REPORT SUMMARY

1. The purpose of this report is to provide the Schools Forum with the projected financial position for 2021/22 along with a summary of associated Risks & Opportunities; the projected reserve deficit balance as at 31 March 2022 and an understanding of the financial pressures faced in respect of the Dedicated Schools Grant. Details are set out in sections 2 and 3.
2. The Dedicated Schools Grant has a cumulative deficit position, therefore, it must work to mitigate this pressure including submitting a recovery plan to the Department for Education. The future action is set out in section 4.

1. DETAILS OF RECOMMENDATION

- 1.1 **RECOMMENDATION:** That Schools Forum notes the report including the reported variance, schedule of Risks & Opportunities and the projected deficit balance carried forward as at 31 March 2022.

2. REASONS FOR RECOMMENDATION AND OPTIONS CONSIDERED

2.1 FINANCIAL SUMMARY

- 2.1 The Indicative Settlement for the Royal Borough for 2021/22 (including Academy schools) based on the March 2021 budget notification is £133,912,000. The net retained funding of £69,061,000 consists of £37,513,000 of maintained schools delegated budgets and £31,548,000 central schools budget (including Early Years and High Needs). Delegated budgets are treated as spent as soon as they are delegated, In addition it is expected that there will be a net in-year budget change of £1,008,000 in respect of the Early Years block mainly relating to the receipt of deferred Education Skills Funding Agency funding 2020/21 £672,000 and in year High Need Block adjustment of £336,0000.

- 2.2 The central schools budget has a projected overspend of £1,755,000 for 2021/22. This high level reported adverse variance has remained constant

since the start of the financial year and is planned to be updated based on the new academic year as part of the period 08 November 2021 finance update.

2.3 The material forecast variances are as follows:

- High Needs Block £1,755,000 - increased costs relating to the provision of Independent Special schools and other associated direct support. This forecast is reflective of the activity in 2020/21 along with updates to reflect known changes and the indicative increased volume of Education Health Care Plans. A more informed position will be confirmed in the late autumn following the start of the new academic year when most pupils will be placed within the appropriate educational establishment. In addition to the recent increased demand for services for children and young people with Special Educational Needs and Disabilities, the COVID-19 pandemic has created additional challenges. These challenges could impact on the progress of some of our most vulnerable pupils. It is highly likely that there will be requests for pupils to repeat an academic year increasing the demand and pressure on this service area and sector.

2.4 The material forecast risks and opportunities are as follows:

- Further to the Cabinet Report, 24th June 2021, in respect of the Windsor expansion programme the latest forecast assumes the schools block growth fund of £679,000 will be fully utilised. Further updates with options will be explored over the coming months; following this review any variance on this budget will be incorporated as appropriate into the monitoring position.

2.5 The ESFA has advised that authorities with a carried forward deficit are no longer permitted to hold earmarked reserves. Programmes of activity previously supported would require a new bid to be recommended by the local authority and approved by Schools Forum. Therefore, the unused earmarked reserves as at 31st March 2021 of £134,000 have been released into the projected position.

2.6 Table 1 sets out the summarised financial position for 2021/22

3. FINANCIAL DETAILS / VALUE FOR MONEY

3.1 The projected net in-year overspend of £1,755,000 is an adverse movement on the dedicated schools grant general reserve which as at 31st March 2021 was a net deficit of £1,791,000. Incorporating the release of the unused earmarked reserve of £134,000 the revised projected deficit as at 31st March 2022 is £3,412,000.

- 3.2 The projected cumulative deficit for RBWM is 2.5% of the total budget allocation 2021/22.

4. FINANCIAL DETAILS / VALUE FOR MONEY

- 4.1 The financial implications are set out in sections 2 and 3. The overall impact is a projected carried forward deficit on the Dedicated Schools Grant as at 31 March 2022 of £3,412,000.
- 4.2 This is a national challenge, with many authorities reporting a projected carried forward deficit by 31 March 2022. Those with the most significant balances are entering into a “safety valve” agreement with the DfE where the authority undertakes to reach a positive in-year balance on its Dedicated Schools Grant. The authority undertakes to control and reduce the cumulative deficit in line with the financial plan as submitted and funding assumptions as agreed with the DfE.
- 4.3 Local authorities are required to carry forward overspends to their schools budget either in the immediately following year or the year after.

5. LEGAL IMPLICATIONS

- 5.1 There are no legal implications arising from this report.

6. RISK MANAGEMENT

- 6.1 There are no potential risks arising from this report, however, the requirement from the DfE is RBWM/AfC will agree a Deficit Management Plan to address the cumulative deficit position in the short to medium term.

7. POTENTIAL IMPACTS

- 7.1 Equalities. Equality Impact Assessments are published on the [council's website](#). The Equality Act 2010 places a statutory duty on the council to ensure that when considering any new or reviewed strategy, policy, plan, project, service or procedure the impacts on particular groups, including those within the workforce and customer/public groups, have been considered. It has been assessed that there are no Equality Impact risks arising from this report. Guidance notes

What is an EqlA and why do we need to do it?

The Equality Act 2010 places a 'General Duty' on all public bodies to have 'due regard' to:

- Eliminating discrimination, harassment and victimisation and any other conduct prohibited under the Act.
- Advancing equality of opportunity between those with 'protected characteristics' and those without them.
- Fostering good relations between those with 'protected characteristics' and those without them.

EqlAs are a systematic way of taking equal opportunities into consideration when making a decision, and should be conducted when there is a new or reviewed strategy, policy, plan, project, service or procedure in order to determine whether there will likely be a detrimental and/or disproportionate impact on particular groups, including those within the workforce and customer/public groups. All completed EqlA Screenings are required to be publicly available on the council's website once they have been signed off by the relevant Head of Service or Strategic/Policy/Operational Group or Project Sponsor.

What are the "protected characteristics" under the law?

The following are protected characteristics under the Equality Act 2010: age; disability (including physical, learning and mental health conditions); gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

What's the process for conducting an EqlA?

The process for conducting an EqlA is set out at the end of this document. In brief, a Screening Assessment should be conducted for every new or reviewed strategy, policy, plan, project, service or procedure and the outcome of the Screening Assessment will indicate whether a Full Assessment should be undertaken.

Openness and transparency

RBWM has a 'Specific Duty' to publish information about people affected by our policies and practices. Your completed assessment should be sent to the Strategy & Performance Team for publication to the RBWM website once it has been signed off by the relevant manager, and/or Strategic, Policy, or Operational Group. If your proposals are being made to Cabinet or any other Committee, please append a copy of your completed Screening or Full Assessment to your report.

Enforcement

Judicial review of an authority can be taken by any person, including the Equality and Human Rights Commission (EHRC) or a group of people, with an interest, in respect of alleged failure to comply with the general equality duty. Only the EHRC can enforce the specific duties. A failure to comply with the specific duties may however be used as evidence of a failure to comply with the general duty.

Stage 1 : Screening (Mandatory)

1.1 What is the overall aim of your proposed strategy/policy/project etc and what are its key objectives?

The overall aim of the report is to provide the Schools Forum with the projected financial position for 2021/22 along with a summary of associated Risks & Opportunities; the projected reserve deficit balance as at 31 March 2022 and an understanding of the financial pressures faced in respect of the Dedicated Schools Grant.

1.2 What evidence is available to suggest that your proposal could have an impact on people (including staff and customers) with protected characteristics? Consider each of the protected characteristics in turn and identify whether your proposal is Relevant or Not Relevant to that characteristic. If Relevant, please assess the level of impact as either High / Medium / Low and whether the impact is Positive (i.e. contributes to promoting equality or improving relations within an equality group) or Negative (i.e. could disadvantage them). Please document your evidence for each assessment you make, including a justification of why you may have identified the proposal as “Not Relevant”.
