NOTES

- 1 When additional budget is approved, a funding source is agreed with the Lead Member of Finance. Transactions in column 1 have been funded from a usable reserve (Development Fund).
- 2 If additional budget is approved but no funding is specified, the transaction would, by default, be funded from the General Fund Reserve. Transactions in column 2 are funded by the General Fund.
- 3 A provision for future redundancy costs is created every year and this is used to fund additional budget in services for the costs of redundancy they incur during the year. Transactions in column 3 are redundancy costs funded by the provision for redundancy.
- 4 Transactions in column 4 are amounts approved in the annual budget which for various reasons need to be allocated to service budgets in-year. An example would be the pay reward budget. Pay reward payments are not approved until June. The budget therefore has to be re-allocated.
