1. SUMMARY

- 1.1** To reflect the amendments to condition 2 attached to planning permission 21/02367/FULL it is proposed to reword condition 3 attached to listed building application 21/02368/FULL to refer only to the first-floor extension. The materials for the single storey extensions have already been approved and the extensions have been constructed. Therefore, no further approval is required and reference to the single storey extensions can be deleted from the condition. The rewording, as set out below, has been agreed by the Conservation Officer and the applicant.

It is recommended the Committee grants listed building consent with the conditions listed in Section 12 of the main report with the amendment to condition 3 below.

2. CONDITION RECOMMENDED FOR INCLUSION IF PERMISSION IS GRANTED

- 2.1** Condition 3 to be reworded as follows:

Prior to the commencement of the first-floor extension a sample panel of brickwork approximately 1m x 1m showing the bricks, method of bonding, colour and mortar mix and jointing shall be prepared on site and approved in writing by the Local Planning Authority. The external surfaces of the building shall thereafter be finished in accordance with these approved details.

Reason: To protect the special interest of the listed building. Relevant policy LB2.
