Meeting and Date:	27 July 2023
Responsible Officer(s):	Andrew Durrant, Executive Director of Place

REPORT SUMMARY

The purpose of this report is to formally consider the objections received to the proposed disposal of land (by grant of a lease) at Braywick Park, Maidenhead following the publication of an Open Space Notice placed in the Maidenhead Advertiser on 28 April and 5 May 2022. A plan of the land in question is at Appendix B.

1. DETAILS OF RECOMMENDATION(S)

RECOMMENDATION:

- i) **That Cabinet consider the objections received in relation to the proposed disposal (by the grant of a lease) of land at Braywick Park, Maidenhead (“the Open Space”) following the statutory notification of the Council’s intention to dispose of the Open Space and having regard to the objections, confirm whether it agrees to the disposal of the Open Space.**

2. REASON(S) FOR RECOMMENDATION(S) AND OPTIONS CONSIDERED

Options

Table 1: Options arising from this report

Option	Comments
A) To agree to the disposal of (by grant of a lease) land at Braywick Park, Maidenhead to provide for the relocation of Maidenhead Football Club (MUFC)	Following the publication of the Open Space Notice, the disposal of land is conditional on the grant of planning permission to relocate MUFC facilities to Braywick Park, the next stage would be for the club to submit a full planning application to be determined. If planning permission is not granted, the proposal for relocation will not go forward.
B) To not agree to the disposal of (by grant of a lease) of land at Braywick Park, Maidenhead	This option presents a number of social-economic impacts that Cabinet would need to consider. The key issue for the Council is to balance any adverse consequences of the

Option	Comments
	<p>loss of open space, having regard to the objections received, against the advantages of leasing the to MUFC.</p> <p>The Council received a total of 22 objections to the Open Space Notice and these concerns need to be carefully considered.</p> <p>The officer decision was also called in by Place O&S and several representations and concerns were raised.</p> <p>The land transfer has been valued at £460,000 financial benefit to RBWM and the Council would receive a capital receipt for this amount (subject to planning permission being granted) and Maidenhead United FC would have the opportunity to develop within a new facility and deliver the key objectives of their business plan.</p>

- 2.1 An Officer Decision Notice concluding the Open Space Notice process was published by Democratic Services in March 2023 (a copy of the Decision Notice is at Appendix C) and subsequently reviewed (following call in) by Place Overview and Scrutiny on 20 April 2023.
- 2.2 The Overview and Scrutiny Review went beyond the scope of the Open Space Notice Process that was the basis of the Officer Decision Notice, to question the valuation of the lease premium, the lease tenure period and status of the legal agreement. These matters are not pertinent to the Open Space Notice process.
- 2.3 The Place Overview & Scrutiny Panel referred the decision back to the Executive Director of Place to reconsider the decision (on the basis that the original Cabinet decision of December 2019 delegated authority to take forward the proposal regarding the lease and Open Space Notice to the Executive Director). The Council's constitution allows a decision which has been delegated to an officer to be passed back to the delegating body for decision. The Executive Director for Place has subsequently made the decision to pass the decision back to Cabinet following the referral of the decision (a copy of the Decision Notice is at Appendix D). Cabinet is therefore now being asked to consider the objections to the Open Space Notice and to consider whether it agrees to the disposal (by the grant of a lease) of the Open Space.

Background

- 2.4 Maidenhead United Football Club ("MUFC") approached the Council in October 2019 about the potential to relocate to the Northern part of Braywick Park.
- 2.5 The request was considered at Cabinet on 19th December 2019. Cabinet agreed the release of the land at Braywick Park and delegated authority to the Director of Place to draft the necessary legal agreements, Section 123 Report

on valuation, so that a further decision could take place at Cabinet. This decision was then subject to an Overview & Scrutiny working party in early 2020; they concluded their work in October 2020.

- 2.6 Following the above negotiation and review process, Cabinet reconsidered the request to relocate the Football Club to Braywick Park at the meeting held on 26 November 2020. Cabinet agreed to the relocation of the club, subject to the grant of planning consent. A premium of £460,000.00 as recommended in the Section 123 report was agreed (this being the capital receipt the Council would receive for the land) and authority was delegated to the Director of Place to complete the lease negotiation and to undertake the statutory procedure required under s.123(2A) of the Local Government Act 1972 in relation to the disposal of above of any land consisting or forming part of an open space.

3. KEY IMPLICATIONS

- 3.1 As detailed the disposal of the Open Space at Braywick Park, Maidenhead has been subject to a long and detailed decision-making process. For ease the history (in chronological format) is below in table 2:

4. FINANCIAL DETAILS / VALUE FOR MONEY

- 4.1 The council will receive in return for the sale of the land, subject to planning, a capital receipt of £460,000. This is currently not been identified in the 2023/24 Budget and 2024/25 MTFP. This will only be paid if planning permission is achieved.

5. LEGAL IMPLICATIONS

- 5.1 Under section 123(2A) of the Local Government Act 1972, where a Local Authority intends to dispose of land held as public open space, they must first advertise their intention to do so in a newspaper circulating in the area where the land is situated.
- 5.2 The Council must give full consideration to any objections received in

response to its notice of disposal.

- 5.3 The key issue for the Council is to balance any adverse consequences of the loss of open space, having regard to the objections received, against the advantages of leasing the land.

6. RISK MANAGEMENT

- 6.1 Throughout the wider process, officers have regularly taken key advice from the Legal Department to ensure any risk is mitigated. This includes valuation advice from external experts and legal advisors.
- 6.2 More specifically officers received advice in terms of the Open Spaces Notice to ensure compliance and due process was followed correctly, for which RBWM Legal Department have confirmed was executed correctly and in line with Legislation.

7. POTENTIAL IMPACTS

- 7.1 Equalities. An Equality Impact Assessment is available as Appendix A.
- 7.2 Climate change/sustainability. Any impact to climate and sustainability have been considered at the stage of reviewing the feedback following the Open Spaces Notice. Whilst some objectives do raise concern about the loss of open green space, there are existing sport facilities in situ and the full design and recommendations will be explored at length as part of a full planning application for which environmental impacts will be assessed.

8. CONSULTATION

- 8.1 As required by the statutory process the intention to dispose of the Open Space was advertised for two consecutive weeks in the Maidenhead Advertiser on 28 April 2022 and 5 May 2022. A copy of the Open Space Notice is at Appendix E.
- 8.2 22 objections in relation to the disposal of the Open Space were received. A copy of the objections together with responses to the objections are at Appendix F.
- 8.3 Following the closure of the Open Space Notice period, officers of the council come together to review objections received that related to specific areas such as Property, Sport & Leisure, Parks & Countryside and Infrastructure. This was used to provide initial comments on the objections so that the Director of Place could take an overarching view and consider the outcome of the notice.
- 8.4 Appendix F also includes a summary table of what themes the objections related to, the list of which alongside the number of responses are detailed below:

- Damaging to the physical and economic health of our community and to wildlife (x2)
- Environmental impact - football pitches are not considered to enhance biodiversity (x3)
- Goes against council's continued assurance that it will protect green space (x1)
- Football ground development can only be tolerated if Maidenhead Golf Club is not developed (x1)
- New developments in Maidenhead are apartments and flats with little/no private outdoor spaces (x5)
- Impact on air quality, animal diversity (x3)
- Net detrimental environmental impact through existing football ground being developed for housing (x3)
- Adverse impact on infrastructure building additional flats at current football stadium (x1)
- Land upheld as community use for all - new stadium will not be available for all (x3)
- Destruction of MUFC heritage (x4)
- There are no outline plans for new football stadium, so it is not possible to make any informed judgement (x3)
- More information is needed on public access to proposed football land (X1)
- More information is needed on flooding impact (X2)
- There is no evidence presented to explain need for a new ground (X1)
- Wait for outcome of public inquiry at Ray Mill Road East before deciding on the loss of further open space (X1)
- Plan contravenes inspector's evaluation of the BLP, which stated the site was to remain in the Green Belt (X1)
- The disposal is in contravention of the NPPF (X1)
- Disposal of this land could only be acceptable if a like-for-like site is provided within a similar distance ($\pm 10\%$) of the town centre (X1)
- What control will RBWM have on the design, use and accessibility of the site? (X1)
- No public discussion of this proposal (X1)
- Is there a need for the housing capacity justifying the release of the current football club land? Are we not entitled to a more transparent public debate on this? (X1)
- Conflict with Corporate Plan (X1)
- Conflict with BLP - Quality of Place policies (X1)
- Conflict with BLP - Infrastructure policies (X1)

8.5 Subsequently, an Officer Decision Notice (ODN) was published which can be found in appendix C. The decision at the time was to approve the disposal of land. However, this was 'called-in' and members of the Place Overview and Scrutiny panel made clear concerns of the impact caused by disposing of land and that the decision should be reviewed.

8.6 Given that the decision has been referred back to Cabinet, it is now for Cabinet to determine whether the land transfer should go ahead and balance the objections from the consultation against the potential benefits of the transfer.
