Report Summary

- 1. This report proposes a new four-year strategic plan for the Royal Borough. The plan sets out the Council's vision to make the Royal Borough a great place to live, work, play and do business. The four strategic priorities underpinning the vision are carried through from the Council's previous strategic plan because they remain relevant. The four strategic priorities, which our staff deliver against daily, are: Residents First, Value for Money, Delivering Together and Equipping Ourselves for the Future.
- 2. It is recommended that Cabinet approve the draft plan, attached at Appendix A, for and send it to full Council for their consideration on 15 December 2015.

1. DETAILS OF RECOMMENDATIONS

RECOMMENDATIONS: That Cabinet:

- i. Approve the draft Council Strategic Plan 2016-2020 and recommends it proceed to Council for their consideration on 15 December 2015.
- ii. Delegate authority to the Managing Director and Leader of the Council in consultation with the Principal Member for Policy to make alterations to the proposed plan ahead of its submission to Council.

2. REASON FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

- 2.1 A strategic plan ensures that the Council's residents, staff and partners are fully informed of the Councils strategic plans and priorities for the forthcoming period. The previous Council Strategic Plan expired in 2015.
- 2.2 The new Strategic Plan, attached at Appendix A, reflects back over the last few years as well as setting out the how the Council will continue to put residents first; secure value for money in all that it does; work with the wider public sector, the voluntary and private sector in the Borough to ensure that the Borough is equip for the future.
- 2.3 The Plan spans four years, but Full Council will review it annually to ensure the council has delivered as it planned, and that it remains current.
- 2.4 The vision and strategic priorities in the Strategic Plan is sued to set to operating prioritises of the individual Directorates and teams across the council as well as complementing the current administration's manifesto. In addition the Council annual budget is set against the backdrop of its Strategic Plan. inform the annual budget, a
- 2.5 The Strategic Plan 2016-20 has built upon the last Corporate Strategy 2010-2015. The strategic priorities remain the same because we believe they are important to our residents and therefore are at the heart of the council business. Over the last four years the Council has gained a track record in delivering against these priorities. As a consequence the Borough's residents have high expectations of the Council. Over the next four years the Council will continue to meet residents expectations through:
 - Put Residents First. Deliver real benefits to our communities by putting residents first not bureaucracy and red tape. Listen to our residents as they come first and keep on listening and act upon what they say. Whether it is maintaining a weekly bin collection, providing opportunities for an outstanding education or assisting older people to retain dignity and independence in old age, people will always be our focus not administrative convenience. During the last Corporate Plan period, 2010-15, resident satisfaction increased. 88% of residents reported being very or fairly satisfied with the Royal Borough as a place to live in 2014/15, compared to 85% in 2013 and 78% in both 2012 and 2011.

- Achieve Value for Money. Commit to achieving the best for residents whilst being good value for money. Take care with taxpayers' money, never forgetting whose money it really is. Continue to keep council tax to a minimum, but reinforce our promise to continually improve services through the use of technology, innovation, best practice and multi-skilling staff. During the last corporate plan period, 2010-2015 Council Tax was cut six times, savings of £41.5 million achieved. This was against a backdrop of a continuing reduction in Government funding.
- Deliver Together. Deliver together in partnership with residents, community groups, businesses and others across the public, voluntary and private sector.
- Equipping Ourselves for the Future. Through our continuous focus on transforming our services - stretching across all levels of the council. Improving partnership working, driving up customer satisfaction levels, ideally at a lower cost, and all for the benefit of residents and businesses in achieving their own aspirations.
- 2.6 Through adopting this Strategic Plan the Council will be committing to residents that things will continue to meet their need and improve the community in which they live work and play in. For instance:

Residents First

Residents will have more choice in education.

Residents will enjoy healthy lifestyles and be supported into old age.

Residents will enjoy vibrant town centres benefitting from Crossrail and other major infrastructure investments while retaining the unique character of our towns, villages and green belt countryside
