BUDGET 2018/19

RECOMMENDATIONS

The Council is required, by law, to make some of its resolutions regarding the budget and the setting of Council Tax in a prescribed format. Due to their technical nature, a short explanation is included in italics under each part of the resolution. It is important to ensure that all the necessary areas are covered and Council is asked, therefore, to make resolutions in the form set out below:-

a) i) That the revenue estimates for 2018/19, which show the direct costs of the following service areas as set out in Appendix B & C, together with the approved estimates for 2017/18 be confirmed (or amended) for inclusion in the Budget Book: -

SERVICE AREA	Estimate 2017/18 £000	Estimate 2018/19 £000

(Explanatory Note: These figures are the direct costs less income of each service area)

- and that following approval of these estimates the Head of Finance be instructed to allocate overheads across all services, using appropriate methods of apportionment, in order that the estimates conform to the Best Value Accounting Code of Practice requirement to show full costs of services.
- b) That the schemes outlined in Appendix J be approved for inclusion in the Capital Programme recommended to Council for approval

(Explanatory Note: This approves the new schemes to be included in the Council's Capital Programme).

c) It be noted that on 14 December 2017 Cabinet calculated the Council Tax Base 2018/19;

- i) for the whole Council area as 67,617.93 [Item T in the formula in Section 31B(3) of the Local Government Finance Act 1992, as amended (the Act)]; and

PRUDENTIAL INDICATORS 2016/17 TO 2019/20

The actual figures for 2016/17 and the estimates for 3 further years are shown below. These prudential indicators are prepared in accordance with the CIPFA Prudential Code for Capital Financing in Local Authorities

The figures set out below include this council's share of the old Berkshire County Council debt that is now managed by the Royal Borough.

	2016/17 Actual	2017/18 Estimate	2018/19 Estimate	2019/20 Estimate
Capital Expenditure (£m)	£28.9m	£49.8m	£77.3m	£80.1m
Ratio of financing costs to net revenue stream - Non-loan financed	14.5%	31.7%	0.0%	0.0%
- Loan financed	5.9%	6.6%	6.1%	8.4%
Capital Financing Requirement (£m)	86.4	105.8	180.4	256.0

In respect of its external debt, the Council approves the following authorised limits for its external debt gross of investments for the next three financial years.

	2016/17	2017/18	2018/19	2019/20
Authorised limit for external debt (£m)	£102m	£189m	£172m	£212m
The Council also approves the following boundary for	or external d	ebt for the s	same period	ł.

	2016/17	2017/18	2018/19	2019/20
Operational boundary for external debt (£m)	£82m	£169m	£151m	£190m

The proposed operational boundary for external debt is based on the same estimates as the authorised limit but reflects the Head of Finance's estimate of the most likely, prudent but not worse case scenario, without the additional headroom included within the authorised limit to allow for example for unusual cash movements, and equates to the maximum of external debt projected by this estimate. It include both long and short term (i.e. less than 365 day) borrowing.

Interest Rate Exposure

It is recommended that the Council sets an upper limit on its fixed interest rate exposures for 2016/17 to 2019/20 of 90% of its outstanding principal sums (net of investments) It is further recommended that the Council sets an upper limit of its variable rate exposures for 2016/17 to 2019/20 of 30% of its outstanding principal sums (net of investments) This means that the Head of Finance will manage fixed rate interest rate exposures within the range 70% to 90% and variable interest rate exposures within the range 10% to 30%. This is a continuation of current practice
