

Report Title:	<b>Financial Update</b>
Contains confidential or exempt information?	NO - Part I
Member reporting:	Councillor Saunders, Lead Member for Finance
Meeting and date:	27 April 2017
Responsible Officer(s):	Russell O'Keefe, Strategic Director of Corporate and Community Services, Rob Stubbs Head of Finance.
Wards affected:	All

## REPORT SUMMARY

1. This report sets out the Council's financial performance to date in 2016-17. In summary there is a projected £431,000 underspend on the General Fund, see Appendix A, which is a decrease of £97,000 from the March financial monitoring report. This is due to a net reduction in the underspend forecast in a number of service budgets, see section 4.
2. The Council remains in a strong financial position; with combined General Fund Reserves of £5,911,000 (6.59% of budget) in excess of the £5,270,000 (5.88% of budget) recommended minimum level set at Council in February 2016.

## 1. DETAILS OF RECOMMENDATION(S)

### RECOMMENDATION: That Cabinet:

- i) **Notes the Council's projected outturn position**
- ii) **Notes the transfers to provisions for bad debt and MMI details of which are contained in paragraphs 4.14 to 4.17**
- iii) **Approves the change to the 2017-18 and 2018-19 Registrar's fees details of which are contained in paragraphs 4.18 and 4.19.**

## 2. REASON(S) FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

2.1 As this is a monitoring report decisions are not normally necessary.

## 3. KEY IMPLICATIONS

3.1 There is a General Fund Reserve of £4,907,000 and a Development Fund balance of £1,004,000, see appendix B for a breakdown of the Development Fund. The combined reserves total £5,911,000. The 2016-17 budget report

recommended a minimal reserve level of £5,270,000 to cover known risks for 18 months.

**Table 1: Performance of general fund reserves**

<b>Outcome</b>	<b>Unmet</b>	<b>Met</b>	<b>Exceeded</b>	<b>Significantly Exceeded</b>	<b>Date of delivery</b>
General Fund Reserves Achieved	Below £5,000,000	£5,000,000 to £5,490,000	£5,490,000 to £6,000,000	Above £6,000,000	31 May 2017

#### **4. FINANCIAL DETAILS / VALUE FOR MONEY**

4.1. The **Strategic Director of Adults, Children & Health Services** reports a projected outturn figure for 2016-17 of £57,339,000 against a controllable net budget of £57,364,000, an underspend of £25,000. This represents a reduction of £6,000 to the underspend reported to Cabinet in March 2017. There are few significant changes to the variances report last month, as would be expected at this stage in the financial year. The main changes from the previous month's report are:

- £21,000 pressure in the commissioning budget for children in care placements. This arises from 2 new residential placements and one new foster placement in March.
- £22,000 saving from the concessionary fares budget as the reduced demand experienced over the year has continued to impact on the budget.
- £48,000 saving from an unexpected delay in the commencement of residential care placements for people with mental health problems.
- £30,000 saving in services for people with a learning disability following a reduction in the use of agency staff.
- £64,000 pressure in management and support costs arising from a range of budgets including legal support, and costs associated with preparations for the "delivering differently" initiatives.

4.2. Within the dedicated schools grant (DSG) budget variances have arisen that reduce the net pressure on this grant budget by £40,000. These include:

- £119,000 pressure following a detailed Spring Term review of £9,300,000 out of borough placement budget, and the cost of passenger assistance provided for home to school transport.
- £50,000 saving due to a vacancy in the virtual school provision, but provision continues through responsibility being shared.
- £30,000 saving in the Alternative Provision service, by purchasing at a lower cost.
- £70,000 reduction in the annual contribution into the sensory needs consortium, due to reducing costs.

- 4.3. There are no projected variances to report within the HR budget.
- 4.4. The **Strategic Director of Corporate and Community Services** is again able to project an outturn underspend of £64,000 on the 2016-17 controllable directorate budget of £4,389,000.
- 4.5. Minor adjustments have been made to individual service positions but these have negligible net impact.
- 4.6. The **Interim Strategic Director of Operations and Customer Services** reports a full year underspend projection of £337,000 on the net budget of £21,637,000. This represents a reduction of £91,000 on the underspend reported to Cabinet in March 2017.
- 4.7. Operational budget performance has again been maintained, with £74,000 business transition costs impacting the position.
- 4.8. These costs relate to the Resident and Library Service project, in the Maidenhead, Windsor & Ascot libraries, and cover additional resource and infrastructure costs.

#### **Revenue Budget Movement**

- 4.9. Revenue budget movements this month are in table 2, see Appendix C for an expanded full year Movement Statement.

**Table 2: Revenue Budget Movement**

<b>Service expenditure budget reported to February Cabinet</b>	<b>£83,338,000</b>
New enforcement post in Planning	£15,000
Central House costs as agreed by Cabinet Regeneration Sub Committee December 2016	£37,000
<b>Service expenditure budget this month</b>	<b>£83,390,000</b>

#### **Cash Balances Projection**

- 4.10. Appendix D provides details of the Borough's cash balance which is based on the assumptions contained in the 2017-18 budget report.
- 4.11. In addition to the investments in the 2017-18 capital programme, the projection considers other capital proposals likely to come forward for approval during the year.
- 4.12. The forecast debt line begins at £62,000,000. This includes £5,000,000 short term borrowing from 20th March 2017 to 20th April 2017, plus the existing £57,000,000 long term debt. The fall below £60,000,000 reflects the repayment of the £5,000,000 short term borrowing on the 20th April 2017.

#### **Bad Debt Provision**

- 4.13. The year end review of sundry debt requires an increase of £27,000 to be made to the bad debt provision. This brings the provision to £60,000 on debt of £859,000.

### **Provision for Mutual Municipal Insurance (MMI)**

- 4.14. On the 31st March 2012, the Supreme Court announced its judgement on the Employers Liability Trigger Litigation cases. It ruled that insurers incur liability at the time of exposure to asbestos fibre and not when the disease develops.
- 4.15. This had implications for MMI, a mutual which provided insurance cover for many local authorities until it ceased operating in 1992. The potential liability exceeded funds available within the MMI run off fund and liability transferred therefore, to those authorities that formed the mutual which included RBWM pre-unitary status and the former Berkshire County Council.
- 4.16. When the announcement was made a provision of £257,000 was made in the accounts to meet the Council's liability and this has now been used to cover costs of £271,567.
- 4.17. There is no sign of any reduction to our exposure and it is therefore recommended that a further provision of £256,000 is made along with £15,000 to cover the shortfall of the previous provision, making a total of £272,000.

### **Change to Registrars Fees**

- 4.18. One of the Registrars fees for 2017-18 requires a change from the figure in the budget papers approved by Council in February 2017.
- 4.19. The Borough sets wedding-related fees for two years at a time, to facilitate advance bookings. One of these, to hire the Maidenhead ceremony room on Mondays – Thursdays, requires correction.

Current rates – 17/18 - £200; 18/19 - £220

New rates – 17/18 - £220; 18/19 - £230

The 4.5% increase for 18/19 maintains our position relative to other boroughs, and is lower than last year's.

### **Capital Programme**

- 4.20. The approved 2016-17 capital estimate is £50,443,000, see table 3. The outturn for the financial year is £28,861,000, an increase on the capital outturn in 2015-16 of £27,421,000.
- 4.21. Variances identified in the capital programme have resulted in £1,486,000 of budget no longer required in 2016-17. The majority of these savings relate to the revision of the Housing capital programme.
- 4.22. Slippage of capital programmes to 2017-18 total £20,096,000 gross. Additional slippage of £3,820,000 is reported this month. This includes £1,505,000 for the Maidenhead Waterways project which is scheduled for completion in summer 2017.
- 4.23. Other non devolved slippage totals £887,000 which includes £110,000 of schools feasibility works. Expansion schemes that are programmed for works during summer 2017 include Charters, Cox Green, Dedworth Middle & Lowbrook schools at a value of £632,000. The remainder of slippage is for final payment of completed projects. These will be paid in early 2017/18.

- 4.24. £431,000 slippage for Additional parking for Windsor is currently under review as part of the wider Parking provision work. This is due to commence in 2017-18.
- 4.25. Local Transport Plan works will continue into 2017-18 including £132,000 of delayed roads resurfacing works and £242,000 for the Traffic signal review at Imperial/Clewer Hill Road junctions.
- 4.26. Previously reported slippage of £1,666,000 for the Street lighting LED upgrade has completed earlier than anticipated, resulting in lower overall slippage for this project.

Appendices E and F provide further detail. Table 4 shows the status of schemes in the capital programme.

## NOTES

- 1 When additional budget is approved, a funding source is agreed with the Lead Member of Finance. Transactions in column 1 have been funded from a usable reserve (Development Fund).
- 2 If additional budget is approved but no funding is specified, the transaction would, by default, be funded from the General Fund Reserve. Transactions in column 2 are funded by the General Fund.
- 3 A provision for future redundancy costs is created every year and this is used to fund additional budget in services for the costs of redundancy they incur during the year. Transactions in column 3 are redundancy costs funded by the provision for redundancy.
- 4 Transactions in column 4 are amounts approved in the annual budget which for various reasons need to be allocated to service budgets in-year. An example

would be the pay reward budget. Pay reward payments are not approved until June. The budget therefore has to be re-allocated.

Note 1 – Reduced Council Tax and Business Rates collections in February and March coupled with the commitment to pay out £16m of LEP funding in March 2017 and £4.5m for the purchase of the Tenpin Bowling Alley site in Maidenhead causes a decrease in cash balances towards the end of the financial year 2016/17. Contract payments to AFC and Optalis due at the beginning of April 2017 will also reduce cash balances and increase the need to borrow.

Note 2 – Capital expenditure is projected to increase steadily throughout 2017/18. The exact profile may vary and monitoring of schemes and cash balances will decide the rate at which our borrowing will increase to ensure that no unnecessary debt charges are incurred.
