- NOTES:**
- All dimensions are in millimeters (mm) except where stated.
 - All drawings are based on survey information provided by the client.
 - All dimensions and measurements should be checked on site.
 - These drawings are for the proposed roof plan only. They do not constitute a structural design or any other engineering or architectural work.
 - Any discrepancies to be reported direct to the Architect.

It is intended that all work will be carried out by a competent contractor working under the supervision of a qualified professional. The client is responsible for ensuring that the work is carried out in accordance with the relevant building regulations and other applicable legislation.
