

# BRIEFING NOTE

Royal Borough of Windsor and Maidenhead

Date: 30 June 2017

Name: Michael Griffiths

Incident/Event:

Time:	Details
17.00	<p>Following the events of Grenfell RBFRS is working with the National Fire Chief's Council (NFCC) to ensure that we audit all high rise properties and also provide reassurance to the residents of these buildings by either face to face visits or by delivering fire safety leaflets to those addresses where no response was had. Fire crews are visiting all addresses and we can confirm that we have visited the following in the Windsor and Maidenhead area so far:</p> <p>213 flats visited and leaflets delivered to along with 121 face to face conversations with residents.</p> <p>No cladding samples have been sent away for testing</p>
