To be "relevant", the representation has to relate to the likely effect of the grant of the licence on the promotion of at least one of the four licensing objectives which are set out in the Licensing Act 2003.

The four licensing objectives are;

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

All parties were required to notify the Licensing Authority, in advance, if they intended to attend the hearing and, if so, if they intended to be represented or call witnesses.

C) RBWM Licensing Policy

The RBWM Licensing Policy Statement 21 - 26

The sections of the RBWM Licensing Policy relevant to this application are;

1.22 Framework Hours As in the 2016-2021 Licensing Policy, having considered the evidence of alcohol related crime, disorder and anti-social behaviour, the number of late night premises and, in particular, the social, practical and regulatory impacts on the morning after the night before, the licensing authority has adopted a Framework Hours Policy. This Framework Hours Policy will apply to new and variation applications. The framework hours are:

The Framework Hours are:

Premises Type	Commencement Hour for Licensable Activities No earlier than:	Terminal Hour for Licensable Activities No later than:
• Off licence	• 09.00	• 23.00
• Restaurant	• 09.00	• 01.00
• Pub/bar/night club	• 10.00	• 02.00
• Takeaway	• n/a	• 02.00

(As can be seen, the licensed hours applied for in this application do not fall within RBWM framework hours for a premises.)

Framework Hours are intended to guide applicants on the Licensing Authority's expectations when preparing their Operating Schedule. However, if no relevant representations had been received, the application would have been granted by the Licensing Authority under delegated powers.

6.9 Wider Community Interest

The Licensing Authority considers that its licensing functions are exercised in the public interest, furthermore that the Licensing Authority is under a duty to take any steps with a view to the promotion of the licensing objectives in the interests of the wider community and not just those of the individual licence holder.

The following will be taken into account by the licensing authority and responsible authorities where an application is made for a premises licence within close proximity to residential properties, and which may have an effect on the promotion of the licensing objectives:

- The nature of the activities
- The character of the surrounding area
- Measures for limitation of noise emissions from the premises. These may include as appropriate; noise limitation devices, sound insulation, whether windows are to be opened, the insulation of acoustic lobbies and double glazing
- Measures to deal with queuing, where necessary
- Use of outdoor areas
- Measures to deal with dispersal of customers from the premises as necessary, including the employment of door supervisors, use of dedicated Hackney Carriage / Private Hire firms, notices in the premises requesting customers to respect neighbours
- Winding down periods, particularly in public houses and nightclubs etc.
(*Note – not all of these will be relevant to this particular application)

7. Promoting the Prevention of Crime and Disorder

Where appropriate, the licensing authority and responsible authorities may propose conditions relating to the following issues in relation to the Prevention of Crime and Disorder objective:

- Measure to prevent bottles being carried from premises
- Use of drinks' promotions
- Measure to prevent binge drinking
- Participation in the Pub Watch Scheme
- Use of door supervisors
- Training staff in crime prevention measures
- Search procedures
- Use of close circuit television
- Lighting
- Where premises are new, designing out crime
- Quality of surveillance of premises

8. Promoting Public Safety

Where appropriate, the licensing authority and responsible authorities may propose conditions relating to the following issues in relation to the Public Safety objective:

- The use of shatterproof glasses
- The promotion of sensible drinking
- Measures taken to prevent drug spiking
- Drugs policies
- Safe capacities

9. Promoting the Prevention of Public Nuisance

Where appropriate, the licensing authority and responsible authorities may propose conditions relating to the following issues in relation to the Prevention of Public Nuisance objective:

- The disposal of waste, particularly glass
- The use and maintenance of plant, including air extraction and ventilation systems
- Litter in the vicinity of the premises
- Noise from deliveries / collections to and from the premises
- Measures to control behaviour and queues
- Whether door supervisors are able to stay at the entrance to encourage quiet departure
- The provision of Hackney Carriage / Private Hire services at the premises
- Signs on doors and on tables encouraging consideration to the neighbours

10. Promoting the Prevention of Children from Harm

The Royal Borough recognises that the protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms directly associated with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of certain films and adult entertainment).

The licensing authority will consider the need to protect children from sexual exploitation when undertaking licensing functions. Applicants are therefore expected to provide a robust Operating Schedule outlining how they will address the Prevention of Children from Harm objective.

The licensing authority encourages licence holders and operators of licenced premises:

- To ensure that they are fully aware of the signs of child sexual exploitation
- and to understand that the sexual exploitation of a child is sexual abuse
- and a criminal offence
- Proof of Age Cards
- To raise awareness of their staff about child sexual exploitation and
- provide intelligence to the appropriate authorities about concerns and
- about perpetrators who may be operating in their areas.

All applicants need to demonstrate how children and young people will be safeguarded if attending the licenced premises, or how it will be ensured that they do not gain access to the premises if not appropriate.

The licensing authority and other responsible authorities may propose conditions or restrictions in relation to the Protection of Children from Harm objective. These may include;

- Limitations on the hours when children may be present
- Age limitations below 18
- Limitations or exclusions when certain activities are taking place
- Requirements for accompanying adults
- Full exclusion of people under 18 from the premises when any licensable activities are taking place
- The provision of a full range of non-alcoholic drinks

Where necessary and appropriate, a requirement for the production of proof of age cards before any sale of alcohol is made could be attached to any premises licence or club premises certificate for the protection of children from harm.

D) Revised Guidance issued under section 182 of the Licensing Act 2003

The full document is found at

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/705588/Revised_guidance_issued_under_section_182_of_the_Licensing_Act_2003_April_2018_.pdf

The sections of the Guidance relevant to this application are;

Licensing objectives and aims

1.2 The legislation provides a clear focus on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken.

1.3 The licensing objectives are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm.

1.4 Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times.

1.5 However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:

- protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises;
- providing a regulatory framework for alcohol which reflects the needs of local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area; and
- encouraging greater community involvement in licensing decisions and giving local residents the opportunity to have their say regarding licensing decisions that may affect them.

Crime and disorder

2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure

that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

Public nuisance

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.

2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.

2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.

2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in antisocial behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Protection of Children from harm

2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from

the harms associated directly to alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered.

2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.

2.27 Conditions, where they are appropriate, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, other conditions relating to the protection of children from harm can include:

- Restrictions on the hours when children may be present;
- Restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place;
- Restrictions on the parts of the premises to which children may have access;
- Requirements for an accompanying adult (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and
- Full exclusion of people under 18 from the premises when any licensable activities are taking place.

Hearings

9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- this Guidance;
- its own statement of licensing policy.

E) Conclusion / Summary

The Licensing Panel Sub Committee is obliged to determine this application with a view to promoting the four licensing objectives which are:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance
- The protection of children from harm.

In making its decision, the Sub Committee is also obliged to have regard to national guidance and the Council's own Licensing Policy. Of course, the Committee must have regard to all of the representations made and the evidence that it hears.

The Sub-Committee must, having regard to the application and to the relevant representations, take such step or steps as it considers appropriate for the promotion of the licensing objectives. The steps are:

- (a) Reject the application;
- (b) Refuse to specify a person in the licence as the premise's supervisor;
(*Note – not all of these will be relevant to this particular application)
- (c) Grant the application but modify the activities and/or the hours and/or the conditions of the licence;
- (d) Grant the application.

Where conditions are attached to a licence then reasons for those conditions must be given.

In making their decision the Sub-Committee is reminded that they have a duty to behave impartially and that their decision must be based on the evidence that has been presented to them.

In their written decision the Sub-Committee should;

- Refer to every relevant representation and the supporting evidence provided
- State the extent to which it has taken account of RBWM Policy and national Guidance
- When deciding in accordance with RBWM Policy and national guidance, explain why it has not considered a departure justified, if applicable
- When deciding contrary to RBWM Policy or national guidance, explain the basis and reason for the departure in all cases and the evidence that supported this decision

- When refusing an application in whole or in part, or modifying the activities and/or the hours and/or the conditions to a licence that is granted, state why it considered it appropriate to do so in order to promote one or more specified licencing objectives, and the evidence that supported this decision. Any such decision must be cogent and legally sound
- Use the legal adviser's help to draught its reasons and to assist in ensuring that the decision is legally robust, but the reasons must be the Sub-Committee's
- Ensure, as far as is reasonably possible, that their decision will be able to withstand scrutiny should any of the parties to this hearing appeal that decision the to the Magistrates Court

The Sub-Committee are reminded that any party to the hearing may appeal against the decision of the Sub-Committee to the Magistrates' Court within 21 days of the notification of the determination.

The Sub-Committee are asked to determine the application.

Financial implications: None directly but Members should be aware that any decision of the Sub-Committee may be appealed against in the Magistrates' Court and such an appeal may involve additional costs and possible costs against the Council.

Environmental/Sustainability Implications: Any authorisation under the Licensing Act 2003 may give rise to environmental implications both positive and negative depending upon the application and any measures proposed to take control adverse environmental factors.

Legal implications: As outlined in the report.

Equality Implications: None.

Risk Implications: None.

Community Safety Implications: As outlined in the report.

Dear Sirs

With regards to the above application I must strongly object to any extra hours/extension time for this bar.

As a resident of Bridgewater terrace and Castleview house with elderly residents, we cannot tolerate anymore disruption to our neighbourhood.

As you are fully aware this is history repeating itself and for the health and safety of residents enough is enough.

We have had an improvement with the nightclubs with the help of the NTE but still suffer anti social behaviour and major traffic problems in Bridgewater terrace right opposite Castleview House with cars turning and drop off/pick ups in the late and early hours of the morning.

On behalf of residents mental health please consider and take into consideration this is a residential area.

Dear Sir/Madam

Re: The Boom Boom Bar Ltd., 3 Goswell Hill, SL4 1RH - For a Variation of a Premises Licence under the Licensing Act 2003 - No Planning App No. Found

Apologies for my late response to this matter, but I do not understand why **all** residents living in close proximity to Goswell Hill, were not informed of this application by email or post following your validation of the application on 21st September 2022. I only just found out about it from a resident located in Bridgewater Terrace, and subsequently found it online. I understood that councils had a statutory requirement to advise residents who would be affected by your ultimate decision.

However, as a long time resident, in respect of the above matter I emphatically object to any continued relaxation of restrictions, or longer opening hours regarding this premises licensing hours.

Planners should be very well aware of the history regarding Goswell Hill Clubs & Bars, and how for more than a decade the decisions made in favour of the 'night time economy' have marginalised people (council tax payers) living in this location, and adversely impacted our lives and mental health. We have had some small respite due to Covid, and the efforts of the new NTE organisation, but it is a big worry that this application, and the ambiguous, and unidentified application concerning Arches 19-21 may be yet another blow for residents.

Suffice to say, this particular Conservation/National Trust area of Windsor, despite a token presence in the town centre, has been for some years completely devoid of any trained & effective police presence (PCSOs, Community Wardens etc are not equipped, or have any authority to deal with violence or dangerous behaviour). Consequently, it is no exaggeration to say we live in a completely lawless area. Especially in the early hours of the morning, when the clubs release heavily inebriated customers onto nearby streets (Goswell Road and Bridgewater Terrace), there is no chance of an immediate response when the element that are bent on ASB, crime, and drug use do so within a stones throw of residents' front doors, and doorsteps. Notwithstanding, the use of Bridgewater Terrace, and Lavender Green Car Park (immediately opposite Castlevue House) for vehicle drop offs and pick ups, all of which information should still be in your files.

Just to add grist to the mill, the residents referred to in this email are also subject to additional unconscionable noise pollution that has been allowed, by those in authority, to carry on

regardless for years, despite meetings with council members, the Highways Department, Police, and Community Wardens et al. Very difficult to understand why simple preventative measures afforded throughout other Windsor streets are not financially viable for Goswell Road.

I am hoping that my brief comments regarding the Boom Boom Bar situation will not be so unheeded.

Yours faithfully

Sally Shanly
