Pub Watch Scheme
- Use of door supervisors
- Training staff in crime prevention measures
- Search procedures
- Use of close circuit television
- Lighting
- Where premises are new, designing out crime
- Quality of surveillance of premises

9. Promoting the Prevention of Public Nuisance

Where relevant representations are made, the Licensing Authority will have particular regard to the following issues* in relation to the public nuisance objective:

- The disposal of waste, particularly glass
- The use and maintenance of plant, including air extraction and ventilation systems
- Litter in the vicinity of the premises
- Noise from deliveries / collections to and from the premises
- Measures to control behaviour and queues
- Whether door supervisors are able to stay at the entrance to encourage quiet departure
- The provision of Hackney Carriage / Private Hire services at the premises
- Signs on doors and on tables encouraging consideration to the neighbours

10. Promoting the Prevention of Children from Harm

RBWM recognizes that the protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms directly associated with alcohol consumption but also wider harms such as exposure to strong language and the need to protect children from sexual exploitation.

All applicants need to demonstrate how children and young people will be safeguarded if attending the licenced premises, or how it will be ensured that they do not gain access to the premises if not appropriate. Where relevant representations are made in relation to the protection of children from harm the Licensing Authority may impose conditions restricting the access of children or excluding them altogether from licensed premises.

Proof of Age Cards

Where necessary and appropriate, a requirement for the production of proof of age cards before any sale of alcohol is made could be attached to any premises licence or club premises certificate for the protection of children from harm.

D) Revised Guidance issued under section 182 of the Licensing Act 2003

The sections of the Guidance relevant to this application are;

Licensing objectives and aims

1.2 The legislation provides a clear focus on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken.

1.3 The licensing objectives are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

1.4 Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times.

1.5 However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:

- protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises;
- providing a regulatory framework for alcohol which reflects the needs of local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area; and
- encouraging greater community involvement in licensing decisions and giving local residents the opportunity to have their say regarding licensing decisions that may affect them.

Crime and disorder

2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

Public nuisance

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.

2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.

2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.

2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in antisocial behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Protection of Children from harm

2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly to alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered.

2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.

2.27 Conditions, where they are appropriate, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, other conditions relating to the protection of children from harm can include:

- Restrictions on the hours when children may be present;
- Restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place;
- Restrictions on the parts of the premises to which children may have access;
- Requirements for an accompanying adult (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and
- Full exclusion of people under 18 from the premises when any licensable activities are taking place.

Hearings

9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- this Guidance;
- its own statement of licensing policy.

E) Conclusion / Summary

The Licensing Panel Sub Committee is obliged to determine this application with a view to promoting the four licensing objectives which are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance
- The protection of children from harm.

In making its decision, the Sub Committee is also obliged to have regard to national guidance and the Council's own Licensing Policy. Of course, the Committee must have regard to all of the representations made and the evidence that it hears.

The Sub-Committee must, having regard to the application and to the relevant representations, take such step or steps as it considers appropriate for the promotion of the licensing objectives. The steps are:

- (a) Reject the application;
- (b) Refuse to specify a person in the licence as the premise's supervisor;
(*Note – not all of these will be relevant to this particular application)
- (c) Grant the application but modify the activities and/or the hours and/or the conditions of the licence;
- (d) Grant the application.

Where conditions are attached to a licence then reasons for those conditions must be given.

In making their decision the Sub-Committee is reminded that they have a duty to behave impartially and that their decision must be based on the evidence that has been presented to them.

In their written decision the Sub-Committee should;

- Refer to every relevant representation and the supporting evidence provided
- State the extent to which it has taken account of RBWM Policy and national guidance
- When deciding in accordance with RBWM Policy and national guidance, explain why it has not considered a departure justified, if applicable
- When deciding contrary to RBWM Policy or national guidance, explain the basis and reason for the departure in all cases and the evidence that supported this decision
- When refusing an application in whole or in part, or modifying the activities and/or the hours and/or the conditions to a licence that is granted, state why it considered it appropriate to do so in order to promote one or more specified licencing objectives, and the evidence that supported this decision. Any such decision must be cogent and legally sound

- Use the legal adviser's help to draught its reasons and to assist in ensuring that the decision is legally robust, but the reasons must be the Sub-Committee's
- Ensure, as far as is reasonably possible, that their decision will be able to withstand scrutiny should any of the parties to this hearing appeal that decision the to the Magistrates Court

The Sub-Committee are reminded that any party to the hearing may appeal against the decision of the Sub-Committee to the Magistrates' Court within 21 days of the notification of the determination.

The Sub-Committee are asked to determine the application.

Financial implications: None directly but Members should be aware that any decision of the Sub-Committee may be appealed against in the Magistrates' Court and such an appeal may involve additional costs and possible costs against the Council.

Environmental/Sustainability Implications: Any authorisation under the Licensing Act 2003 may give rise to environmental implications both positive and negative depending upon the application and any measures proposed to take control adverse environmental factors.

Legal implications: As outlined in the report.

Equality Implications: None.

Risk Implications: None.

Community Safety Implications: As outlined in the report.

Sent: 07 April 2022 22:21

Dear Giuseppe

Thank you for your email of 11th March 2022 for a representation as a ward councillor. I do know this application is for plan B if the Marsh Meadow is not suitable for the event. I have no objection to the event being held at Marsh Meadow It has taken 10 years to get things right on the Marsh Meadow to host this event safely and without too many disruption to neighbours, business, and residents who live in the vicinity.

I have huge reservation having Rock the Moor on Long Lane, because the event generates a huge amount of traffic, 10.000 people bought tickets plus all those involved setting up the site for the event. Long Lane has no pavements, no street lights for many pedestrian to walk from the train station along Switchback Road. Thousand leaving the site after the events is finished the site is dark it is health and safety will be a real issue. I would like to know where the access will be?

It takes a whole week prior to event to set up stages etc, and huge vehicles adding to the already large amount of aggregate and flat beds that take up the two lanes when pulling out right into Switchback Road North. Then once the events finished it takes approximately 10 days of additional large vehicles traffic on an already busy junction.

The event will need more police presence due to all the commercial business there too which will be open on Saturday. The Pick Your Own is open in May and generates extra traffic on this already busy road on a Saturday.

I believe the currant location is well suited to the event and the RBWM close the B4447 at the Moor and High Street for a few hours at the end of the event, to allow safe access for the Rock the Moor attendees to leave. This works fairly well for Cookham Rise and Cookham Village still have main access routes open to them for instance the B4447 and A4094.

I have nothing against the event because it does support local charities and very well organised.

Kind Regards

Cllr Mandy Brar

Subject: Application for Licensed Premises for Rock the Moor festival on Long Lane - 21st May 2022

CAUTION: This email originated from outside the council. Do not click any links or open attachments in this email unless you recognise the sender and are sure that the content is safe.

Good evening,

I would like to register a concern on the above application made by COPAS farms for the Rock the Moor Festival.

My concern is in two areas:

1. Pedestrian safety – especially after drinking. We have lived in Cookham for a long time and it is well known that people leave from 9-11pm in darkness, many of which will have been celebrating all day and are not necessarily focused on their safety. Both Long Lane, but Switch back road are fast roads and only a few years ago a boy died on this road in day light. It is very un safe to have so many people walking between Maidenhead and Cookham in the dark on a fast and non lit road. It is also known that a lot of teenagers attend in groups and to be on unlit roads and footpaths also raises concerns, especially after recent attacks near Switchback road.
2. Noise until late – With open fields the noise will travel until late across far more houses in both ookham and Maidenhead being upsetting to so many COPAS farm animals/ pets and people. Far more than near the river which is less densely populated.

In summary I do not feel it would be safe for a licence to be granted in this location for an event that runs into darkness hours.

Many thanks
Claire Wright
