## MEMBERS' GUIDE TO DECLARING INTERESTS AT MEETINGS

### Disclosure at Meetings

If a Member has not disclosed an interest in their Register of Interests, they **must make** the declaration of interest at the beginning of the meeting, or as soon as they are aware that they have a Disclosable Pecuniary Interest (DPI) or Other Registerable Interest. If a Member has already disclosed the interest in their Register of Interests they are still required to disclose this in the meeting if it relates to the matter being discussed.

Any Member with concerns about the nature of their interest should consult the Monitoring Officer in advance of the meeting.

### Non-participation in case of Disclosable Pecuniary Interest (DPI)

Where a matter arises at a meeting which directly relates to one of your DPIs (summary below, further details set out in Table 1 of the Members' Code of Conduct) you must disclose the interest, **not participate in any discussion or vote on the matter and must not remain in the room** unless you have been granted a dispensation. If it is a 'sensitive interest' (as agreed in advance by the Monitoring Officer), you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted by the Monitoring Officer in limited circumstances, to enable you to participate and vote on a matter in which you have a DPI.

Where you have a DPI on a matter to be considered or is being considered by you as a Cabinet Member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

*DPIs (relating to the Member or their partner) include:*

- *Any employment, office, trade, profession or vocation carried on for profit or gain.*
- *Any payment or provision of any other financial benefit (other than from the council) made to the councillor during the previous 12-month period for expenses incurred by him/her in carrying out his/her duties as a councillor, or towards his/her election expenses*
- *Any contract under which goods and services are to be provided/works to be executed which has not been fully discharged.*
- *Any beneficial interest in land within the area of the council.*
- *Any licence to occupy land in the area of the council for a month or longer.*
- *Any tenancy where the landlord is the council, and the tenant is a body in which the relevant person has a beneficial interest in the securities of.*
- *Any beneficial interest in securities of a body where:*
  - a) *that body has a place of business or land in the area of the council, and*
  - b) *either (i) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body or (ii) the total nominal value of the shares of any one class belonging to the relevant person exceeds one hundredth of the total issued share capital of that class.*

Any Member who is unsure if their interest falls within any of the above legal definitions should seek advice from the Monitoring Officer in advance of the meeting.

### Disclosure of Other Registerable Interests

Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (summary below and as set out in Table 2 of the Members Code of Conduct), you must disclose the interest. **You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.** If it is a 'sensitive interest' (as agreed in advance by the Monitoring Officer), you do not have to disclose the nature of the interest.

### Other Registerable Interests:

- a) any unpaid directorships
  - b) any body of which you are a member or are in a position of general control or management and to which you are nominated or appointed by your authority
  - c) any body
    - (i) exercising functions of a public nature
    - (ii) directed to charitable purposes or
    - (iii) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union)
- of which you are a member or in a position of general control or management

### Disclosure of Non- Registerable Interests

Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a DPI) or a financial interest or well-being of a relative or close associate, or a body included under Other Registerable Interests in Table 2 you must disclose the interest. **You may speak on the matter only if members of the public are also allowed to speak at the meeting** but otherwise **must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation**. If it is a 'sensitive interest' (agreed in advance by the Monitoring Officer) you do not have to disclose the nature of the interest.

Where a matter arises at a meeting which **affects** –

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a friend, relative, close associate; or
- c. a financial interest or well-being of a body included under Other Registerable Interests as set out in Table 2 (as set out above and in the Members' code of Conduct)

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied.

Where a matter (referred to in the paragraph above) **affects** the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

**You may speak on the matter only if members of the public are also allowed to speak at the meeting** but otherwise **must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation**. If it is a 'sensitive interest' (agreed in advance by the Monitoring Officer), you do not have to disclose the nature of the interest.

### Other declarations

Members may wish to declare at the beginning of the meeting any other information they feel should be in the public domain in relation to an item on the agenda; such Member statements will be included in the minutes for transparency.

## **B) Relevant Representations Received**

Where, as here, relevant representations have been made, the licensing authority must hold a hearing to consider them, unless agreed by the parties. The Licensing and Public Space Protection Order Sub-Committee can take steps as are appropriate for the promotion of the Licensing Objectives as relevant.

To be “relevant”, the representation has to relate to the likely effect of the grant of the licence on the promotion of at least one of the four licensing objectives which are set out in the Licensing Act 2003.

The four licensing objectives are;

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

In this case the representations received from the responsible authorities are as follows;

a. Environmental Health:	None
b. RBFRS:	None
c. Planning Officer:	None
d. Thames Valley Police	None
e. Public Health:	None
f. Trading Standards:	None
g. RBWM Licensing:	None

### **Agreed Conditions – (Appendix C)**

Representations received from other persons are as follows;

- 6 Representations of objection received from other persons.

Redacted copies of the representations are at **(Appendix D)**

The applicant for the licence and the 6 persons who made representations were notified of this hearing in accordance with the statutory regulations.

All parties were required to notify the Licensing Authority, in advance, if they intended to attend the hearing and, if so, if they intended to be represented or call witnesses

### C) RBWM Licensing Policy

The RBWM Licensing Policy Statement 2021 - 26

The sections of the RBWM Licensing Policy relevant to this application are;

1.22 Framework Hours As in the 2021-26 Licensing Policy, having considered the evidence of alcohol related crime, disorder and anti-social behaviour, the number of late night premises and, in particular, the social, practical and regulatory impacts on the morning after the night before, the licensing authority has adopted a Framework Hours Policy. This Framework Hours Policy will apply to new and variation applications. The framework hours are:

The Framework Hours are:

Premises Type	Commencement Hour for Licensable Activities No earlier than:	Terminal Hour for Licensable Activities No later than:
• Off licence	• 09.00	• 23.00
• Restaurant	• 09.00	• 01.00
• Pub/bar/night club	• 10.00	• 02.00
• Takeaway	• n/a	• 02.00

(As can be seen, the licensed hours applied for in this application do not fall within RBWM framework hours for a premises.)

Framework Hours are intended to guide applicants on the Licensing Authority’s expectations when preparing their Operating Schedule. However, if no relevant representations had been received, the application would have been granted by the Licensing Authority under delegated powers.

### 6.9 Wider Community Interest

The Licensing Authority considers that its licensing functions are exercised in the public interest, furthermore that the Licensing Authority is under a duty to take any steps with a view to the promotion of the licensing objectives in the interests of the wider community and not just those of the individual licence holder.

The following will be taken into account by the licensing authority and responsible authorities where an application is made for a premises licence within close proximity to residential properties, and which may have an effect on the promotion of the licensing objectives:

- The nature of the activities
- The character of the surrounding area
- Measures for limitation of noise emissions from the premises. These may include as appropriate; noise limitation devices, sound insulation, whether windows are to be opened, the insulation of acoustic lobbies and double glazing
- Measures to deal with queuing, where necessary
- Use of outdoor areas
- Measures to deal with dispersal of customers from the premises as necessary, including the employment of door supervisors, use of dedicated Hackney Carriage / Private Hire firms, notices in the premises requesting customers to respect neighbours
- Winding down periods, particularly in public houses and nightclubs etc.  
(\*Note – not all of these will be relevant to this particular application)

## **7. Promoting the Prevention of Crime and Disorder**

Where appropriate, the licensing authority and responsible authorities may propose conditions relating to the following issues in relation to the Prevention of Crime and Disorder objective:

- Measure to prevent bottles being carried from premises
- Use of drinks' promotions
- Measure to prevent binge drinking
- Participation in the Pub Watch Scheme
- Use of door supervisors
- Training staff in crime prevention measures
- Search procedures
- Use of close circuit television
- Lighting
- Where premises are new, designing out crime
- Quality of surveillance of premise

## **8. Promoting Public Safety**

Where appropriate, the licensing authority and responsible authorities may propose conditions relating to the following issues in relation to the Public Safety objective:

- The use of shatterproof glasses
- The promotion of sensible drinking
- Measures taken to prevent drug spiking
- Drugs policies
- Safe capacities

## **9. Promoting the Prevention of Public Nuisance**

Where appropriate, the licensing authority and responsible authorities may propose conditions relating to the following issues in relation to the Prevention of Public Nuisance objective:

- The disposal of waste, particularly glass
- The use and maintenance of plant, including air extraction and ventilation systems
- Litter in the vicinity of the premises
- Noise from deliveries / collections to and from the premises
- Measures to control behaviour and queues
- Whether door supervisors are able to stay at the entrance to encourage quiet departure
- The provision of Hackney Carriage / Private Hire services at the premises
- Signs on doors and on tables encouraging consideration to the neighbours

## **10. Promoting the Prevention of Children from Harm**

The Royal Borough recognises that the protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms directly associated with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of certain films and adult entertainment).

The licensing authority will consider the need to protect children from sexual exploitation when undertaking licensing functions. Applicants are therefore expected to provide a robust Operating Schedule outlining how they will address the Prevention of Children from Harm objective.

The licensing authority encourages licence holders and operators of licenced premises:

- To ensure that they are fully aware of the signs of child sexual exploitation
- and to understand that the sexual exploitation of a child is sexual abuse
- and a criminal offence
- Proof of Age Cards
- To raise awareness of their staff about child sexual exploitation and
- provide intelligence to the appropriate authorities about concerns and
- about perpetrators who may be operating in their areas.

All applicants need to demonstrate how children and young people will be safeguarded if attending the licenced premises, or how it will be ensured that they do not gain access to the premises if not appropriate.

The licensing authority and other responsible authorities may propose conditions or restrictions in relation to the Protection of Children from Harm

objective. These may include;

- Limitations on the hours when children may be present
- Age limitations below 18
- Limitations or exclusions when certain activities are taking place
- Requirements for accompanying adults
- Full exclusion of people under 18 from the premises when any licensable activities are taking place
- The provision of a full range of non-alcoholic drinks

Where necessary and appropriate, a requirement for the production of proof of age cards before any sale of alcohol is made could be attached to any premises licence or club premises certificate for the protection of children from harm.

The sections of the Guidance relevant to this application are;

#### **Licensing objectives and aims**

1.2 The legislation provides a clear focus on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken.

1.3 The licensing objectives are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

1.4 Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times.

1.5 However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:

- protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises;

- providing a regulatory framework for alcohol which reflects the needs of local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area; and
- encouraging greater community involvement in licensing decisions and giving local residents the opportunity to have their say regarding licensing decisions that may affect them.

## **Crime and disorder**

2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

## **Public nuisance**

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.

2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.

2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.

2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in antisocial behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

### **Protection of Children from harm**

2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly to alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered.

2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.

2.27 Conditions, where they are appropriate, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, other conditions relating to the protection of children from harm can include:

- Restrictions on the hours when children may be present;
- Restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place;
- Restrictions on the parts of the premises to which children may have access;

- Requirements for an accompanying adult (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and
- Full exclusion of people under 18 from the premises when any licensable activities are taking place.

## Hearings

9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- this Guidance;
- its own statement of licensing policy.

## E) Conclusion / Summary

The Licensing Panel Sub Committee is obliged to determine this application with a view to promoting the four licensing objectives which are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance
- The protection of children from harm.

In making its decision, the Sub Committee is also obliged to have regard to national guidance and the Council's own Licensing Policy. Of course, the Committee must have regard to all of the representations made and the evidence that it hears.

The Sub-Committee must, having regard to the application and to the relevant representations, take such step or steps as it considers appropriate for the promotion of the licensing objectives. The steps are:

- (a) Reject the application;
- (b) Refuse to specify a person in the licence as the premise's supervisor;  
(\*Note – not all of these will be relevant to this particular application)
- (c) Grant the application but modify the activities and/or the hours and/or the conditions of the licence;
- (d) Grant the application.

Where conditions are attached to a licence then reasons for those conditions must be given.

In making their decision the Sub-Committee is reminded that they have a duty to behave impartially and that their decision must be based on the evidence that has been presented to them.

In their written decision the Sub-Committee should;

- Refer to every relevant representation and the supporting evidence provided
- State the extent to which it has taken account of RBWM Policy and national Guidance
- When deciding in accordance with RBWM Policy and national guidance, explain why it has not considered a departure justified, if applicable
- When deciding contrary to RBWM Policy or national guidance, explain the basis and reason for the departure in all cases and the evidence that supported this decision
- When refusing an application in whole or in part, or modifying the activities and/or the hours and/or the conditions to a licence that is granted, state why it considered it appropriate to do so in order to promote one or more specified licencing objectives, and the evidence that supported this decision. Any such decision must be cogent and legally sound
- Use the legal adviser's help to draught its reasons and to assist in ensuring that the decision is legally robust, but the reasons must be the Sub-Committee's
- Ensure, as far as is reasonably possible, that their decision will be able to withstand scrutiny should any of the parties to this hearing appeal that decision the to the Magistrates Court

The Sub-Committee are reminded that any party to the hearing may appeal against the decision of the Sub-Committee to the Magistrates' Court within 21 days of the notification of the determination.

**The Sub-Committee are asked to determine the application.**

**Financial implications:** None directly but Members should be aware that any decision of the Sub-Committee may be appealed against in the Magistrates' Court and such an appeal may involve additional costs and possible costs against the Council.

**Environmental/Sustainability Implications:** Any authorisation under the Licensing Act 2003 may give rise to environmental implications both positive and negative depending upon the application and any measures proposed to take control adverse environmental factors.

**Legal implications:** As outlined in the report.

**Equality Implications:** None.

**Risk Implications:** None.

**Community Safety Implications:** As outlined in the report.

## M

Describe the steps you intend to take to promote the four licensing objectives:

### a) General – all four licensing objectives (b, c, d, and e) (please read guidance note 10)

One Stop is a large national operator with a range of head office and local support. The company has devised policies, procedures, systems, and training to ensure that they sell alcohol in a responsible manner.

There is a detailed programme which ensures that comprehensive training is provided to employees having regard to their role and the responsibilities and such training is regularly reviewed, and records kept.

### b) The prevention of crime and disorder

We will install and maintain a digital CCTV system that covers the premises, including the main area which will be used for display of alcohol. Images will be retained for 28 days with date and time stamping.

All entry and exit points will be covered enabling frontal identification of every person entering in any light condition.

A member of the management team will be on the premises all the time the store is open. This colleague will have responsibility for the premises and will be the initial point of contact for any issues that may arise.

### c) Public safety

The premises licence holder is fully aware of its responsibilities under a range of health and safety related legislation and has policies and procedures in place to be confident of complying with the relevant obligations which arise.

### d) The prevention of public nuisance

The company has a "good neighbour" ethos which seeks to ensure that the premises plays an active part in the local community.

### e) The protection of children from harm

The premises will operate a Think 25 policy. The checkouts will be programmed to prompt the customer assistant when an alcohol product is scanned at the checkout to follow the Think 25 policy.

All colleagues will receive training in relation to the underlying law and policy, systems, and procedures. This training will be documented, and refresher training will be provided on a regular basis.

New Premises Licence application – One Stop, 4 Brockenhurst Road, Ascot, Berkshire, SL5 9DL

Thames Valley Police request the following conditions be placed on the premises licence alongside those already offered, to assist in the promotion of the four licensing objectives:

DPS or nominated person to be trained on how to work the CCTV system to the standard where the nominated person can download any potential evidence required by Thames Valley Police employees and Authorised persons as defined by Sections 13 & 69 Licensing Act 2003.

If the CCTV equipment fails, the Police and the Licensing Authority will be informed immediately by telephone and immediate steps will be taken to put the equipment back into working order.

If the applicant agrees to the above conditions there will be no police objections.

Dear Licensing,  
RE: 23/00090/CPI - FW: New Premises Licence Application - One Stop (Tesco's).

The applicant has stated the following under M e: The protection of children from harm;  
**e) The protection of children from harm** The premises will operate a Think 25 policy. The checkouts will be programmed to prompt the customer assistant when an alcohol product is scanned at the checkout to follow the Think 25 policy.

All colleagues will receive training in relation to the underlying law and policy, systems, and procedures. This training will be documented, and refresher training will be provided on a regular basis.

We would like to propose the following to add further context to the proposed conditions already put forward by the applicant – as follows;

1. A Challenge policy such as 'Challenge 25'/Think 25 policy to be adopted, where any person who looks under either 25 years of age should be asked to prove their age when attempting to purchase age restricted products such as alcohol with appropriate signage of the adopted challenge 25 policy to be displayed around the venue/event – and as already stated by the applicant all staff authorised to sell alcohol trained in the Challenge policy with appropriate training documented to reflect this.
2. Acceptable ID should include photographic identification documents; including passport, photo-card, driving license or proof of age card bearing the PASS hologram or any identification such as military ID or recognised national photographic identity cards from member countries of the European Union which are recognised or approved by either the Licensing/Responsible Authority or Thames Valley Police.
3. Staff should be aware of the possibility of Proxy sales of alcohol to also be included in any training and all staff to be trained in under age sale prevention.
4. A refusal book/log/electronic log should be kept at the premises to record all incidents of possible underage/proxy sales of alcohol (product/date/time/staff member/reason for refusal/possible description) and updated as and when required, and made available for inspection on request by either a Responsible Authority such as Licensing or Trading Standards or the Police.

Kind regards,

Dear Sirs,  
I object to the proposed late licence for One Stop  
4 Brockenhurst Rd Ascot SL5 9DL

This is completely unnecessary in our area, this as this is a residential area, the lorries that will be delivering will cause road even more blockages on what is already an extremely busy congested road. Tesco has late opening until 11pm on Ascot High Street, why do we need a shop opening until 12am, later than the pubs and the Tesco express which a 10 minute walk away from tin Ascot High Street, this is a residential area, the proposed sight lies opposite a green surround by houses, we already have people drinking on here, and during the races but with the temptation of late night convenient store with a late license, this will only be a magnet for gatherings, littering, and antisocial behaviour, do you honestly have enough police to patrol this area? and do we need licensed premises later than the pubs? Also, this will be the 6th/7th including the One stop shop in Sunninghill, that lies within a few miles/minutes drive of each other, do we really need another one?

Surely with the lack of affordable houses in the area, developing into accommodation would serve the community better, not another convenience shop.

Please register my objection to this licence application.

Regards  
Angela Andrianou

Comments: 13/06/2023 2:08 PM I am writing to object to the provision of late night refreshments 23.00-00.00 (indoors) between Sunday and Monday 6:00-00:00.

This is a residential area so the noise created by late opening hours would be unbearable for the surrounding neighbourhood.

The likelihood of people then gathering on the green which is outside the shop is extremely high. I live on Oliver road, directly on the green, so I am strongly opposing such late licensing hours.

Can't see why there is a need to "drink in". What does that mean?

I would welcome the current building to be occupied as it is a real eye sore, but oppose to anything being open past 22:00 hours.

Oliver road is a private unmade road, which the residents maintain. We already have traffic traveling down too fast (small children live here), so the frequency of use would increase, resulting in the deterioration of the road, not to mention the disturbance and potential danger to residents.

Result: Deliveries, parking, noise - all increase

Kind regards

Hello

We would like to submit our strong objection for the application for the alcohol license for the requested times until midnight daily, and specifically on the premises from 23:00 to 00:00 at the One Stop shop, Brockenhurst Road/Oliver Road, Ascot.

We live [REDACTED] from the proposed One Stop on the green on Oliver Road. During the summer months we consistently experience nuisance behaviour with people 'hanging out' on the green ALL NIGHT, and we foresee that having alcohol easily available until the hour of midnight will only exasperate the situation. As a small village, we do not need to encourage nuisance behaviour especially after the pub (The Swinley being the closest), by offering further alcohol for another hour onsite within One Stop.

We would also suggest that the opening of a shop on the corner of Brockenhurst Road/Oliver Road, and being the ONLY venue in the immediate area offering alcohol until such an hour, will encourage more traffic (especially if they are planning to have a delivery service via one of the apps such as Deliveroo), pollution, nuisance behaviour and additional littering. With the demise of appropriate policing of the area, we believe this is totally unjust and inappropriate on the neighbourhood.

Please note that we do not object to the One Stop shop itself, we will be happy to see the building be in use again however the application to license the premises until midnight daily and have onsite licensing for an hour every night is totally inappropriate and unnecessary for the local neighbourhood and environment.

Yours sincerely  
Miss Bressington

To the Royal Borough of Windsor

I'm writing to you because me and several other residents in the area are opposed to the new one stop you intend to open due to there being several big stores in the area as it is such as a Tesco, Sainsburys as well as a one stop and we are in more need of things such as youth clubs as well as care homes, and it's also going to lead to more young kids being later out than they need to and could increase substance intake in the community.

Dear Licensing Team,

Re licence application for OneStop 4 Brockenhurst Road.

As a local resident we welcome the facility in question to be occupied and provide a community shop.

The major issue with this license application is that the premises is asking to serve alcohol and serve food up until midnight Monday through Sunday.

This is a quiet community area, with many families in the vicinity of this location. The request to sell alcohol until midnight every day will be the only late night alcohol facility across the whole of Ascot.

I believe the sale of alcohol until 10pm is adequate and would be more suitable to the area.

I object in totality to the premises being open until midnight but would support the premises being open up until 10pm.

This small change to the license will reduce the potential of unwanted noise pollution and antisocial behaviour.

I urge the licensing team to view the location and make a calculated decision, as the area next to the proposed shop is a green area in the middle of house which are situated in all 4 sides of the small green.

Having a shop in this you are supporting the likeliness of unwanted gatherings of people, potential underage drinking, and anti-social behaviour.

Please take consideration of this representation.

I am not opposed to the facility, but I am opposed and against the license hours presented/proposed and feel they are unnecessary.

Kind Regards

Safina Dewan
