# **REPORT SUMMARY**

- 1. This report covers the proposed process for a revised Conservation Area Appraisal (the 'Appraisal') for Holyport.
- 2. It recommends that Cabinet authorises public consultation and following consultation, revised conservation area proposals (including boundary changes) are brought back to cabinet for approval. This recommendation is being made because local authorities have a duty under section 71(1) of the Planning (Listed buildings and Conservation Areas) Act 1990 (the 1990 Act) to formulate and publish proposals for the preservation and enhancement of any parts of their area which are within conservation areas and under s71(2) of the 1990 Act such proposals shall be submitted for consideration to a public meeting in the area which they relate. It is appropriate to consult publicly on the documents prior to formal adoption.
- 3. Boundary changes are being recommended because the National Planning Policy Framework (NPPF) (para 127) states, 'When considering the designation of conservation areas, local planning authorities should ensure that an area justifies such status because of its special architectural or historic interest, and that the concept of conservation is not devalued through the designation of areas that lack special interest.'
- 4.If adopted, there would be no foreseeable financial implications arising other

than those as set out below.

If recommendations are adopted, how will residents be	nefit?

Residents in the conservation area would be able to comment upon the appraisal prior to formal adoption and to engage with the Council during the consultation period on the issues set out in the appraisals.	to notice a difference March/April 2016
Residents and stakeholders comments will be reported back to Cabinet through overview and scrutiny to seek agreement to adopt the proposals.	May 2016
3. Ultimately residents would benefit from adoption of the proposals that would strengthen the powers of the conservation areas. This will benefit residents across the Borough as the appropriate protection of the historic environment will raise the overall quality of the places in which people live, work and play. ## 1. DETAILS OF RECOMMENDATIONS

## **RECOMMENDATION: That Cabinet:**

- (i) Notes the revised appraisal and agrees that that it should go out for public consultation
- (ii) Delegates authority to the Strategic Director of Corporate and Community Services to launch the consultation in conjunction with the Lead Member for Planning, and following consultation, to bring revised conservation area proposals (including boundary changes) back to Cabinet for approval.

# 2. REASON FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

2.1 It is a statutory duty of local planning authorities (LPAs) to formulate and publish proposals for the preservation and enhancement of parts of their area which are conservation areas. In so doing, and in line with the Government's desire to engage with local communities, it is appropriate to consult the public on the proposed revisions to the Holyport conservation area.

	environment which informs the quality
	and character of the place in which
	people live and work. The current
	policies would be dated and not reflect

	current thinking on conservation priorities. There is a legal requirement to notify the Secretary of State of the variation.
Consult on the appraisal, and following consultation, bring revised conservation area proposals (including boundary changes) back to Cabinet for approval.	This engages with the community and ensures proper consideration of the historic and architectural qualities and challenges of the area.  This is the recommended option.

## 3 KEY IMPLICATIONS

Defined Outcomes	Unmet	Met	Exceede d	Significantly Exceeded	Date they should be delivered by
Number of revised conservation area appraisals completed	<1	2	3	>3	1 May 2016

- 3.1 There is an existing conservation area appraisal for Holyport which was prepared in 1994. This is available on the Council website with a map of the conservation area boundary.
- 3.2 Section 69 (2) of the 1990 Act places a duty on local planning authorities to consider from time to time whether they should designate new conservation areas or extend existing ones. General guidance from Historic England is that appraisals should be reviewed every 5 years. Officers are seeking to ensure that all appraisals are updated. There is a target to do at least two revised appraisals per year. Two were done earlier this financial year for Inner Windsor and Clarence Road/Trinity Place.
- 3.3 The key changes from the existing appraisal to the revised appraisal on which consultation will be undertaken is that the information and assessment on the character and appearance of the area is updated; the objectives of the management plan have been updated and boundary changes are proposed as shown on the attached map at Appendix A.

#### 4. FINANCIAL DETAILS

# Financial impact on the budget

4.1 There is a requirement under section 70(8) of the 1990 Act that notice of any designation, variation or cancellation of a conservation area including information as to the particulars of its effect is placed in the London Gazette and at least one newspaper circulating in the area of the local planning authority which can be met from existing budgets.

4.2 There are no financial implications.

#### 5. LEGAL IMPLICATIONS

5.1 Under the 1990Act the Council has a duty to formulate and publish proposals for the preservation and enhancement of conservation areas. Such proposals are known as conservation area appraisals and, as a reasonable part of this process, it is expected that the Council will consult when the proposals are at a draft stage in line with the 'conservation principles. Polices and Guidance' as published by English Heritage 2008.

# 6. VALUE FOR MONEY

6.1 By producing informed documents that set out the special character and significance of places the Council is providing important guidance to those seeking to make changes as well as to inform residents, owners and businesses as to the value of these special places in the most economic, efficient and effective manner.

#### 7. SUSTAINABILITY IMPACT APPRAISAL

## 13. ANY OTHER IMPLICATIONS

13.1 There may be public enquiries relating to the consultation that will involve frontline staff. Conservation Areas are registered as a local land charge.

# 14. CONSULTATION

- 14.1 Draft appraisals have been shared with members of Bray Parish Council (Holyport Ward) and Borough ward councillors. Drafts have also been shared with team leaders in the Planning Policy team.
- 14.2 The public consultation will include large printed boards of information on the appraisals key findings and the management plan objectives being displayed in Maidenhead Library throughout the 6 week consultation period. Printed copies of the appraisals will also be available in Windsor and Maidenhead libraries. Response forms will also be available in the library and will be either deposited in a box or can be posted/ dropped off at Town Hall, Maidenhead.
- 14.3 The appraisals will also be available online at <a href="www.rbwm.gov.uk">www.rbwm.gov.uk</a> for members of the public and interested groups to read through. Online response forms will be available.
- 14.4 Response forms will ask about the:

- accuracy of the appraisal
- the information and assessment about the character and appearance of the area
- the objectives in the management plan; and
- proposed boundary changes.
- 14.5 The report will be considered by Planning and Housing Overview and Scrutiny Panel on 26 January 2016'
