Name of Organisation:	Royal Berkshire Fire & Rescue Service	
No of Meetings Held:	No of meetings Attended:	
Please give a brief description of the purpose/aims of the Organisation:		
<p>Minimise the risk to life from fires and other emergencies. Minimise the social, economic and environmental impact of fires and emergencies.</p>		
Please give details of the key activities/achievements/outcomes during the year:		
<p>We have 5 Full Fire Authority meeting a year & there are 25 members. Each member represent one of the 5 Unitary Authorities we have in Berkshire. Members are also on a sub committee and I represent the Royal Borough on the Strategic Asset Management Committee. The panel members have their meetings all around Berkshire in the Fire Stations & our job is to make sure that the buildings and equipment are looked after and kept in good shape. The 4 members from our Borough have also been involved in getting Ascot Fire Station upgraded to a</p>		
Any other comments: (please continue on separate sheet as necessary)		
<p>All members of the Fire Authority are working to bring the Fire Authority Precept as low as possible for our residents.</p>		

Full time Fire Station open 24/7.

Name(s) of Representative(s):	Cllr Bicknell		
Name of Organisation:	RBfRS		
No of Meetings Held:		No of meetings Attended:	
Please give a brief description of the purpose/aims of the Organisation:			
Please give details of the key activities/achievements/outcomes during the year:			
<p>It has been a busy year with the new headquarters being opened by prince Edward. The precept has been marginally increased by 1 percent. We are currently in process to purchase two new fire engines. The training company is also about to become a cic (community interest company) and we look to the future being able to bring much needed revenue by way of expanded services and products to the fire service.</p>

Name(s) of Representative(s):	DAVID BURBAGE		
Name of Organisation:	Royal Berkshire Fire Authority		
No of Meetings Held:	14	No of meetings Attended:	12
Please give a brief description of the purpose/aims of the Organisation:			
This the combined Fire authority for the Royal County of Berkshire			
Please give details of the key activities/achievements/outcomes during the year:			
<p>Chairing the Budget Working Party, I managed to deliver the lowest precept increase at 1%, with the support of colleagues – this was the lowest precept increase in the country.</p> <p>This was achieved despite the combined FBU, fire officers, Labour and Liberal Democrat opposition to anything lower than 1.75% and proposals to the contrary of 1.99%!</p> <p>With my Governors seat on the South Central Ambulance Service, and as Champion for blue light integration, I've been supporting with other governor assistance the roll out of co-responding (fire crews deployed to nearby ambulance calls when ambulances are not available), to save more lives in Berkshire.</p> <p>This has been deployed in Hungerford and now with FBU support at Wokingham Fire Station (a full time station).</p> <p>Leading the way on keeping bills down, and in making the case in saving more lives, I am pleased to have served the Royal Borough on the Fire Authority.</p>			
Any other comments: (please continue on separate sheet as necessary)

ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD
ANNUAL REPORT – COUNCIL REPRESENTATIVE’S ON OUTSIDE BODIES
2015/16

Name(s) of Representative(s):	John Lenton		
Name of Organisation:	Royal County of Berkshire Fire and Rescue Service		
No of Meetings Held:	12	No of meetings Attended:	8 (3 missed due to change of previously agreed date; 1 due to eye operation)
Please give a brief description of the purpose/aims of the Organisation:			
<p>Fire and Rescue Service within Berkshire.</p> <p><i>As I am no longer a member of the Fire Authority I no longer have access to up to date data</i></p> <p>A large part of the work is fire prevention resulting from advice on building design and the increasing number for home fire alarms installed.</p> <p>Fire casualties are about 50% of the figure 10 years ago.</p>			
Please give details of the key activities/achievements/outcomes during the year:			
<p>Results for Q 1 to 3 as Q4 not available to me. Fire fatalities high at 5. 4 involved high risk residents. 14 Fire Casualties which is continuing downward trend. Fire casualties are about 50% of level 10 years ago. Road deaths running at about 20 a year. Berkshire 999 calls running at about 6,400 p.a.</p> <p>As a result of the intervention by the then 4 RBWM members of the Fire Authority the 2016/7 increase in the precept was kept down to 1%.</p> <p>Targets for 1st front line appliance arriving within 8 minutes of a fire call with the second arriving in about 10 minutes are 70% but actual figures for 2015/6 were not available due to computer database failure. Attendance within 10 and 12 minutes respectively was 64% against a target of 86%</p> <p>For road traffic accidents requiring extrication of casualties the 11 minute target was achieved 76% against a target of 93%</p>			
Any other comments: (please continue on separate sheet as necessary)			
<p>The Authority is progressing towards integration with other blue light service, in particular the ambulance service and new fire stations are being designed to incorporate integration. New Fire Stations will usually follow the Windsor pattern of single appliance stations as satellites to major stations. This reflects reductions in fire incidents</p>

Report on South East Employers from Adam Smith

South East Employers (SEE) is a self-help network of Local Authorities which advises on employment matters. It is well-regarded by RBWM council officers because it keeps us better-informed than we could manage on our own, and it is worth subscribing for this. It circulates a periodical bulletin, SEEus.

Matters on which it has advised in the past municipal year include adoption of the National Living Wage (£8.25 outside London); negotiations with trade unions (in particular, dealing with inconsistencies in the pay and grading structures); political mentoring and other support for councillors; training; and teachers' pay and conditions. Its last AGM was 16 July 2015.

The SACRE has continued to meet and recruited a number of new members. There has been work done to look at regional SACRE hubs and also a recent work to help in the teaching of Islam. I was also involved with the SACRE's survey which was sent to all RE teachers to see how the SACRE could best meet their needs and what resources, networking opportunities and training they would find most useful.

Name(s) of Representative(s)	Cllr Malcolm Beer
Name of Organisation	Local Authorities Aircraft Noise Council
Municipal Year to which the report relates	2015/16
Number of meetings held	8
Number of meetings attended	8
Please give a brief description of the purpose/aims of the organisation	To examine and take action relating to any type of pollution or nuisance from aircraft noise which may affect Member Councils and Associate Bodies.
Please give details of the key activities/achievements/outcomes during the year	<ol style="list-style-type: none">1. The LAANC model of Councillors and specialist Environmental Officers working as equals in alternating Executive and Council Meetings continues to achieve community related advanced technical examination and action on all forms of environmental problems relating to Heathrow, via its related responses to government consultations and representation on the Heathrow Airport Consultative Committee.2. Its knowledgeable professional Officer representatives and Councillors worked together to robustly respond to interim proposals of the Airports Commission (AC).3. The same professional reps of four Member Councils worked together to submit an authoritative booklet to every MP demonstrating a catalogue of very serious shortcomings in the recommendation of the AC to expand Heathrow.4. The laanc-heathrow website which I actively helped to resurrect has maintained an easily accessible source of updated information on relevant topics and actions.
Any other comments	<ol style="list-style-type: none">1. I have been pleased to have Chaired LAANC for the past 8 years and helped to merge the different attitudes of the big London and smaller rural communities into one stronger voice.2. LAANC has been handicapped by the infrequent representation of some Council's Officers, no doubt due to increasing budget pressures, and some Councils failing to appreciate that it will be impossible to stop aircraft noise, other pollution, excessive development and congestion from very seriously adversely affecting their communities, possibly for the first time, at a later date if they do not join in objecting to the AC's recommendations NOW.3. I hope to have the opportunity to continue to represent RBWM on LAANC.

Please give a brief description of the purpose/aims of the Organisation:			
Please give details of the key activities/achievements/outcomes during the year:			
<p>Twinning committee - This committee is in good heart and has organised a no. of twinning events and the committee meets regularly. The Mayor is president and has been on a couple of exchanges. We need to support the twinning committee and needs to be part of the council. The concept of twinning began in the early turn of the century, our twin towns are Neuilly-Sur-Seine France, est. 1955 St Claud France, est 1957, Bad Godesberg Germany est. 1960 Glosar Germany est 1969, Frascati Italy est. 1972 Cortick Belgium est. 1981.</p> <p>Berks local transport body - As lead member, I attended 3 meetings last year and asked for funding for a no. of schemes in RBWM council. The meetings are hosted by Slough BC and it is important we attend as they allocate funds for highways improvements. It is important officers attend meetings as well, est. March 2013 in response for dept. Transport wish to devolve local transport major scheme funding to regional control. Membership of BLTB and Berks transport is identical and two bodies operate in tandem with each other.</p> <p>Windsor Municipal charities - It is an important charity looking after alms houses in Windsor, well financed and carry out good services for residents who have hit hard times/need accommodation. They adapt well to modern times, spending money on refurbishment of buildings. The council should support the charity. We meet 4 times a year. This is a retirement properties for old people at Ellison House, Victoria St. It is an alms house.</p> <p>Windsor & Eton Society - The society goes from strength to strength meeting regularly to view planning applications, safeguarding cultural heritage of RBWM. It was founded 1946 and aims to stimulate public interest in Windsor, promoting high standards of Windsor and Eton, protecting features of historic/public interest and have a program of talks/outings. They had 3 talks this year, Royal dairies, Upton House, Spencer House, Chiswick.</p>

Name of Organisation:	Heathrow Community Noise forum		
No of Meetings Held:	4	No of meetings Attended:	4 plus 16 other meetings
Please give a brief description of the purpose/aims of the Organisation:			
<p>Terms of reference are available on the Heathrow web site at http://www.heathrow.com/noise/making-heathrow-quieter/our-noise-strategy/working-with-local-communities/heathrow-community-noise-forum</p> <p>The forum was established as a result of community concerns following departure trials in 2014.</p>			
Please give details of the key activities/achievements/outcomes during the year:			
<p>Following the Heathrow departure trials in 2014 many residents in the south of the borough were of the opinion that aircraft had not returned to the pre-departure trial routes. After much prompting by me and some others NATS admitted to a change on the Compton route on easterly operation. The complaints led to the formation of the Community Noise forum. Initial work focussed upon successfully verifying that the data provided by Heathrow on Webtrac was accurate and that this web based tool accurately represented the position of aircraft.</p> <p>Following this work data was provided on the location of aircraft for a five year period over Sunninghill. I undertook an analysis of this data and have published a report with the Community member of the HCNF, Kate Mann.</p> <p>The analysis of the Sunninghill and other gates exposed a number of surprises including the fact that on average aircraft are climbing more slowly. A number of specific groups were formed to review data and consider future operations and I joined a Research and policy Group and a group looking at possible routes for Compton on easterly operations.</p>			
Any other comments: (please continue on separate sheet as necessary)			
<p>I have over this period responded to tow consultations, the CAA’s Consultation on proposals for a revised airspace change process and the DfT Policy Development discussion paper.</p>

Please give a brief description of the purpose/aims of the Organisation:			
<p>In order to protect bird species under a European directive the 11 Local Authorities affected established a SPA Delivery Framework in 2009. The framework requires contributions from developers for the provision of Suitable Alternative Green Space (SANG) and Access Management and Monitoring. Having established the framework the Board are responsible for monitoring access management and the effectiveness of SANG</p>			
Please give details of the key activities/achievements/outcomes during the year:			
<p>Having established the Framework and a programme of wardening of both the SPA and SANG meeting were reduced from 4 to 2 a year. The group decided that it should establish a process for monitoring the effectiveness of SANG in attracting visitors, particularly dog walkers away from the SPA, for communicating with visitor and to establish ways in which SANG could be made more attractive to visitor.</p> <p>A Task and Finish Group was set up which I chaired, the group consisted of Officers and members and after two meetings reported to the main Board. 2015/16

Name(s) of Representative(s):	Cllr. Philip Love		
Name of Organisation:	C.A.B. (Citizens Advice Maidenhead & Windsor)		
No of Meetings Held:	6	No of meetings Attended:	3 - Other 3 unable to attend because of Council meetings clashing
Please give a brief description of the purpose/aims of the Organisation:			
To help local residents resolve their legal, financial and other problems by providing independent, expert and confidential advice, free of charge, while campaigning for change in the policies and services that cause people problems.			
Please give details of the key activities/achievements/outcomes during the year:			
<p>With the increased workload and need of additional space, I helped CAB acquire a new ten year lease. Some urgency was needed in this matter, because in order to obtain grants from other organisations, CAB need to show that they have at least five years remaining on their lease.</p> <p>We were recently delighted to learn that our funding application to Big Lottery’s Awards for All fund was successful, and we were awarded £8,335 for our “accessible advice service” which includes email, phone and testing webchat.</p> <p>CAB are being very proactive working with and promoting our work across the local authority and through other agencies.</p> <p>In 2015/16 we achieved financial outcomes totalling £419,214!</p> <p>We will be increasing our manning of Adviceline, to open on Thursdays from 9.30-12.30 and we are asking volunteers for help on either a regular or rota basis.</p> <p>We are running a publicity campaign for Dedworth now that we have more volunteers. This involves a Press release, new posters, plus postcards etc. , We are also looking to have another outreach within Radion, who are offering us space for free.</p>

Corporate - Annual Report - Council Representative's on Outside Bodies

Name(s) of Representative(s)	Cllr John Bowden
Name of Organisation	HACC, Heathrow Airport Consultative Committee
Municipal Year to which the report relates	2015/2016
Number of meetings held	4
Number of meetings attended	4
Please give a brief description of the purpose/aims of the organisation	HACC aims to promote Heathrow Airport, it is funded by the company.
Please give details of the key activities/achievements/outcomes during the year	<p>I have ensured that RBWM is fully represented on HACC and challenges any further expansion, detrimental to RBWM, ie the 3rd runway. I have achieved this by speaking at all meetings, challenging aircraft operations (over flying, noise and pollution) and the lack funding for projects in RBWM.</p> <p>The new 3rd runway will impact heavily on RBWM which was not addressed in the report on airport expansion, with a bias towards London. I have challenged Slough Boro Council who have accepted funding to promote the expansion.</p>
Any other comments	<p>I have participated in an airside tour, but declined an offer of dinner. I have met with the Director of Public affairs for Heathrow, and the Manager of Surface transport privately at Heathrow with Cllr Hilton for them to explain road and rail expansion that will impact on rail services to Windsor Riverside.</p> <p>They were unaware of the Windsor Rail link proposals.</p>
