5	<p>A308 speed limit reduction: Monkey Island Lane to M4 motorway bridge</p> <p>This is a Cabinet report which is looking to amend the speed limit on the A308 between Monkey Island Lane and the M4 motorway bridge from the current 40 mph to 30 mph. This is in response to requests from local residents and members of the Bray parish council.</p> <p>The reduction is not supported by officers based on evidence gathered in the last two years using traffic count surveys. The speed at the 85th percentile is significantly below the current speed limit and whilst minor injury-related incidents have been recorded by the police, the current limit appears correct</p>	15 - 28

	<p>of a road of this nature.</p> <p>Furthermore, the police have issued a formal objection with the proposed changes likely to result in a high degree of non-compliance and as this road is part of a diversion route on the strategic road network does not believe that the proposed 30 mph limit to be acceptable.</p> <p>The report will be considered by Cabinet on 27th September 2023. The Place Overview and Scrutiny Panel are asked to consider the report, make comments on the proposal and agree a recommendation to be considered by Cabinet.</p>
